Why Choose Us?

We create employers

About the School

Among deemed Universities, B.S. Abdur Rahman Crescent Institute of Science and Technology, Vandalur, Chennai hosts one of the few broad "Life Sciences School" in the country, providing students, faculty, and staff with the opportunity to learn and perform research in a highly integrative and interactive setting. School of Life Sciences hosts over 16 active faculty research laboratories studying areas spanning biotechnology, biochemistry, microbiology, molecular biology, and genetics etc.

"The Greatest Resource at SLS is our Professors.....never limited their guidance to academicsmake amazing things happen in a student's life"
"Faizal (Alumni)"
