Report on LIT-TREE, the first intra-departmental event of Crescent Literarian Hub

The Crescent Literarian Hub of the Department of English of B.S. Abdur Rahman Crescent Institute of Science and Technology organized LIT-TREE, the first intra-departmental event of AY 2023-2024 on November 6, 2023 at BS Block. The event was organized by the final year students for the first and second year students.

Dr. Rathna, Head of the Department of English and Director, CIR, first addressed the students and enlightened them on the importance of intra-departmental activities which build knowledge and comradery among them. The programme started with a scintillating performance of the iconic scene of Julius Caesar's death. The dramatic rendering of the scene took the audience to the heart of ancient Rome pulsating with political intrigue and personal ambition. Then a debate – Echoing Echos – was held between the first and second year students on the topic "Does Technology Enhance Story Telling?" 'Jumbled key' was the next event in which a quiz format was employed where questions and answers were presented with options scrambled in letter arrangement, adding an engaging twist to the traditional quiz format. The final event was "Sentence Artisan" A word association event and an interactive activity where participants were tasked with linking one word to another in a seamless chain. This event fostered quick thinking, creativity, and verbal agility among participants.

The teams actively participated in the event and on the whole it was a joyous experience for the students of B.A. English Literature.
