MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MOU) was made at Chennai on the Eight day of February, 2016 between W.M. Keck Center for Cellular Imaging University of Virginia located in Charlottesville, VA 22904, USA. The primary goal of the W.M. Keck Center for Cellular Imaging is to provide a state of the art optical imaging facility to enhance both the research and teaching environments of the University. Concomitant with this goal is the continual development and implementation of novel optical imaging methods that interface expertise in biology, optics and electronic engineering etc. of ONE PART.

AND

B.S. Abdur Rahman University, Vandalur, Chennai 600 048, a deemed to be university established under Section 3 of the UGC Act 1956, having its location at Seethakathi Estate, GST Road, Vandalur, Chennai 600 048, involved in providing quality education, research and extension activities for over 30 years hereinafter called "BSAU" of the OTHER PART.

In furtherance of their mutual interests in the field of education and research and as a contribution to increased international cooperation, W.M. Keck center for cellular imaging University of Virginia and B. S. Abdur Rahman University have agreed that:

1. The two institutions will:
 - i) Cooperate in the exchange of information relating to their activities in teaching and research in fields of mutual interest;
 - ii) Promote appropriate joint research projects and joint courses of study, with particular emphasis on internationally funded projects;
 - iii) Endeavour to encourage students and staff to spend periods of time in the host institution. The exchange of students will be dependent upon the execution of a formal Student Exchange Agreement mutually agreed between the parties in writing prior to commencement of this activity;
 - iv) Conduct research projects, as mutually agreed in writing between the parties, prior to commencement of this activity;
 - v) Provide Study Abroad opportunities at undergraduate and graduate level as mutually agreed in writing between the parties prior to the commencement of this activity.
2. The aim of the Memorandum of Understanding shall be to achieve a broad balance in the respective contributions and benefits of the collaboration, and this shall be subject to periodic review by both Institutions.
3. The coordinators from the two institutions will prepare an annual joint report on activities in the areas of cooperation under this Memorandum of Understanding.
4. In the implementation of specific cooperative programs, a written agreement covering all relevant aspects including funding and the obligations to be undertaken by each party will be negotiated, mutually agreed and formalized in writing, prior to the commencement of the program.

8/2

5. This Memorandum of Understanding will take effect from the date of its signing and shall be valid for a period of five years from that date unless sooner terminated, revoked or modified by mutual written agreement between the parties, and may be extended by mutual written agreement.

Either party may terminate the Memorandum of Understanding at any time during the term by the provision of three months written notice to the other party.
