

## Value Added programme

The first batch of 51 students completed their NSDC approved Value added course on “Robotics and Artificial Intelligence” certificates. The IIPC Cell has organized the “First batch Certificate Distribution Ceremony” on the 09th of February 2021. Our Hon’ble Vice-Chancellor Dr. A Peer Mohamed presented the certificates to the students in the presence of Dr. A. Azad, Registrar, Dr. Raja Hussain, Dy. Registrar, Dr.S.Kaja Mohideen, Director -PG Admissions, Dr.S.Rasool Mohideen, Dean, School of Mechanical Sciences, Mr.Sethuraman Managing Director Prag Robotics Ltd, Dr. K. Ganesh, Director -Placement & Training Cell, and Industry Institute Partnership Cell (IIPC), Directors, Deans, and HODs.

This programme is all about Robotics and artificial intelligence are two related but entirely different fields. Robotics involves the creation of robots to perform tasks without further intervention, while AI is how systems emulate the human mind to make decisions and learn.
