

**Exhibition on  
“Pneumatic system and Automation using FESTO Mobile Expotainer”**

*Conducted by*  
**Experts from FESTO**

On 27<sup>th</sup> September 2022

Organised by

**Society of Mechanical Engineers**

**Department of Mechanical Engineering**

**Coordinator:**

Dr. S. Jeavudeen, Assistant Professor Sr

**SME Coordinator:**

Dr. A. Arockia Julias, Assistant Professor Sr

**Conveners:**

Dr. H. Siddhi Jailani, Professor & Head, Department of Mechanical Engineering

Dr. S. Rasool Mohideen, Professor & Dean, School of Mechanical Sciences

<b>Date</b>	<b>27.09.2022</b>
<b>No. of Visitors</b>	<b>165</b>
<b>Nature of participants</b>	<b>Students and faculty Members from all the branches</b>

## PREAMBLE

The exhibition on “**Pneumatic system and Automation using FESTO Mobile Expotainer**” was organized by the Society of Mechanical Engineers, Department of Mechanical Engineering on 27.09.2022. The exhibition was coordinated by Dr. S. Jeavudeen.

The mobile vehicle of FESTO that exhibit the various pneumatic components and systems of FESTO was brought to our campus. The expo offered awareness for the undergraduate students on the various types of pneumatic components used in the industry to develop automatic systems. It also featured a variety of Dynamic and Static displays with an emphasis on fast and easy ways of understanding the latest product applications of Pneumatic technology in Industrial Automation. Demonstration on the automation of pick and place functions, machine vision systems that identify components, automatic mixing of ingredients for pharma applications and many other industrial applications attracted the students. Working principle of the components used in these systems was also explained. A batch of maximum 15 members was allowed inside the vehicle to visit in each slot of 15 minutes. Students from Mechanical Engineering and other branches showed interested and waited in queue and visited the vehicle. Students got benefitted and gave very good feedback.

# Attendees
