Honourable Mr. Narendra Modi
Prime Minister Office
South Block, Raisina Hill, New Delhi 110011

Sub: Unique Entrepreneurial Idea Award For Visually Impaired.

Dear Prime Minister

We cordially invite you to grace our unique event '**Entrepreneurial Idea Award 2019**' for visually impaired, to be held on **December 1, 2019**, in Mumbai.

Here you will get to experience talent and aspirations of persons with visual impairment, showcase power, strength of disabled to shoulder the non-disabled world with equal grit and responsibility.

Being a (visually impaired woman) entrepreneur myself, I understand the importance of your call 'Sab Ka Saath Sab Ka Vikas', 'Digital India', 'Make in India'. With a similar vision, 10 years ago a call 'Voice Vision' was started. Here we believe in creating a world where any disability is a m inconvenience. Through our project 'Entrepreneurial Idea Award' for visually impaired, we have a platform to enable them to be job creators rather than job seekers by providing them with need support and mentorship.

Financial independence is equally important for all, whether non- disabled or disabled. Today, di are working as HR Managers, Digital Marketing Managers, Physiotherapists, Dietitians, Entrep Accessibility Consultant, IAS, CA, lawyers and more in private and government sectors. They an asset to their families, society, country and no more a burden.

We wish to spread this message loud and clear to the entire nation. Your presence at the event i sharing the same in your upcoming 'Man ki Bast' will make this possible and uplift lives of disal its true sense.

Seeking your full support and acceptance of our invitation.

Yours Sincerely
Animesha B. Bubna
Gender Director

Fit

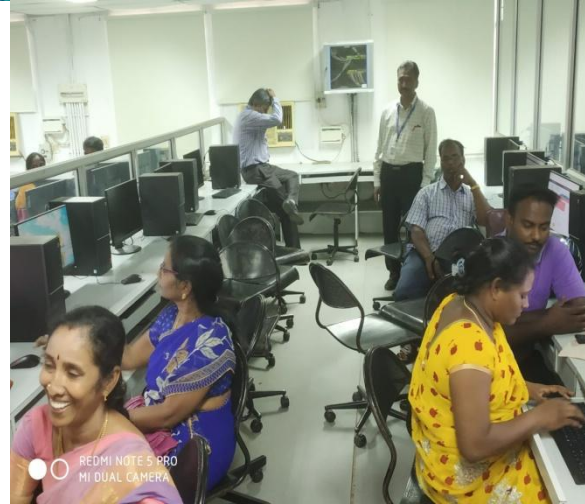

India Programme on 19th August 2019

Fit India Movement programme inaugurated by Prime Minister Narendra Modi on 29/08/2019 in order to make awareness of importance of physical fitness for the success of the individual and thereby progress of the nation. During the time of this information era people are habituated with electronic gadgets and not awareness of

being fit. Due to these reasons people are suffering from many diseases like hypertension, Cholesterol, obesity, diabetics etc. so this programme is the need of the hour. Our BSA Crescent Institute of Science and Technology, under the NSS banner also involved in the inaugural function of FIT India Movement by telecasting of live streaming of the function. Deputy Registrar Dr.N Raja Hussain, NSS Coodrinator, Dr.Ayub Khan Dawood, Deans, HODs of various schools and departments, NSS Programme Officers, Faculties,NSS volunteers, and around 500 Students from various departments participated in the inaugural function.
