Earn your US CPA and be a future-ready accounting & financial professional.

CPA (Certified Public Accountant) is the highest accounting credential in the United States.

CPA ensures global recognition for accounting & finance professionals.

Unlike various international professional qualifications which "substitute" university education and comprise multiple exams, US CPA "complement" your university education and can be achieved by clearing 4 exams

Field visits are an integral aspect of teaching that aim to improve every student's educational experience by giving them a chance to learn outside of the classroom. A two-day field tour at Miles Education was scheduled for the B. Com (Professional Accounting) students.

An Industrial Visit was arranged to Parle-G Manufacturing unit in Chennai. Since 1929, Parle-G have grown to become India's leading manufacturer of biscuits and confectionery.

As the makers of the world's largest selling biscuit, Parle-G, and a host of other very popular brands, the Parle name symbolizes quality, nutrition and superior taste. An in-depth understanding of the Indian consumer psyche has helped them develop a marketing philosophy that reflects the needs of the Indian masses. The visit was organized for B.com (PA)II-year Students.
