ABOUT THE UNIVERSITY

B.S. Abdur Rahman Crescent Institute of Science and Technology, a deemed to be University, formerly acclaimed as B.S. Abdur Rahman Crescent Engineering College, blossomed into a premier institution for higher education and research in the year 2009. It focuses predominantly on innovative teaching and learning process and research in relevant fields. It provides ample opportunities for students and teachers to experiment with the new techniques and ideas in order to promote learning in a conducive atmosphere. Situated on the GST road in the suburb of Chennai, it provides a calm and serene atmosphere, stressing on the green environment and takes efforts to conserve the greenery amidst concrete jungle.

ABOUT THE DEPARTMENT

The department of English was established in 1984 as a supporting department. Since then, it has been offering Technical English and Communication Skills for the students of engineering and management and General English for the students of Science and Humanities. B.A.English (Hons.) is also to be offered from the academic year 2019-20. It has become a recognized research department since 2009. Ph.D. is offered in English Language and Literature. The department has two computerized language laboratories to enhance the LSRW skills of the learners.

The Department has signed an MOU with Cambridge Assessment English and has been offering Business English Certificate Courses since 2010.

Editing and Proofreading Services are offered by the department as consultancy services. Training for taking up IELTS exams is offered as a value-added course for the students.

Apart from teaching and research, the department is involved in organizing various workshops and conferences to update the English teachers with current trends and methodologies in ELT and Literature.

ABOUT THE WORKSHOP

The workshop is aimed at providing input on various techniques for handling the learners of language and literature of the 21st century. It is proposed to invite the Heads and Senior faculty members of the Department of English to this workshop in order to promote contemporary theory and grounded knowledge of practices in the teaching of language and literature.

OBJECTIVES OF THE WORKSHOP

- To emphasize the need of innovative pedagogies and materials required for teaching 21st century learners.
- To expose the teachers to the new teaching and assessment practices for effective teaching of language and literature.
- To upgrade the skills of teachers to overcome the challenges faced by them in the language classroom.
