SCOPE OF THIS MEMORANDUM OF UNDERSTANDING

To promote co-operation between Aaranya Biosciences Private Limited, having its registered office at Hyderabad and research facility at Chennai and B.S. Abdur Rahman University, Chennai, India, both of them hereby agree to enter into this agreement for promoting academic and research related activities.

1. The two Institutions shall encourage direct contact between their faculties, administrators, departments, schools and research centres in order to promote this co-operation.
2. Within the areas that are mutually acceptable, cooperation will be pursued in:
 - a. Joint research.
 - b. Exchange of faculties for research, teaching and collaboration.
 - c. Exchange of students for study and research.
 - d. Exchange of information including, but not limited to exchange of library materials and research publications which is of mutual interest to both Institutions
 - e. Access to various research facilities of the institutions by the collaborating faculty and students
 - f. For each area of work (Project to Project) under the above said cooperation, a separate detailed agreement shall be executed covering the title; scope; roles and responsibilities; IPR related investments involved; ownerships; sharing of revenues; etc.,

Implementation

This agreement comes into force on the day when representatives of both the institutions affix their signatures, and is valid for three years. The institutions agree to review it after three years from the date hereof.

Saravani Sivakumar

[Signature]
24/11

The notice of termination of this MoU needs to be given six months in advance by either side. Any change to this MoU shall come into effect only after the changes are written and signed by both the parties.

The undersigned signatories agree to the above provisions of the agreement.
