## **REPORT FOR ONE DAY WORKSHOP ON ENGINE DISMANTLING AND ASSEMBLY**

An one day workshop titled “Engine Dismantling and Assembling” was organized under ASME with 27 participants on 25-04-2018. The workshop was targeted mainly undergraduate students of I, II and III year students. The objective of the workshop was to understand and realize the components/parts present in the two wheeler vehicle for the beginners. In the workshop was inaugurated by Dr. Prince Arockia Doss, Professor/ Mechanical Engg. And further the sessions are started with the power point presentations detailed the components/parts present in the TVS Scooty. Our students Mr. Dharanivel A.S.A, Mr. Adithya R, Mr. Ajay Krishna R were given the presentation. And the session started with dismantling and assembling of TVS scooty. And the participants were asked to participate in dismantling and each and every single parts of vehicle were explained to the participants. The doubts raised by the participants were cleared with answers. Finally the participants are requested to assemble the vehicle. The real in hands training motivated the participants and the expressed their happiness in the closing ceremony of the workshop.
