Dear Gaurav,

MathWorks is excited to support the growth of early-stage technology companies by offering one year of free access to our software tools to **Crescent Innovation & Incubation Council (CIIC)** companies. MathWorks will make available an online portal through which your startups/cohorts can register for free access. One-year software licenses will be issued directly to registrants. MathWorks reserves the right to withdraw this offer of free access at any time.

The MathWorks name and logo shall only be used by to indicate MathWorks' support of **Crescent Innovation & Incubation Council (CIIC)** in the form provided by MathWorks, including any relevant trademark symbols, and with appropriate attribution notices in all cases. MathWorks retains all rights, title, and interest in and to the MathWorks name and logo.

We look forward to working with you.

Sincerely,

A handwritten signature in black ink, appearing to read 'David Rich'.
