About Us

The School of Life Sciences was established at B. S. Abdur Rahman Crescent Institute of Science and Technology with twin objectives of making the campus cross disciplinary. The school is emerging as a hub for research in all fields related to Molecular Biology, Bio-Chemistry, Microbiology, Bio-Technology, Cancer Biology, Genetics, through sponsored projects from Industries and Government agencies. It is an excellent destination to train life scientists, researchers, technicians in hospitals, industry workers in advanced laboratory techniques with hands on experience, through short term intensive programmes. The School offers diploma degree, undergraduates and post graduates and doctoral programmes in life sciences.

Our cherished "Bio-NEST" funded by DBT-BIRAC, Govt of India to establish business incubator with state-of-the-art facilities to nurture students in Life Science innovation and entrepreneurship.

Why choose us?

"EMPOWERING YOUNG MINDS FOR LIFE"

We empower our students for a changing world. Progressive Education through:

- ✓ **Journal Clubs**
- ✓ **Student Biotech Association**
- ✓ **Crescent Bioinformatics Club**
- ✓ **Cancer Research Club**
- ✓ **Social Service Activities**
- ✓ **Art and Literary Club**

"The Greatest Resource at SLS is our Professors.....they happened to be so Legit Amazing..... never limited their guidance to academics.....make amazing things happen in a student's life.....one essential requirement that a student can ask for."

**-Faizal Eeman
(Alumni 2019)Medgenome, Bangalore)**

Our Students, Our Pride

- ✓ **Start-up companies by students.**
- ✓ **Students are pursuing higher studies in USA, UK, New Zealand, Canada**
- ✓ **Secured high GRE scores and qualified in GATE**
- ✓ **High Impact journal publications**
- ✓ **Patents filed by students**
