ABOUT THE DEPARTMENT

The Electronics & Communication Engineering Department started in the year 1994, is accredited by NBA and has well qualified and experienced faculty members, specialized in various fields of Electronics & Communication Engineering. It has well equipped 14 Laboratories with industry standard hardware and software tools. The Department offers B.Tech (ECE) &M.Tech programmes in Communication systems and VLSI & Embedded Systems. The Department focuses on current trends in the field of Electronics, Telecommunication and Information Technology through technical meetings, conferences, seminars and symposium in collaboration with industries and research organizations. Recently six of our faculty and sixteen students are certified as CLAD Engineers.

ABOUT CLAD CERTIFICATION:

The NI Certified LabVIEW Associate Developer (CLAD) is the first step in the three-part NI LabVIEW certification process. More than 200 companies like Honeywell, BOSCH, National Semiconductors, BHEL, General Electric Corporation, TATA power, Indian Air Force etc. have been benefited from NI training programme in India. Companies like Siemens, General Electric Corporation, Delphi recruit candidates with experience in LabVIEW. This Certification is an indicative of the level of your programming skills and can be helpful when applying for a software developer position requiring LabVIEW skills.

SESSION DETAILS:

LabVIEW software plays the major role in many design platforms. The goal of this programme is to give intense training on LabVIEW and make the participants as NI certified CLAD Engineers.
