Academic Overview

Curriculum

The LL.M. curriculum is designed with an objective of moulding the candidates into research-oriented teachers, criminal lawyers addressing contemporary social change, technology infused entrepreneurs skilled in various facets of criminal law and legal start-ups etc. The curriculum is divided into four set of courses.

Mandatory Common Courses:

These include courses like Law and Justice in a Globalising World, Research Methodology, Comparative Public Law, Judicial Process and Dissertation. All the courses are 4-credit courses except dissertation which is an 8-credit course. These are compulsory papers which the candidate needs to study.

Specialized Core Courses:

These are specializations in criminal law which are essential for the program. It includes Criminal Justice Administration, Criminology, Sentencing process, Drug abuse and criminal justice system, International Criminal law, Corporate and White-collar Crimes, and Criminal Psychology

Discipline Specific Elective:

Any two Discipline Specific Elective can be selected from an array of 4 electives. All these electives deal with contemporary criminal jurisprudence.

Generic Elective:

The candidate may choose any 2 General Elective out of 4 available options. These electives are aimed at enhancing research, teaching and entrepreneurial skills of the candidate.

Research

This LL.M. programme offers an opportunity for aspirants to engage in rigorous research. Vibrant and well qualified faculty of the CSL who preside over an array of research centres extend the opportunity of cutting-edge research and professional development to the candidates. The candidates will be specially trained to get acquainted with online databases for promoting their ability for legal research.

Library

CSL has a resourceful library, with access to a wide range of books, journals and periodicals from various disciplines for extensive research. An uninterrupted access to online resources and international journals is enabled to encourage students to research from a variety of national as well as international journals and reading materials. Online database subscriptions include SCC Online, AIR, Hein online etc. Our huge collection of printed journals comprises of AIR Supreme Court Weekly, AIR Supreme Court Criminal, Journal of Law review, Madras Weekly Notes, Corporate Law advisor, Supreme Court Cases etc.
