## Vision

To educate the future leaders of society and equip them with the skills they will need to navigate a complex world. We aim to inspire our students towards an intellectual transformation while negotiating for a just and sustainable world.

## Mission

To contribute to society through empowerment of young minds to pursue personal and professional standards of excellence. To equip our students with the knowledge, creativity and problem – solving skills that can help contribute to the progression of humanity.

## Salient Features

- » Programme is meticulously designed to train the students to crack the prestigious civil service examination.
- » Every student will have a mentor, who themselves are achievers. Students will be mentored by IAS / IPS / IRS officers.
- » For the 1st time, NCC is made as a part of curriculum, ofcourse, as an elective.
- » Components of the syllabus includes the essence of transforming the students into an empathetic leader, needless to say, a successful civil servant.
- » It gives the students an ocean of career opportunities, ranging from being a career civil servant to a social entrepreneur.
- » Any student, on successfully completing the course, should be able to crack any competitive examinations either based on General Knowledge or Aptitude.
- » Course includes exclusive training for developing Resilience, Discipline, Personality Development, Art of Public Speaking, Soft Skills Development, Aptitude Training, etc.
- » Curriculum brings the unique combination of Teaching, Coaching and Mentoring.
