18.07.2016

a. Parents – Teachers Meeting

The Feedback obtained from Parents in the academic year 2015-16 on the following parameters were analysed and reported.

- Quality of Teaching
- Laboratory Facilities
- Examination System
- Discipline
- Campus Atmosphere
- Teacher - Parent Interaction
- Student Amenities (Bus, Wi-Fi /Internet, Library etc.)
- Extracurricular Activities
- Sports Facilities
- Canteen Facilities

No. of Respondents: 126

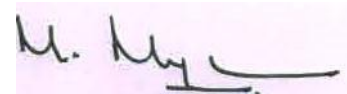

Analysis Report:

- ❖ Regarding quality of teaching, almost all the parents expressed their satisfaction by awarding Excellent – Good score.
- ❖ In terms of laboratory facilities, examination system and teacher-parent interaction parameters also >95% of the parents expressed their complete satisfaction.

b. Feedback received from Parents through Meeting of Board of Studies and School Level Advisory committee meetings.

- ❖ Parents are also part of meeting of Board of studies of the Department and accordingly invited to get their suggestion on improvement in curriculum & syllabus and teaching- learning process.
- ❖ Board of studies of the departments / schools for the academic year 2015-16 was held department wise / school wise during May – June 2016.
- ❖ The suggestions given by the parents which are taken in to consideration for further course of action are:
 - Compulsory industry internship for M.Tech. students.
 - Offering 1 / 2 credits in the M.Tech. curriculum
 - Courses with focus on employment opportunities.
 - Introduction new professional and elective courses.
