 CHEMICAL SCIENCE**

DEPARTMENT OF CHEMISTRY

Organize

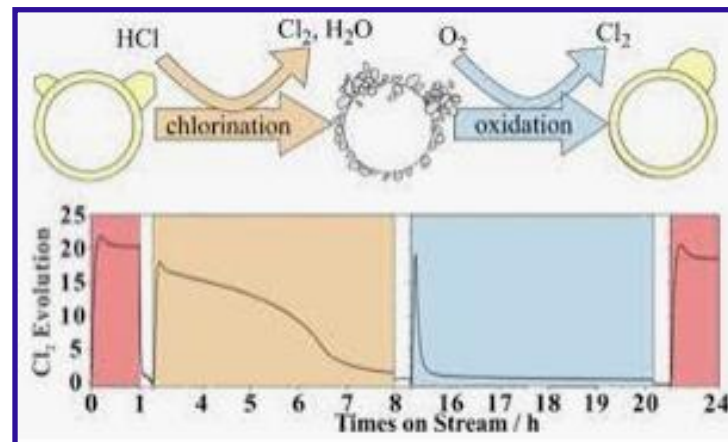

**International Webinar on "Porous
 and Nanoscale Materials for Gas
 Separation to Catalytic
 Applications"**

DATE: 24 & 25th September 2021

- No registration fee
- E-certificate will be provided
- Registration link:
- <https://forms.gle/MvDDTXac5vG1Ff7T9>

Day 1: 24.09.2021, 2:30-3:30 PM

**CeO₂ Nanomaterials in the
 Catalysis of Oxidation Reactions**

Speaker:

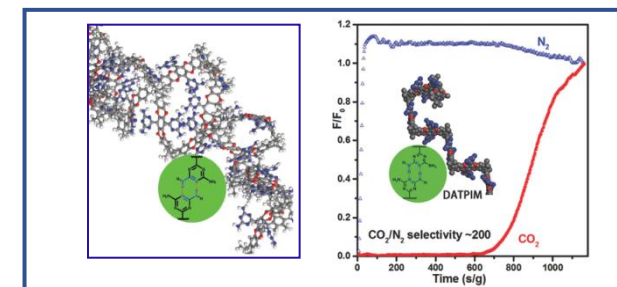

Prof. Bernd Smarsly

Professor
 Justus Liebig
 University, Institute
 of Physical
 Chemistry, Giessen,
 Germany

Day 2: 25.09.2021, 11:00-12:00 PM

**Soluble Polymers of Intrinsic
 Microporosity for Emerging
 Environmental Applications**

Speaker:

Dr. Xinbo Wang

Assistant Professor

Shandong University, The
 School of Environmental
 Science & Engineering,
 China.

CONVENORS

Dr. S. KUTTI RANI
 PROFESSOR & DEAN
 (SPCS)

**Dr. D.
 EASWARAMOORTHY**
 PROFESSOR & HEAD
 (CHEMISTRY)

CO-ORDINATOR
