

## Campus Engagement Program

Organized a webinar Atos| Syntel campus engagement program 2020 webinar for our Students. This program helps to gain insights on the latest technology trends and acquire modern-day technical know-how by Mr. Sudhir Jadhav- Delivery Manager- Healthcare and Life Sciences - Atols Syntel.

Campus engagement is a process where companies undertake specific activities to interact with students to familiarize them with their background, vision, culture and job openings. Campus engagement activities aim to build employer brand for which students aspire to work. It is a preliminary yet essential interface between the hiring organizations and students in the campus hiring process.
