Students Testimonials

K.S. Sriram Suriya (2019 -2023)

From the moment I started the mechanical engineering programme at Crescent, I felt greatly supported and encouraged by the dedicated and knowledgeable faculty. They are not only experts in their respective fields but also incredibly approachable and friendly. I found them to be great mentors who were always available to provide valuable advice and guidance whenever I needed it. It was an absolute pleasure to be a part of the Crescent fraternity.

M. Syed Wahid Ali (2019 -2023)

Choosing Crescent was one of the best decisions I ever made in my life. Not only did I receive an excellent technical education, but also had the opportunity to participate in a wide range of extracurricular activities. I was really impressed with the quality of teaching at this institute. I feel grateful that I got placed in a well reputed organization called JSW with the support and guidance both from my department professors and Placement cell.

C. Gokul Kumar (2019 -2023)

My college life in Crescent was very engaging amidst an extremely friendly environment. These four golden years will always be an important part of my life where I grew up as a professional and will always be grateful for all the opportunity that I was given in this college. My professors, placement and training cell gave a systematic training which helped me to get placement at Renault Nissan.

Syed Ashfaq Ahamed (2019 -2023)

I consider myself incredibly fortunate to have the opportunity to study at Crescent, where I have gained something truly precious - knowledge and experience which helped me grow both as a student and as a person. The professors are not only knowledgeable in their field but also very passionate about teaching and helping their students succeed.

Alumni Testimonials

Siva Magadev (2018 -2022)

I completed my B.Tech Mechanical Engineering during the year 2018-2022. My experience with Crescent was incredible, The institute has the best and most supportive faculty and placement cell. For every challenge that I faced during my engineering, I received guidance. It helped me to get placed in **JSW Steel**. Truly, Crescent provides a great exposure to students to showcase their skills.

Farhan Nadeem (2017 -2021)

The department helped me to develop leadership skills, management skills and team work. The infrastructure in the institute is one of the finest in Chennai. The notable features of this institute, are its faculty, academics and excellent lab facilities. My four years in Crescent had been a wonderful learning experience and I got placed in **EMERSON** Ltd, Chennai through the campus interview.
