## Step 01 : Login

- i. Open **Chrome** browser on your Laptop/Desktop for Windows/Mac/ Linux OS.
- ii. Visit the following link:  
<https://crescent.codetantra.com/login.jsp>
- iii. Enter your **email-id** and **password**.
- iv. Click on **Submit** button to login

### Important Notes

- ✓ In case of **invalid Login id / Password** error, ensure that the logo on the login page is same as that of your institute, if not, then you are on wrong login page. Recheck the login link.
- ✓ You can use **Forgot** option also to recover your password using your registered email-id if you are on correct login page.

The screenshot shows a web browser window with the URL <https://crescent.codetantra.com/login.jsp>. The page features the Crescent Institute of Science & Technology logo at the top, which includes a circular emblem with a crescent moon and stars, and the text "Crescent Institute of Science & Technology" and "Deemed to be University u/s 3 of the UGC Act, 1956". Below the logo is a "Sign In" form with two input fields labeled "Email" and "Password", a "Submit" button, and a "Forgot password?" link. A green banner with the word "Forgot" is positioned in the top right corner of the form area. The browser's address bar shows the URL and the page title "Welcome to staging.codetantra.c".

## Step 02 : Visit Test Page

Click on **Tests** card to get the list of scheduled exam

### Important Notes

If you want to check whether your laptop/desktop is fit to attempt the test even before the actual exam, then you can follow the following steps:

- ✓ Select **Tools** by scrolling down this page.
- ✓ Click on **Environment Check** card, it will redirect you to Environment Check page.
- ✓ On this page, you can check whether Microphone, webcam and sound of your laptop/desktop is working or not to continue the test by giving the browser necessary permission.
- ✓ You can also troubleshoot your device also using the help videos given on this page.
- ✓ If your laptop/desktop fulfil the necessary requirements, then you should see a message **Environment Check Successful**.

The screenshot shows a web browser window with the URL `crescent.codetantra.com/secure/home.jsp`. The page header features the CodeTantra logo and a navigation menu. The main content area contains four large cards:

- View Classes/Meetings**: A card with an illustration of a person in a video call window and icons for phone, chat, and microphone. Text: "Click here to join or view all your live and recorded classes/meetings".
- Courses**: A card with an illustration of a person sitting at a laptop. Text: "Click here to view all your courses/subjects".
- Tests**: A card with an illustration of two people sitting at desks taking an exam. This card is highlighted with a red border. Text: "Click here to view all your scheduled and completed tests".
- Programming Labs**: A card with an illustration of a person at a laptop with various icons. Text: "Click here to view all your programming labs".

At the bottom right, there is a logo for Crescent Institute of Science & Technology, featuring a crescent moon and star, with the text "B.S. Abdur Rahman" and "Deemed to be University u/s 3 of the UGC Act, 1956".

## Step 03 : Open the Test

- i. Click on the **Open Test** button against the test you want to attempt as per the availability of the test.

The screenshot shows a web browser window with the URL `crescent.codetantra.com/secure/home/tests.jsp`. The page header includes the CodeTantra logo and navigation links. Below the header, there are two buttons: "Click here" and "Download". The main content area is titled "Tests" and features a search bar. A table lists the available tests:

#	Test Name	Time	Status	Result
1	MCQ Test 1	<b>Start Time</b> [Input field] <b>Duration</b> 120 minutes	<b>Open Test</b>	--
			<b>Completed</b>	--

The "Open Test" button in the first row is highlighted with a red circle. The footer of the page contains the Crescent Institute of Science & Technology logo and text: "B.S. Abdur Rahman Crescent Institute of Science & Technology Deemed to be University u/s 3 of the UGC Act, 1956".

## Step 04 : Give the permissions

- i. You are on the Environment Check page now. Here, you will be asked to give the permission to the browser by clicking on **Allow** button for Location, Microphone, Camera access consecutively.

The screenshot shows a web browser window with the title "Environment Check". A location permission dialog is displayed, asking for permission to "Know your location" from staging.codetantra.com. The "Allow" button is highlighted with a blue box. Below the dialog, a table lists system requirements:

OS	Windows 10 64-bit
BROWSER	Chrome 91.0.4472.77
AUDIO	Pending <a href="#">Click here to check audio</a>
WEBCAM	Pending
MICROPHONE	Pending

The "Click here to check audio" link is highlighted with a blue box. The bottom right corner features the logo of Crescent Institute of Science & Technology, B.S. Abdur Rahman, with the text "Deemed to be University u/s 3 of the UGC Act, 1956".

## Step 05 : Check the Audio

- i. Click on [Click here to check audio](#) button
- ii. Click on **Play** button.
- iii. Click **Yes** if you can hear the audio.

### Important Notes

- ✓ If you cannot hear the audio, make sure volume level of your laptop/desktop is up.
- ✓ You can also ensure if there is any working speaker is attached with the laptop/desktop or not.

## Step 06 : Proceed to test

- i. If environment check is successful, then you should see a button with a name **Proceed to test**
- ii. Click on **Proceed to test** button to go to the next step

### Important Notes

- ✓ In case, you are not able to complete the Environment Check step, you can troubleshoot your device.
- ✓ System will automatically show the troubleshoot video link based on the error.
- ✓ If you are not able to troubleshoot the device, then you can change the device.

The screenshot shows a web browser window titled "Environment Check" with a URL containing asterisks. The page header features the CodeTantra logo. The main content area is titled "ENVIRONMENT CHECK" and displays a video feed of a person with a white box over their face. Below the video is a blue button labeled "Proceed to test". At the bottom, there is a table showing system check results:

OS	✓	Windows 10 64-bit
BROWSER	✓	Chrome 91.0.4472.77
AUDIO	✓	OK
WEBCAM	✓	OK
MICROPHONE	✓	OK

The bottom right corner of the page features the logo of Crescent Institute of Science & Technology, along with the text "B.S. Abdur Rahman" and "Deemed to be University u/s 3 of the UGC Act, 1956".

Wait here

- i. Wait for few seconds here on this page and let the system automatically creates a meeting room to connect you with the proctor.
- ii. Once, meeting room is created, you will be able to start the test.

The screenshot shows a web browser window for CodeTantra Edu. The browser address bar contains a masked URL with asterisks. The page header includes navigation links for 'Home' and 'Learn Anywhere', a search bar, and a 'Logout' button. The main content area is split into two panels. The left panel, titled 'Meeting', shows a dark interface with a white box in the center that says 'Connecting .' with a close button (X) in the top right corner. The right panel, titled 'Test Details', shows a table with fields for 'Test Name', 'Duration', 'Total Marks', and 'Start Time'. Below the table is a section for 'General Instructions' with a hand icon. At the bottom of the right panel, a message reads 'Waiting for proctor/system to validate your environment.' in red text. The footer of the page features the Crescent Institute of Science & Technology logo and the name 'B.S. Abdur Rahman'.

## Step 7 : Start the Test

- i. Once the microphone and the webcam are connected, you be able to see a Start Test button automatically.
- ii. Click on the **Start Test** Button to start the test.

### Important Notes

- ✓ It takes few seconds to get the Start Test button on laptop after you connect to the audio and webcam. Please be patient.

The screenshot shows a web browser window with the URL 'CodeTantra Edu'. The page features a dark navigation bar with a home icon, a chat icon, and a 'Logout' button. The main content area displays a 'Test Details' form with the following fields:

Test Name	
Duration	
Total Marks	
Start Time	

Below the form is a 'General Instructions' section with a large empty text area and a checkmark icon. At the bottom of the form is a prominent green 'Start Test' button with a play icon.

## Step 8 : Answer MCQ questions

- i. You can answer the questions now by the selecting the right answer and by clicking the **Next** button for MCQ type questions.

## Step 10 : Chat with Proctor

- i. Select on green color chat icon.
- ii. Click on human face icon.
- iii. Click on Chat icon, which will open chat panel.
- iv. Type the message in the chat box and click on **Send.**

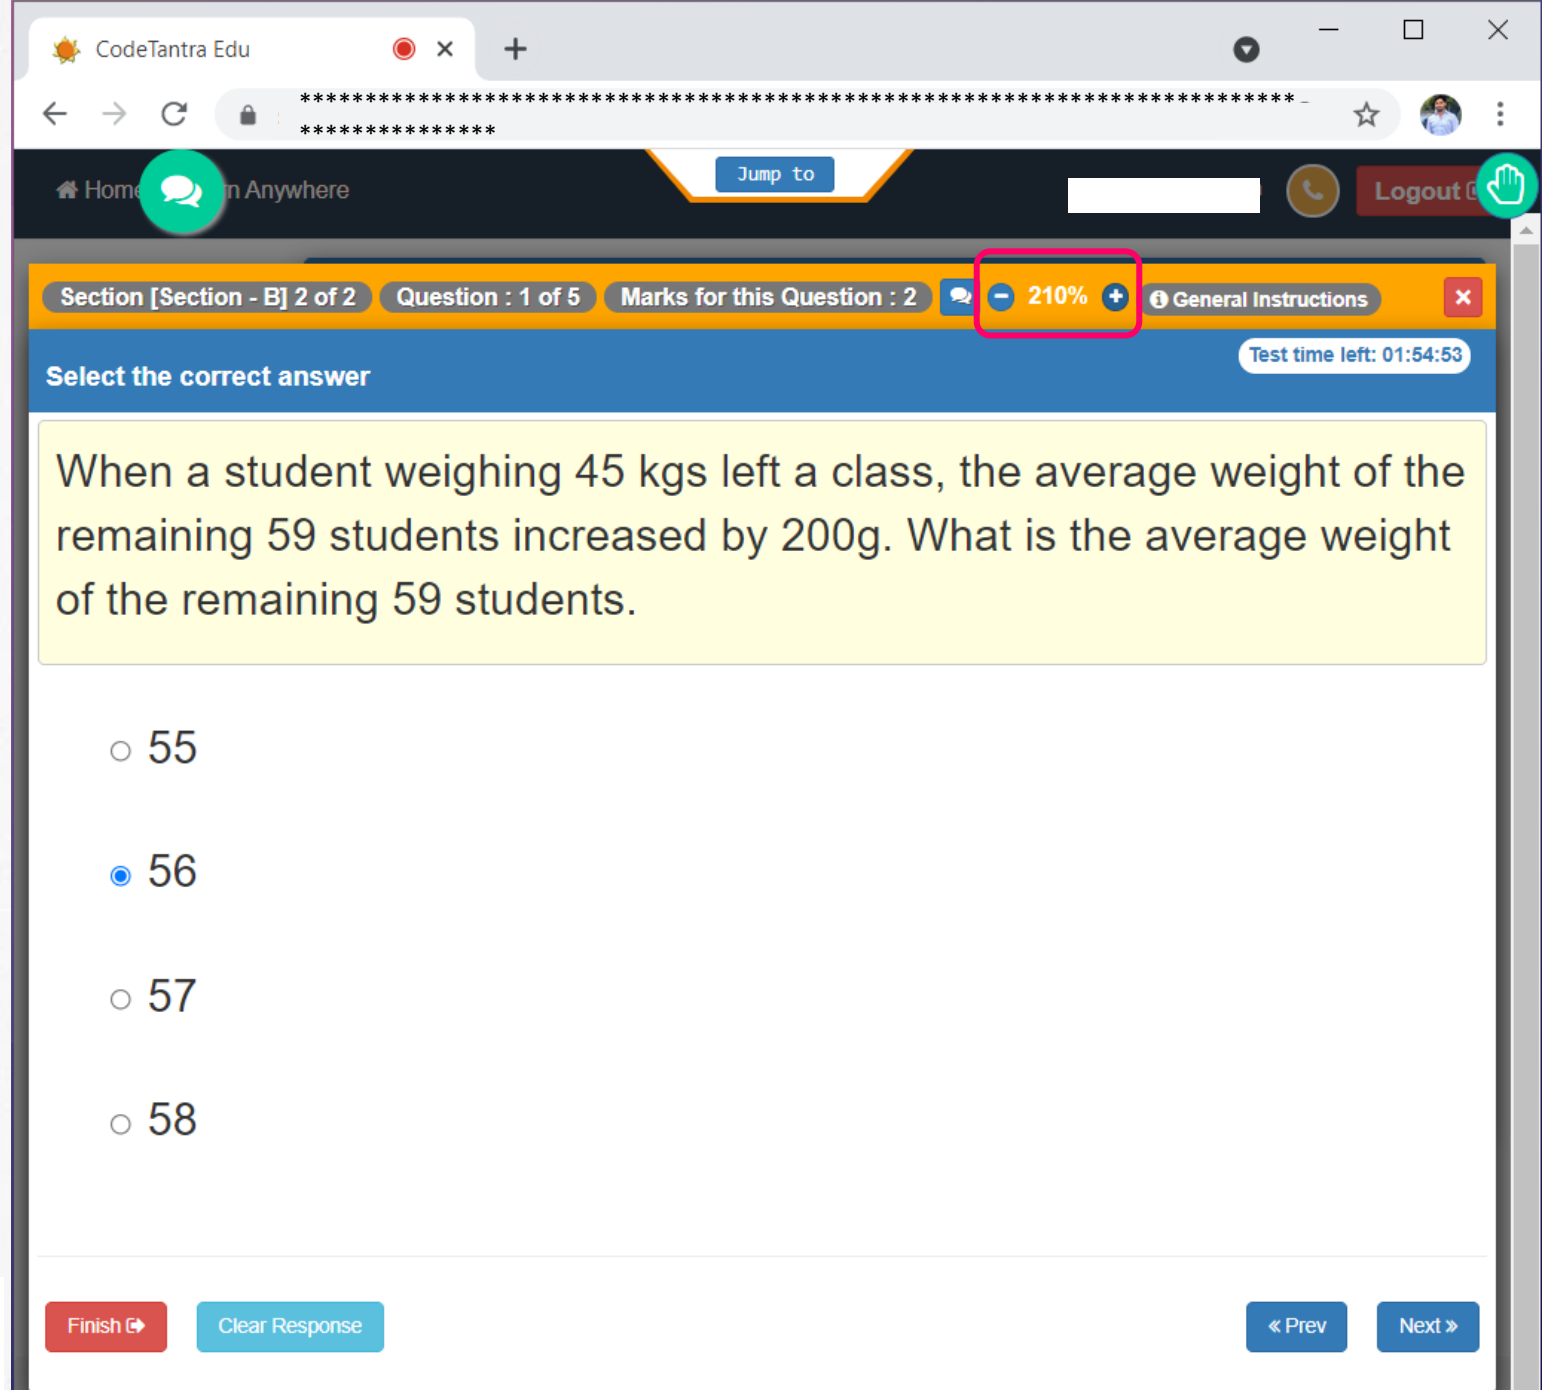

## Step 11 : Viewing the General Instructions

- i. Click on **General Instructions** button to open instruction panel.
- ii. Click on **close** after viewing the Instructions

The screenshot shows the CodeTantra Edu web application. At the top, there is a navigation bar with a home icon, a chat icon, and a 'Jump to' button. Below this is a status bar displaying 'Section [Section - B] 2 of 2', 'Question : 1 of 5', 'Marks for this Question : 2', a volume icon, '130%', and a 'General Instructions' button highlighted with a red box. The main content area shows a question: 'When a student weighing 45 kgs left a class, the average weight of the remaining 59 students increased by 200g. What is the average weight of the remaining 59 students.' Below the question are four radio button options: 55, 56 (selected), 57, and 58. A 'General Instructions' modal is open in the center, containing the text: 'Read the instructions provided for every question properly before attempting the answer.' and 'Click **Finish** only after completion of the Exam.' A 'Close' button is highlighted with a red box at the bottom right of the modal. At the bottom of the page, there are buttons for 'Finish', 'Clear Response', 'Prev', and 'Next'.

## Step 12 : Zooming in/out

- i. You can resize the text on the portal by clicking on **-** and **+** button.

The screenshot shows a web browser window with the CodeTantra Edu portal. The browser's address bar contains a long string of asterisks. The portal's header includes a home icon, a chat icon, a 'Jump to' button, a search bar, and a 'Logout' button. The main content area features a yellow header bar with the following information: 'Section [Section - B] 2 of 2', 'Question : 1 of 5', 'Marks for this Question : 2', a zoom control set to '210%' (highlighted with a red box), and 'General Instructions'. Below this is a blue bar with the instruction 'Select the correct answer' and a timer 'Test time left: 01:54:53'. The question text is displayed in a yellow box: 'When a student weighing 45 kgs left a class, the average weight of the remaining 59 students increased by 200g. What is the average weight of the remaining 59 students.' Below the question are four radio button options: 55, 56 (selected), 57, and 58. At the bottom of the page, there are buttons for 'Finish', 'Clear Response', 'Prev', and 'Next'.

## Step 13 : Sending the SOS

- i. You can ask for the emergency help by clicking on the **SOS** button.
- ii. Fill in your mobile number and describe your problem and then **Submit**.

The screenshot shows a web browser window with the URL 'CodeTantra Edu'. The page displays a question: "When a student weighing 45 kgs left a class, the average weight of the remaining 59 students was 56 kgs. What was the average weight of the remaining students?" with options 55, 56, 57, and 58. A modal form titled "Request Help" is overlaid on the question. The form contains a text input field for "Please provide your contact number" with the value "9876543210" and a larger text area for "Please describe the issue you are facing" with the text "Hello sir, I need some help.". A "Submit" button is highlighted with a red circle. The browser's address bar shows a masked URL with asterisks. The page header includes "Home", "Anywhere", "Jump to", "Logout", and a user profile icon. The page footer includes "Finish", "Clear Response", "Prev", and "Next" buttons.

## Step 14 : Finishing the test

- i. On the last question of the test, **Next** button is **disabled**.
- ii. To finish the test, click on the **Finish** Button.
- iii. A test Summary will appear, after verifying the Summary, you can click on **Yes, I want to Finish and Exit**.
