INDIAN WELDING INDUSTRY CHALLENGES

/ Indian Welding Industry is a 4000 Crore Industry.

/ Average age in welding industry is more than 40 Yrs.

/ It is estimated that there will be shortage of 20,000 skilled workforce in welding industry by 2020.

/ Industries are looking for Skilled People.

/ Industries are hiring skilled people from abroad to carry out welding jobs.

WELDING INDUSTRY CAREER OVERVIEW

- / Welding Engineer
- / Welding Inspector.
- / Metallurgist.
- / Welding Trainer
- / NDT Specialist
- / Researcher scholar
- / Welding Products Marketing Engineer.
- / Robotic Engineer.
- / Entrepreneur.

And Many, Many More!

POTENTIAL INCOME

- / Salaries in Welding Profession are on the rise due the shortage of Skilled Man Power.
- / Salaries for welding-related jobs vary depending on the type of employer, welding specialty, job duties, experience level and location.
- / Pay and benefits vary widely between union and non-union employment.
