

## NATIONAL WORKSHOP

ON

## CURRENT CHALLENGES & FUTURE PROSPECTS FOR ACTUARIES

23<sup>rd</sup> and 24<sup>th</sup> January 2020

Venue: Convention Centre, Seminar Hall I

### Registration Form

- To register please scan the QR code and fill the form and submit the same.

OR

- Visit the website [www.crescent.education](http://www.crescent.education) and download the registration form. Fill the same and send it to the coordinator by Email: ([mahadev.ota@crescent.education](mailto:mahadev.ota@crescent.education))

### ADDRESS FOR COMMUNICATION

Mr. Mahadev Ota

Department of Mathematics and Actuarial Science,

B.S.A. Crescent Institute of Science & Technology

Vandalur, Chennai – 600 048

Email: [mahadev.ota@crescent.education](mailto:mahadev.ota@crescent.education)

Mobile: 8144618689

## REGISTRATION

Participation is only by registration. Fill the form and submit the same either by email/post/ in person. Registration form is to be sent in the prescribed format along with fee details. Accommodation will be provided on request (Charges Rs. 500/- per day, which includes breakfast and dinner).

## FEES

Registration Fee : Rs. 200 /-only.

\*No TA/DA will be provided

## PAYMENT OF FEES

Payment of fees: (a) by DD - drawn in favor of the HOD Mathematics, B S Abdur Rahman Crescent Institute of Science & Technology, payable at Chennai or (b) by Bank Transfer as shown below:

Name of A/c holder : HOD Mathematics, BSACIST

Name of the Bank : Indian Overseas Bank

Branch : Vandalur, Chennai-600048

Bank Account No. : 165701000021412

IFSC : IOBA0001657

for Science and Technology**

# ABOUT THE INSTITUTE

B.S. Abdur Rahman Crescent Engineering College, which was established in the year 1984 by the Founder Chancellor Alhaj Dr. B.S. Abdur Rahman, has now been upgraded as B.S. Abdur Rahman Crescent Institute of Science & Technology (under section 3 of the UGC Act 1956). This is the first Muslim Minority Institution which obtained “A” Grade from the National Assessment and Accreditation Council (NAAC) in the very 1st cycle of Accreditation.

By making use of the latest technologies and quality teaching, the institute is able to offer a wide choice of interdisciplinary degrees in science and engineering which has enabled students to gain accolades in the global level. It is one of the few institutions with all the UG and PG programmes approved by AICTE and accredited by the National Board of Accreditation.

The Institute is located in the outskirts of Chennai city on the G.S.T. Road, (Chennai-Trichy National Highway) 7 km from Tambaram and 2 km from Vandalur Railway Station and 17 km from the International Airport. Being adjacent to the Arignar Anna Zoological Park, it is easily accessible by city buses.

# ABOUT THE DEPARTMENT

The Department of Mathematics was established in the year 1984 and now been upgraded as Department of Mathematics and Actuarial Science. Over the past few years, the department has acquired national and international importance. This has been achieved by the collective and responsive effort of the faculty and the

supporting staff. The department offers courses on M. Sc Actuarial Science and PhD in Mathematics & Actuarial Science. The department has 18 faculty members. The department has well equipped computer lab with math softwares. The department periodically organized seminars and workshops, through the lecturers by industrial professionals for the benefit of staff and students.

# ABOUT THE WORKSHOP

The purpose of this workshop is to bring together experts, students and young researchers to provide a platform for discussion to fill the gap between industry and academic.

An actuary is a business professional who analyzes the financial consequences of risk. Actuaries use mathematics, statistics, economics and financial theory to study uncertain future events, especially those of concern to insurance and pension programs. Apart from the traditional roles, actuaries also play a major role as consultants, investment advisors, data analysts, etc. Because of holding the key responsibility and dealing with uncertainty, the role of actuaries is very challenging.

In the future, the Actuarial job market is going to expand rapidly because of the growth of insurance and financial markets. Employment of actuaries is projected to grow much faster than the average for all occupations. Actuaries will be needed to develop, price, and evaluate a variety of insurance products and calculate the costs of new risks.

The workshop will focus on these issues and will be helpful to participants in understanding the challenges faced by the actuaries and to make themselves equipped for future prospects.

# QUIZ COMPETITION

There will be a quiz competition during the workshop which will be open to all. The questions will be of multiple choices based on the following topics:

1. Mathematics
2. Statistics
3. Actuarial Science
4. Economics

*\*Attractive prizes will be given*

# Organizing Committee:

## Patron

Dr.A. Azad  
Registrar (Vice Chancellor in charge)

## Advisor

Dr.Venkatesan Selvam  
Dean, School of Computer, Information & Mathematical Sciences

## Convener

Dr.S.Rajasekaran  
HOD / Mathematics and Actuarial Science

## Coordinator

Mr. Mahadev Ota  
AP / Mathematics and Actuarial Science

# Organizing Members

- Dr.S. Srinivasan
- Dr. P. S. Sehk Uduman
- Dr.Sindhu J.Kumaar
- Dr.T.R.Ramesh Rao
- Dr.C.D.Nandakumar
- Dr.A.Bernick Raj
- Mr.A.Saibulla
- Dr.P.Arathi
- Ms.A.Sagaya Suganya
- Mr.J.Ravinder
- Dr. Pervaiz Iqbal
- Dr. Aijaz Ahmad Dar
- Dr. A.Manshath
- Dr. Syed Siddiqua Begum
