Workshop on Essentials of Scientific Entrepreneurship

Essentials of Scientific Entrepreneurship, jointly organised by CIIC and Venture Center, Pune. Funded by BIRAC Regional Bio innovation Center. 75+ entrepreneurs, startups across Tamilnadu participated in this program. Thanks to **Dr.Premnath** and Venture Center.

Venue : B.S. ABdur Rahman Crescent Institute of Science and Technology

Dept : Crescent Innovation & Incubation Council

Date : May 28th,2019

SI No. 2

Workshop on Digitalizing the Medical world

Precise 3D Metrology and Design solutions Pvt .Ltd, Provides comprehensive digital manufacturing solution, which includes 3D scanning ,digital reverse engineering,3D printing and digital inspection for automotive and engineering industries.

Venue: Crescent Innovation & Incubation Council

Dept : Crescent Innovation & Incubation Council

Date : April 24th,2019

SI No. 3**Two day Workshop on “Embedded System in Robotics using ARM Cortex M0+”**

The Department of EEE of the School of Electrical & Communication Sciences has organised a Two day Workshop on “Embedded System in Robotics using ARM Cortex M0+” on 5th & 6th February, 2019. The workshop was inaugurated by our Registrar.

SI No. 4**One Day Workshop on Sponsored Project Proposals**

Date of the event: 04-01-2019

Venue: Civil Conference Hall

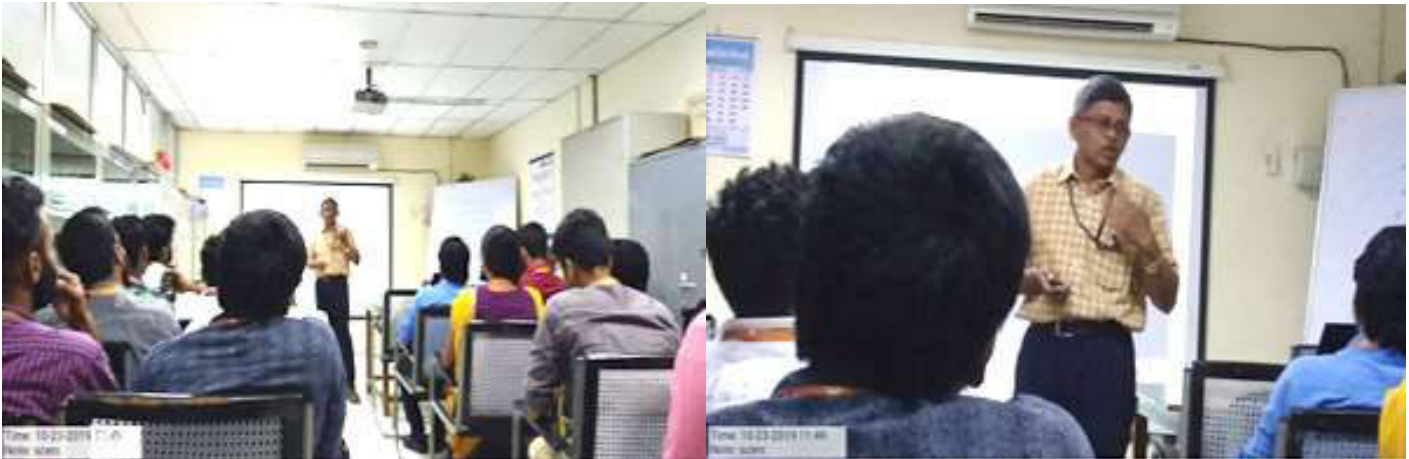

Resource Person : Dr.R.K.Sinha, senior officer from CSIR head quarters, Govt of Indian, New Delhi

From Left: From Left : Dr.Harinarayan (Director, ESPIRAC), Dr.A.Azad (Registrar), Mr.Aashik, Dr.R.K.Sinha (Senior Officer, CSIR), Dr.C.Tharini (HOD/ECE), Dr.S.Kaja Mohideen (Dean, SECS)

SI No. 5**Seminar on “Corrosion of Reinforced Concrete exposed in Natural Environment on 23.10.2019**

Er.P.Venkatesan, Senior Principal Scientist & Associate Professor, CECRI – Karaikudi and our beloved first batch alumni (1984-1988) delivered a seminar on “Corrosion of Reinforced Concrete exposed in Natural Environment” during 23.10.2019.

SI No. 6**A one-day Workshop on “Data Analysis and Visualization Using R”**

Date : 14th Mar 2019

Venue : Seminar Hall-III, BSA Crescent Institute of Science & Technology

Addressing the participants at the Centre: L to R: Dr.Syed Mohammad, Asst. Dean, Dr.K.Prabhakar, Research Coordinator, Dr.A.Azad, Registrar (at the Centre) and Prof. T Harinarayana, Director, ESPIRAC

Dr.A. Azad, Registrar (at the Centre) along with the organizers and participants

The Department of English in association with the Office of Dean Research conducted a two-day workshop 'Writing for Research Purpose' on 19 th and 20 th July 2019. The convener was Dr.H.Sofia, Associate Professor of English & Head i/c and the Co- convener was Dr.E.Syed Mohamed, Assistant Dean, Research. Nearly 100 participants from B.S.Abdur Rahman Crescent Institute of Science & Technology and other institutions from all over Tamilnadu attended this workshop.

SI No. 8**Seminar on corrosion and Engineer's day**

Er.Elias .A. Latiff, Chief Operating Officer, East Coast Construction India Pvt.Ltd, Chennai presided as a Chief Guest for the Engineers Day celebration on 21-10-2019. As a part of the Engineers Day he delivered a Guest lecture on "Alternate Technologies in Construction" for our young Engineers.

Department of Management Studies organized a seminar on “Personal SWOT analysis for identifying one’s competencies and limitations” for the students of MBA I and II year on 4th November 2019. Around 180 students attended this guest lecture delivered by Mr.Balaraju Kondaveeti (M.S Entrepreneurship from IIT Madras). It helped students in identifying core strengths, weaknesses, opportunities, and threats within themselves that leads to fact-based analysis, fresh perspectives and new ideas.

SI No. 10**Two days training program on Stadd**

“Two days training program on Stadd” was organised by the Department of Civil Engineering on 17.10.2019 and 18.10.2019. It is an initiative taken to give exposure to structural software to final year students for design project.

SI No. 11

Value added Training programme (Sanitation Solutions in Urban India)

Department of Civil Engineering, School of Infrastructure in association with Indian Institute for Human settlements organised Two day Value added training programme in “Non-sewered Sanitation an important link for Sanitation Solutions in Urban India” on 27.09.2019 & 28.09.2019 for III year Civil Engineering Students.

Latitude: 12.87584
Longitude: 80.084541
Elevation: 28.96m
Accuracy: 27.1m
Time: 09-28-2019 14:55

SI No. 12**Two days training program on Cost X**

“Two days training program on Cost X” was organised by the Department of Civil Engineering on 24.09.2019 and 25.09.2019. It is an initiative taken to give exposure to estimation software to final year students which will be useful for design project.

SI No. 13

Department of Civil Engineering conducted a one day FDP in Recent Trends in BIM on 4/7/2019

SI No. 14

Two day International workshop on “Smart and Sustainable Green Infrastructure” organised by School of Infrastructure in association with Universiti Teknologi Mara, Malaysia and supported by MIROS (Malaysian Institute of Road Safety Research) during April 3rd and 4th 2019

SI No. 15

Two day workshop on “Construction Management Software” during 14th & 15th March 2019

SI No. 16

Department of civil engineering celebrated world water day on 22 March 2019. A lecture on “Climate change and water security” delivered by Dr. E.Arun Babu, Assistant professor (selection grade), Centre for water resources, Anna university

SI No. 17**One day workshop on “Scientific Documentation and Presentation Using LaTeX”**

The Department of Electrical and Electronics Engineering (EEE) of the School of Electrical & Communication Sciences has organised a one day workshop on “Scientific Documentation and Presentation Using LaTeX” on 8th March, 2019.

SI No. 18

Two days Workshop on “Industrial IoT for Remote Monitoring and Management” during 21-22, March 2019

The Department of Electronics and Instrumentation Engineering in association with Ostara Research (Alumni ICE) and Denvik Technologies (Alumni ECE) organized two days Workshop on “Industrial IoT for Remote Monitoring and Management” during 21-22, March 2019.

SI No. 19

Partial Course Delivery for the course EICX01, Biomedical Instrumentation, by Visiting Professor, Dr. Juliana Binti Johari, Deputy Dean (Research and Innovation), FKE, UiTM, Malaysia from 7.2.19 to 25.2.19

SI No. 25**A One day Mediation Awareness Program was organized by the Crescent School of Law of BSACIST, Vandalur on 06th February 2019**

A One day Mediation Awareness Program was organized by the Crescent School of Law of B. S. Abdur Rahman Crescent Institute of Science and Technology, Vandalur on 06th February 2019. The Senior Advocate of the Madras High Court Mr. R. Venkatraman and Mr. D. Bharatha Chakravarthy, Senior Trainer of Tamilnadu Mediation and Conciliation Center of Madras High Court were the resource persons. The meeting was presided over by Prof. Dr. A. Azad, the Registrar of B. S. Abdur Rahman Crescent Institute of Science and Technology, followed by the welcome address by the Dean – Crescent School of Law, Dr. K. Nilamudeen. They highlighted the benefits and Advantages of Mediation and the role of lawyers in mediation. As Mediation is a process in which an impartial and neutral third person, the mediator, facilitates the resolution of a dispute without suggesting what should be the solution. The Resource Person was Dr.David Wesley, Assistant Professor of English, Madras Christian College, Chennai-59. He created awareness among the students about the different career avenues available for the programme they have chosen. He was very interactive and the students enjoyed the session. Dr.Ayub Khan Dawood, Dean of Social Sciences & Humanities and faculty members also attended the lecture.

SI No. 27**One day workshop 'Pedagogies for Language and Literature in the 21st Century' on 30.4.2019**

The Department of English organized a one day workshop 'Pedagogies for Language and Literature in the 21st Century' on 30.4.2019 in order to provide input on various techniques for handling the learners of language and literature of the 21st century. 52 participants from various institutions in and around Chennai attended this workshop. The resource persons were Dr. Shrimathy Venkatalakshmi, Professor & Head, Department of English Anna University, Guindy and Dr. K. Ganesh, Professor & Head, Department of English, Madras Christian College, Tambaram.

SI No. 28**One-day Workshop on 'MS Excel on Supply Chain Management'**

The Department of Management Studies organized a one-day workshop on 'MS Excel for Supply Chain Management' for the 2nd year MBA students with Logistics and Supply Chain Management specialization on 19th October 2019. A total of 50 students took part in the workshop. The resource person for the workshop was Mr. D. Sriram, an industry expert and affiliate faculty member. Mr. D. Sriram is the CEO of Maruti 3PL Solutions, Chennai. The workshop was convened by Dr. M. Shanmugam, Professor and Head, and coordinated by Dr. J. Hemalatha, Mrs. T. Rocky Devi and Dr. D. Asokk, faculty members, Management Studies.

<p>National Conference On ”Sustainable Civil Engineering Technologies & Practices” Was Organized During 29th & 30th April 2015; Chief Guest – Mr. B. Suresh, CEO And Whole Time Director, M/S Mahindra Consulting Engineers Ltd.</p>	<p>https://crescent.education/university/schools/school-of-infrastructure/department-of-civil-engineering/events/#nc</p>
<p>Two Days Workshop – Principles Of Bridge Design And Model Presentation</p>	<p>https://crescent.education/university/schools/school-of-infrastructure/department-of-civil-engineering/events/#twodaysworkshop</p>

<p>National Workshop On “Innovative Concepts For Seismic Response Control Of Structures-ICSRCS15” February 2015 Sponsored By Board Of Research In Nuclear Sciences (BRNS), Mumbai</p>	<p>https://crescent.education/university/schools/school-of-infrastructure/department-of-civil-engineering/events/#brns</p>
<p>Workshop Overview Of Structural Response Control”. Name Of The Guest: Dr. A. R. Santha Kumar, Emeritus Professor, IIT, Madras</p>	<p>https://crescent.education/university/schools/school-of-infrastructure/department-of-civil-engineering/events/#overview</p>
<p>“Construction Project Management In International Market And Construction Sequence And Techniques Of Skyscrapers – A Case Study” Name Of The Guest: Mr. Arun Prasath, Projects Control And Planning Manager, INDRA SISTEMAS, SPAIN (OMAN Branch)</p>	<p>https://crescent.education/university/schools/school-of-infrastructure/department-of-civil-engineering/events/#cpm</p>
<p>“Innovation Applications Of Ferrocement”Name Of The Guest: Dr. P. Paramasivam, Professorial Fellow, National University Of Singapore</p>	<p>https://crescent.education/university/schools/school-of-infrastructure/department-of-civil-engineering/events/#innovation</p>
<p>Seminar On Software Architechture In Aviation Industry</p>	<p>https://crescent.education/university/schools/school-of-mechanical-science/department-of-aerospace-engineering/events/#seminarsoftware</p>
<p>Workshop On Introduction To Solar P.V Design</p>	<p>https://crescent.education/university/schools/school-of-electrical-and-communication-sciences/department-of-electricals-and-electronics-engineering/events/#workshopsolar</p>
<p>Short Training Programme On“ANSYS”</p>	<p>https://crescent.education/university/schools/school-of-electrical-and-communication-sciences/department-of-electricals-and-electronics-engineering/events/#stp</p>
<p>Hands On Training On Thesoftware “ARDUINO And MATLAB” Were Organized</p>	<p>https://crescent.education/university/schools/school-of-electrical-and-communication-sciences/department-of-electricals-and-electronics-engineering/events/#trainingmatlab</p>
<p>Technical Lecture On “Different Drive Train Structure Of Electric Vehicle”</p>	<p>https://crescent.education/university/schools/school-of-electrical-and-communication-sciences/department-of-electricals-and-electronics-engineering/events/#tlecture</p>
<p>Mr A.G S.Kandan,VI Micro Systemsdelivered A Technical Speech On “Smart Grid Lab” .</p>	<p>https://crescent.education/university/schools/school-of-electrical-and-communication-sciences/department-of-electricals-and-electronics-engineering/events/#sgl</p>

Technical Lecture On “Power System Network Laboratory”	https://crescent.education/university/schools/school-of-electrical-and-communication-sciences/department-of-electricals-and-electronics-engineering/events/#psnl
Seminar On “Smart Grid And Digital Substations”	https://crescent.education/university/schools/school-of-electrical-and-communication-sciences/department-of-electricals-and-electronics-engineering/events/#smartgrid
A Workshop On “Patient Monitoring Instruments” . Mr. Sivakumar, Hospitec Medical System Was The Resource Person.	https://crescent.education/university/schools/school-of-electrical-and-communication-sciences/department-of-electronics-and-instrumentation-engineering/events/#pmi
A Half Day Workshop On PRODOK Software For The Benefit Of I Year & II Year PG Students. Mr. S. Harihara Suthan, Manager, Tech Support, Cadtech Was The Resource Persons.	https://crescent.education/university/schools/school-of-electrical-and-communication-sciences/department-of-electronics-and-instrumentation-engineering/events/#prodok
A Workshop On 3D Google Sketch-Up For Construction Of Industrial Instruments.	https://crescent.education/university/schools/school-of-electrical-and-communication-sciences/department-of-electronics-and-instrumentation-engineering/events/#3d
One Day Workshop On”ORCAD-PSPICE” By Mr.Manoj Kumar And Mr.K.P Shanthakrishnan From HCL Tech	https://crescent.education/university/schools/school-of-electrical-and-communication-sciences/department-of-electronics-and-communication-engineering/events/#orcad
A Five Days FDP On “Metamaterial Antenna”	https://crescent.education/university/schools/school-of-electrical-and-communication-sciences/department-of-electronics-and-communication-engineering/events/#fdpantenna
One Day Workshop On”Android Programming& Softskills”	https://crescent.education/university/schools/school-of-computer-information-and-mathematical-sciences/department-of-computer-applications/events/#ap
An Interaction Session With Research Scholars Was Arranged Prof. Ibrahim Sha, USA, Addressed The Gathering And Interacted With The Research Scholars Of B. S. Abdur Rahman Institute.	https://crescent.education/university/schools/school-of-computer-information-and-mathematical-sciences/department-of-computer-applications/events/#session
One Day Workshop On “Role Of Mathematics In Bio-Modelling”	https://crescent.education/university/schools/school-of-computer-information-and-mathematical-sciences/department-of-mathematics-actuarial-science/events/#biomodelling

Eleventh Annual Conference Of ADMA (Graph Theory Day XI)	https://crescent.education/university/schools/school-of-computer-information-and-mathematical-sciences/department-of-mathematics-actuarial-science/events/#adma
ADMA Pre Conference Workshop On Fuzzy Graphs	https://crescent.education/university/schools/school-of-computer-information-and-mathematical-sciences/department-of-mathematics-actuarial-science/events/#conference
One Day Workshop On “Opportunities And Challenges For Actuaries”	https://crescent.education/university/schools/school-of-computer-information-and-mathematical-sciences/department-of-mathematics-actuarial-science/events/#workshoppp
Workshop On Network Security	https://crescent.education/university/schools/school-of-computer-information-and-mathematical-sciences/department-of-information-technology/events/#network
Seminar On Software Testing Using Junit Tool	https://crescent.education/university/schools/school-of-computer-information-and-mathematical-sciences/department-of-information-technology/events/#seminarjunit
Seminar On Cyber Security Awareness Programme	https://crescent.education/university/schools/school-of-computer-information-and-mathematical-sciences/department-of-information-technology/events/#cybersecurity
Analytics With R – Hands On Workshop	https://crescent.education/university/schools/school-of-computer-information-and-mathematical-sciences/department-of-computer-science-and-engineering/events/#analytics
Workshop On New Trends In Data Integration, Analytics And BI”	https://crescent.education/university/schools/school-of-computer-information-and-mathematical-sciences/department-of-computer-science-and-engineering/events/#data
Workshop On Analytics, Internet Of Things And Web Of Things	https://crescent.education/university/schools/school-of-computer-information-and-mathematical-sciences/department-of-computer-science-and-engineering/events/#workshopiot
Workshop On Awareness On Intellectual Property Rights	https://crescent.education/university/schools/school-of-computer-information-and-mathematical-sciences/department-of-computer-science-and-engineering/events/#awareness
Three Days Hands On Training Workshop On BOSS-MOOL OS	https://crescent.education/university/schools/school-of-computer-information-and-mathematical-sciences/department-of-computer-science-and-engineering/events/#BOSS

Seminar On Speech Recognition In Tamil:A Socio Technological Perspective	https://crescent.education/university/schools/school-of-computer-information-and-mathematical-sciences/department-of-computer-science-and-engineering/events/#speech
Seminar On Design For Heterogeneous Environments – Myths And Realities	https://crescent.education/university/schools/school-of-computer-information-and-mathematical-sciences/department-of-computer-science-and-engineering/events/#design
Seminar On Introduction To Cryptography	https://crescent.education/university/schools/school-of-computer-information-and-mathematical-sciences/department-of-computer-science-and-engineering/events/#cryptography
National Conference On Prophetic Guidance For Modern Social Issues	https://crescent.education/university/schools/school-of-arabic-islamic-studies/events/#nc
Workshop On “Multicolor Flowcytometry With The Cytoflex-Flowcytometer” Was Organized In Association With Beckman Coulter, USA	https://crescent.education/university/schools/school-of-life-sciences/events/#workshop
Seminar On Malaria – Global Perspective And State Of The Research	https://crescent.education/university/schools/school-of-life-sciences/events/#seminarmalaria
Seminar On Technopreneurship	https://crescent.education/university/schools/school-of-life-sciences/events/#tech
Seminar On Biotechnology Career	https://crescent.education/university/schools/school-of-life-sciences/events/#biotechnology
Seminar On Dynamic Imaging	https://crescent.education/university/schools/school-of-life-sciences/events/#seminardynamicimaging
Hands On Summer Training Cum Internship Programme On Phytochemical Separations & Analysis Was Conducted In Association With Spinco Biotech	https://crescent.education/university/schools/school-of-life-sciences/events/#training
Seminar On Accelerated Drug Screening	https://crescent.education/university/schools/school-of-life-sciences/events/#ad
International Conference On Recent Discoveries Of Diabetic Biomarkers And Challenges Ahead (ICDB 2015)	https://crescent.education/university/schools/school-of-life-sciences/events/#icdb
Workshop On Chemo Informatics And Drug Designing	https://crescent.education/university/schools/school-of-life-sciences/events/#chemo
Workshp On Current Developments In Physics And Its Applications	https://crescent.education/university/schools/school-of-physical-and-chemical-science/department-of-physics/events/#applications

CRESCIENCE – 2015 A State Level Science Seminar	https://crescent.education/university/schools/school-of-physical-and-chemical-science/department-of-physics/events/#crescience
ICSSR – Sponsored National Conference On “Socio – Economic And Political Status Of Muslims In India: Challenges And Development” By The School Of Social Sciences And Humanities, BSACIST	https://crescent.education/university/schools/school-of-social-sciences-and-humanities/department-of-commerce/events-2/#icssr
One Day Workshop On “Preparing Technical Teachers For Optimal Class Room Delivery Through English Language.” By The School Of Social Sciences, BS Abdurrahman Crescent Institute Of Science & Technology, Chennai-48 In Association With Cambridge English	https://crescent.education/university/schools/school-of-social-sciences-and-humanities/department-of-commerce/events-2/#workshop
National Conference On Career Choices Of B-School Students – Organised On Resource Person: Dr. V. Irai Anbu, IAS And Dr Kannan Gireesh	https://crescent.education/university/schools/school-of-social-sciences-and-humanities/department-of-management-studies/events/#nc
MMA Workshop – Financial Strategy – Organised Resource Person: Mr. P. Raju Iyer, Former Chief Accountant And Company Secretary, Air Maldives Ltd.	https://crescent.education/university/schools/school-of-social-sciences-and-humanities/department-of-management-studies/events/#mma-fs
National Workshop On Research Methodology And Quantitative Techniques	https://crescent.education/research/about-us/research-activities/#qt
FDP On "Research Methodology & Data Analysis" Using SPSS And AMOS	https://crescent.education/research/about-us/research-activities/#fdp
One Day Workshop On “Quality Assurance In Academic And Sponsored Research”	https://crescent.education/research/about-us/research-activities/#quality
National Workshop On ‘Research Methods And Quantitative Techniques’	https://crescent.education/research/about-us/research-activities/#workshop
Summer School- Refresher Course On "Research Methodology In Arts,/Humanities/Social Sciences"	https://crescent.education/research/about-us/research-activities/#summerschool

<p>Workshop On “Multicolor Flowcytometry With The Cytotflex-Flowcytometer” Was Organized In Association With Beckman Coulter, USA</p>	<p>https://drive.google.com/file/d/1Nh91O4-rgkAqM6EWhKtAnTcPMBYCWrwB/view</p>
<p>Two Day Workshop On “Android Application Development” Mr. S. Joseph, Android App Developer, JPA Solutions, Chennai.</p>	<p>https://crescent.education/research/research-centers/ios-application-development-center/#twodayworkshop</p>
<p>Two Day Workshop On “Ios Application Development” Organized Resource Persons Are Mr. R.Aravinth, Mr. K.Tamil Mani And Mr. M.Muthukumaresh, Ios Application Developers, Hibrise Technologies Private Ltd, Chennai.</p>	<p>https://crescent.education/research/research-centers/ios-application-development-center/#ios-ad</p>
<p>Two Day Workshop On “Objective C And Ios Application Development” Organized Resource Persons Are Mr. R.Aravinth, Mr. K.Tamil Mani And Mr. M.Muthukumaresh, Ios Application Developers, Hibrise Technologies Private Ltd, Chennai.</p>	<p>https://crescent.education/research/research-centers/ios-application-development-center/#workshop-ios</p>
<p>One Day Workshop On “IBM Worklight Tools” Is Jointly Organized With FTA-BSAU, In Collaboration With ICTACT And IBM . The Resource Persons Are Mr. Lawrence Mohanraj, DGM, Academic Initiative, IBM And Mr. Lokesh, Android Trainer, IBM.</p>	<p>https://crescent.education/research/research-centers/ios-application-development-center/#ibm</p>
<p>Hispark - Training Programme In Ios Platform</p>	<p>https://crescent.education/research/research-centers/ios-application-development-center/#hispark</p>
<p>One Day Workshop On Vehical Dynamics,Mr.M.Sathish, Divisional Manager From Ashok Leland, Mr. L. Subramanian And Manager From Mahindra And Mr. K. Sethu Baskran General Manager From M/S FORD Were The Guests Of Speakers.</p>	<p>https://crescent.education/university/schools/school-of-mechanical-science/department-of-automobile-engineering/events/#vd</p>

Seminar On Off Road Vehicle Was Organized Mr. Venugopal Scientist And Advisor To DRDO From CVRDE Was The Guest Speaker.	https://crescent.education/university/schools/school-of-mechanical-science/department-of-automobile-engineering/events/#rv
Seminar On Vehicle Maintenance And Projects Area In Automobile Engineering Organized Dr. Shah Dupesh Khan, Chief Executive Officer From Shaheel Honda Was The Guest Speaker.	https://crescent.education/university/schools/school-of-mechanical-science/department-of-automobile-engineering/events/#vm
Special Lecture Was Conducted On Adapting To Higher Education To Motivate To Automobile Students	https://crescent.education/university/schools/school-of-mechanical-science/department-of-automobile-engineering/events/#sl-he
An Invited Lecture On Engine Design "Was Delivered By Mr. Ranganthan (Deputy Manager, Ashok Leyland	https://crescent.education/university/schools/school-of-mechanical-science/department-of-automobile-engineering/events/#ed
Seminar Ontensigrity Structures	https://crescent.education/university/schools/school-of-mechanical-science/department-of-aerospace-engineering/events/#seminar-ts
Seminar On Mangalyaan- India's First Mission To Mars	https://crescent.education/university/schools/school-of-mechanical-science/department-of-aerospace-engineering/events/#seminar-mission
Seminar On Advances In Helicopter Technologies	https://crescent.education/university/schools/school-of-mechanical-science/department-of-aerospace-engineering/events/#seminar-hc
Seminar On Effect Of Direct Lightning Strike On Aircraft	https://crescent.education/university/schools/school-of-mechanical-science/department-of-aerospace-engineering/events/#seminar-aircraft
Seminar On Applications Of Commercial CAD Software	https://crescent.education/university/schools/school-of-mechanical-science/department-of-aerospace-engineering/events/#cad
Seminar On Vibrations	https://crescent.education/university/schools/school-of-mechanical-science/department-of-aerospace-engineering/events/#sv
Seminar On Dynamic Matrix Inversion For Non-Linear Control	https://crescent.education/university/schools/school-of-electrical-and-communication-sciences/department-of-electricals-and-electronics-engineering/events/#seminar-dm
One Day Workshop On Design, Modelling & Simulation Of CST – Studio Software	https://crescent.education/university/schools/school-of-electrical-and-communication-sciences/department-of-electricals-and-electronics-engineering/events/#workshop-dm

Seminar On Distributed Generator Systems	https://crescent.education/university/schools/school-of-electrical-and-communication-sciences/department-of-electricals-and-electronics-engineering/events/#seminar-dgs
Seminar On Industrial Automation Techniques – PLC, SCADA And DLC	https://crescent.education/university/schools/school-of-electrical-and-communication-sciences/department-of-electricals-and-electronics-engineering/events/#seminar-iat
One Day Workshop On “Evolutionary Computation In Electrical Engineering – Genetic Algorithm”	https://crescent.education/university/schools/school-of-electrical-and-communication-sciences/department-of-electricals-and-electronics-engineering/events/#workshop-ec
A Workshop On “Control Valves” Was Conducted For Non-Teaching Staff Members Of EEE, ECE And EIE Department .	https://crescent.education/university/schools/school-of-electrical-and-communication-sciences/department-of-electronics-and-instrumentation-engineering/events/#cv
A Three Days Hands On Training Programme On “Pick And Place Robotic Arm” Conducted By Mr. Balaji From M/S. AEROBOTIX, Chennai	https://crescent.education/university/schools/school-of-electrical-and-communication-sciences/department-of-electronics-and-instrumentation-engineering/events/#training-ppr
A One Day Workshop On Basic Concepts Of Control Systems Using Matlab Labview	https://crescent.education/university/schools/school-of-electrical-and-communication-sciences/department-of-electronics-and-instrumentation-engineering/events/#workshop-cs
Organized Training Programme On “Allen Bradly PLC” . Mr. M.D.Rasool Alumni Of EIE Department B.S Abdur Rahman Institute And Junior Engineer, Invensys Pvt. Ltd. Chennai Were The Resource Person.	https://crescent.education/university/schools/school-of-electrical-and-communication-sciences/department-of-electronics-and-instrumentation-engineering/events/#trainingplc
Organized A Siemen PLC Training For Final Year EIE Students. Mr.Mohammed Easa Senior Engineer And Mr.P.Ganesh Engineer From Micromech Training Instruments Trained The Students In Siemens PLC.	https://crescent.education/university/schools/school-of-electrical-and-communication-sciences/department-of-electronics-and-instrumentation-engineering/events/#plc
Two Days Workshop On “NS2/NS3 Solutions For Various Research Problems In Wireless Networks”	https://crescent.education/university/schools/school-of-electrical-and-communication-sciences/department-of-electronics-and-communication-engineering/events/#workshop-wn
Three Day Workshop On “Simulink – A Hawk Eyed Application For Research”	https://crescent.education/university/schools/school-of-electrical-and-communication-sciences/department-of-electronics-and-communication-engineering/events/#workshop-simulink

Three Day Workshop On “RTOS Based Embedded Applications Using ARM”	https://crescent.education/university/schools/school-of-electrical-and-communication-sciences/department-of-electronics-and-communication-engineering/events/#rtos
A Two Day Workshop On “Labview Simulator “	https://crescent.education/university/schools/school-of-electrical-and-communication-sciences/department-of-electronics-and-communication-engineering/events/#labview
Two Days National Conference “NCRVIC-14”	https://crescent.education/university/schools/school-of-electrical-and-communication-sciences/department-of-electronics-and-communication-engineering/events/#nc-ncrvic
Conducted The Inter Departmental Technical Symposium “Cresonance”	https://crescent.education/university/schools/school-of-electrical-and-communication-sciences/department-of-electronics-and-communication-engineering/events/#symposium
Seminar On “GPS Signal Processing And Simulation Models”	https://crescent.education/university/schools/school-of-electrical-and-communication-sciences/department-of-electronics-and-communication-engineering/events/#seminargps
Two Days Workshop On “Optical Communication And Network Design Using Optisim And Metrowand”	https://crescent.education/university/schools/school-of-electrical-and-communication-sciences/department-of-electronics-and-communication-engineering/events/#workshop-oc
Two Days Workshop On “Microstrip Patch Antenna Design Using IE3D” Conducted	https://crescent.education/university/schools/school-of-electrical-and-communication-sciences/department-of-electronics-and-communication-engineering/events/#workshop-microstrip
ISTE Workshop On “Pedagogy For Effective Use Of ICT In Engineering”	https://crescent.education/university/schools/school-of-computer-information-and-mathematical-sciences/department-of-computer-applications/events/#iste
Mr. Mohammed Bakkrudeen Vice President, Operations & Delivery, Sparx Systems India, Delivered A Lecture On Enterprise Architect Tool	https://crescent.education/university/schools/school-of-computer-information-and-mathematical-sciences/department-of-computer-applications/events/#lecture-od
Seminar On “Credibility And Its Relationship To One – Way ANOVA”	https://crescent.education/university/schools/school-of-computer-information-and-mathematical-sciences/department-of-mathematics-actuarial-science/events/#seminar-cr
Seminar On Opportunities And Challenges In Cyber Forensics	https://crescent.education/university/schools/school-of-computer-information-and-mathematical-sciences/department-of-information-technology/events/#seminar-oppo

Workshop On Cloud Simulator	https://crescent.education/university/schools/school-of-computer-information-and-mathematical-sciences/department-of-information-technology/events/#workshop-cloud
Workshop On “Eucalyptus Cloud”	https://crescent.education/university/schools/school-of-computer-information-and-mathematical-sciences/department-of-information-technology/events/#workshop-ec
Workshop On Big Data	https://crescent.education/university/schools/school-of-computer-information-and-mathematical-sciences/department-of-information-technology/events/#wsbigdata
