

Report for One Day Workshop on “Recent Trends in AI”

Conducted on 06th November 2023

Organized by School of Computer, Information and Mathematical Sciences (SCIMS),
Department of Computer Applications

Conveners

1. Dr.Sharmila Shankar , Dean (SCIMS)
2. Dr.S. Pakkir Mohideen, HoD/CA

Event Coordinators

1. Dr.K. Javubar Sathick, Associate Professor / CA
2. Dr.A. Abdul Azeez Khan , Associate Professor / CA

Co-cordinators

1. Dr.G.Shreedevi , Asso.Prof /CA
2. Dr.RSonia. AP(Sr.Gr)/CA
3. Dr.A.Jahir Hussain, AP/CA
4. Dr.M.Deepika,AP/CA
5. Dr.S.Kalaivani, AP/CA
6. Dr.Jeevitha Sivaswamy, AP/CA

One – Day Workshop on Recent Trends in AI was held on 06th November, 2023, during **9.30 am to 12.30 pm**. The Department of Computer Applications, School of Computer, Information and Mathematical Sciences organized the event.

The Resource person of this workshop was, **Mr.Gokul Raj, Lead Data Scientist – SEAM Pvt.Ltd. & Mr.Wasim, Data Science Trainee & AI support**

The report discusses about the following aspects of the programme:

Introduction

- ❖ On November 6th, 2023, the Department of Computer Applications organized a One Day workshop on "Recent Trends in AI"
- ❖ The workshop was handled by Mr. Gokul Raj and Mr. Wasim as a resource person.
- ❖ The workshop was attended by UG Final year students, MCA Final year students and 1st year & 2nd year students of BCA Artificial Intelligence and faculty members of the department.

Key Takeaways

The workshop focused on the following key takeaways:

- ❖ Understanding the importance of AI and its recent trends.
- ❖ Understanding the basic programming background of AI and its related domain.
- ❖ Learning about the Basics of Numpy and Data Visualization in Python Environment.
- ❖ Learning and understanding the live AI project and its behavior.
- ❖ Understanding the scope and future of AI for the UG and PG students.
- ❖ Brief Information on project internships & Placement Probability in the field of AI.

Presentation and Delivery

- ❖ The presentation and delivery of the workshop were well-organized and informative.
- ❖ Mr. Gokul Raj and Mr. Wasim presented the topics in a clear and concise manner.
- ❖ They started with the basics of AI and then moved on to recent trends in AI.

- ❖ They explained the concepts using examples and code snippets in Python.
- ❖ They also provided practical tips on how to choose the right career path in the field of AI.

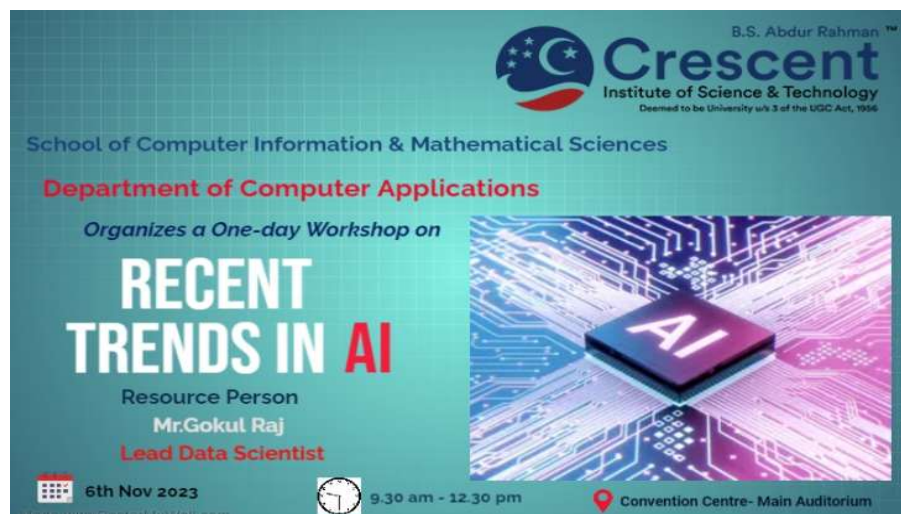

Audience Engagement

- ❖ The workshop was well-received by the audience, and they actively participated by asking questions and clarifying doubts.
- ❖ The speakers encouraged the audience to ask questions and provided detailed answers to each one.
- ❖ The audience also shared their experiences and challenges faced while working with AI and placements.

Conclusion

- ❖ In conclusion, the workshop on "Recent trends in AI "was informative and insightful.
- ❖ The speakers provided a comprehensive overview of AI, its scope and career path on the field of AI.
- ❖ The practical tips and examples provided during the workshop will be helpful for students and faculty members in their future projects.
- ❖ Overall, it was an enriching experience for everyone who attended the workshop

The Event Flyer and Brochure highlighting the necessary information about the workshop on “Recent Trends in AI” was designed and circulated. The Flyer & Brochure is displayed below:

Attached are some snapshots of the workshop, showcasing the engaged audience and the speaker's presentation.
