

**Report for One Day Workshop on  
“Applications of Cloud  
Computing in the Real World”**

**Conducted on 15<sup>th</sup> March 2024”**

**Organized by School of Computer, Information and Mathematical Sciences (SCIMS),**

**Department of Computer Applications**

---

**Conveners**

1. Dr.Sharmila Shankar , Dean (SCIMS)
2. Dr.S. Pakkir Mohideen, HoD/CA

**Event Organizers**

1. Dr.C.Senthil Selvi, Assistant Professor/ CA
2. Dr.R.Sonia, Assistant Professor(Sr.Gr) / CA

One – Day Workshop on Applications of Cloud Computing in the Real World was held on 15<sup>th</sup> March 2024, during **9.30 am to 12.30 pm**. The Department of Computer Applications, School of Computer, Information and Mathematical Sciences organized the event.

The Resource person of this workshop was, **Mr.Jagadeesh Elumalai, Software Architect–Hexaware Technologies.**

**The report discusses about the following aspects of the programme:**

### **Introduction**

- ❖ On March 15th, 2023, the Department of Computer Applications organized a OneDay workshop on " [Applications of Cloud Computing in the Real World](#)"
- ❖ The workshop was handled by Mr. Jagadeesh Elumalai as a resource person.
- ❖ The workshop was attended by UG Intermediate, final year students and faculty members of the department.

### **Key Takeaways**

**The workshop focused on the following key takeaways:**

- ❖ Understanding the importance of cloud computing and its recent trends.
- ❖ Understanding the basic services of cloud and its models.
- ❖ Learning about the various types of the cloud services and its advantages.
- ❖ Learning and understanding the live cloud computing projects and its behavior.
- ❖ Understanding the scope and future of AWS, Microsoft Azure for the UG and PG students.
- ❖ Brief information on project internships & placement probability in the field of Cloud Computing Services.

### **Presentation and Delivery**

- ❖ The presentation and delivery of the workshop were well-organized and informative.
- ❖ Mr. Jagadeesh presented the topics in a clear and concise manner.
- ❖ He started with the basics of projects mounted on Cloud services and then moved on to recent trends in Cloud Services.
- ❖ He gave live demo of the configurations setup using real time examples.
- ❖ He also provided practical tips on how to choose the right career path in the field of Cloud Computing.

### **Audience Engagement**

- ❖ The workshop was well-received by the audience, and they actively participated by asking questions and clarifying doubts.
- ❖ The speaker encouraged the audience to ask questions and provided detailed answers to each one.

- ❖ The audience also shared their experiences and challenges faced while working with AI and placements.

## **Conclusion**

- ❖ In conclusion, the workshop on “Applications of Cloud Computing in the Real World” was informative and insightful.
- ❖ The speaker provided a comprehensive overview of Cloud Computing, its scope and career path on the field of Cloud Computing.
- ❖ The practical tips and examples provided during the workshop will be helpful for students and faculty members in their future projects.
- ❖ Overall, it was an enriching experience for everyone who attended the workshop

The event Brochure highlighting the necessary information about the workshop on “Applications of Cloud Computing in the Real World” was designed and circulated. The Brochure is displayed below:

The brochure features a dark blue and orange color scheme with a background of glowing circuit patterns. At the top, it displays accreditation logos (NAAC A+, 37 Years of Academic Excellence) and the Crescent Institute of Science & Technology logo. The text is organized into several sections: school and department names, workshop title, session details, resource person information, and lists of convenors and organizers.

**NAAC A+** **37 YEARS OF ACADEMIC EXCELLENCE** **Crescent** B.S. Abdur Rahman  
Institute of Science & Technology  
Deemed to be University u/s 2 of the UGC Act, 1956
