**Ref:** (i) Lr. No. 49 / Director (ARIA) / 2017 dated 26.07.2017

(ii) Demonstration by M/S IonCUDOS on the OBE Education Platform Software.

\*\*\*\*\*

Though, many of our programmes have been accredited by NBA, we found that the data collection and the preparation of SAR document are exhaustive and time consuming. Hence, the Office of Director (ARIA) has been looking out for an appropriate solution cum automation, for the NBA Accreditation process.

A Committee identified for this purpose, has been interacting with various firms and products. The number of vendors, with whom, we had interaction would be more than 20.

Among the 20 + vendors, the solution proposed by M/S IonCUDOS is comprehensive and meets all the requirements, for the NBA Accreditation process. That is why, a demonstration of the product was made to all the HoD(s), Dean(s), Director(s) along with the NBA coordinators on 27.07.2017.

Now, based on the feedback from our departments, we have requested for a "Trial Access" to the OBE Education Software Platform. The vendor has agreed to extend a trial access, after signing a "Non Disclosure and Confidentiality Agreement". But, this trial access will be made accessible only to two departments and five faculty members each, in these two departments.

Therefore, it is requested the HoD(s) / Dean(s) shall send me the Expression of Interest, to host this trial access, for a period of four week and they would be required to submit a detailed usage report, based on which the final decision will be taken.

The cooperation to be extended, in this regard, is highly appreciated.
