I like the friendly atmosphere in our Civil Engineering department and the fact that the teachers are really kind to the students. We are very much supported in our studies. Some of the teachers are really kind and their way of teaching is really interesting. They are also very motivational. We are enthused by the classes. My grades have gone up a lot as the classes are practically oriented. The teachers take more time to focus on each student."

Batch : 2009-2013
Designation : Student
Institute : Concardia University

I completed my B.Tech, Civil Engineering. I have always felt that I was so lucky to be a student at B.S.A.Crescent Institute. The thing I admire the most about the Crescent is the support rendered by teaching and non-teaching faculty of the Civil Engineering Department. I wouldn't have been able to achieve what I have achieved without that caring environment.
