INTERNATIONAL CONFERENCE

The School of Life Sciences at B.S. Abdur Rahman Crescent Institute of Science and Technology, in collaboration with the **Centre for Surface Technology and Application (CeSTA)** and **Korea Aerospace University, Republic of Korea**, successfully hosted the International Conference on Applications of Natural Products, Nanomaterials, and Nanopharmaceuticals. The conference took place both in online and offline mode on **August 9th and 10th, 2023**, providing a platform for researchers, academics, and industry experts to share **advancements in natural products, nanomaterials, and nanopharmaceuticals**.

The conference aimed to foster interdisciplinary discussions, provide insight into cutting-edge research and encourage collaborations among professionals working at the intersection of natural products, nanotechnology, and pharmaceuticals. The central theme was the application of nanomaterials and nanopharmaceuticals in natural products.

The event featured diverse presentations on topics including **nanomaterial synthesis, drug delivery systems, bioactive compounds**, and their applications. Keynote speakers delivered talks on trends and challenges in nanotechnology and natural products. Poster sessions facilitated interactive discussions, while networking opportunities allowed participants to form new collaborations.

Collaborative efforts between the **Nano and Biomaterial Association (NBA)** and the **Biotech Research Society (BRSI)** highlighted the international commitment to scientific progress. The conference established a pivotal connection between experts from academia and industry and contributed to advancing scientific understanding and breakthroughs with potential implications for various industries.

Dr. S. Hemalatha, the Dean and Professor of the School of Life Sciences (SLS) was the organising secretary. She emphasized the significance of interdisciplinary approaches in driving innovative research and development in the aforesaid area.

C R E S C E N T S T U D E N T C O U N C I L

Office Bearers and Executive Members of the Crescent Student Council (2023 - 2024) were announced. D.G Vijayenthira Poopathy (4th year, BA LLB (Hons)) was announced as the President of the council, and Poojha S (3rd year, B. Tech. Mechanical Engineering) as the Vice President. The commission is led by the Office of Student Affairs. The primary objective of the student council is to bridge the gap between the students and the management.

The student council represents the interests, concerns, and viewpoints of the student body to the university's administration, teachers, and management.

President's Note

As we embark on a new academic year, I am humbled and honoured to serve as the President of our Student Council. It is with great excitement and a strong sense of responsibility that I address you today. Our student body is a vibrant tapestry of diverse talents, dreams, and aspirations. As the representatives of this incredible community, the Student Council is committed to foster an environment that promotes learning, growth, and unity. Together, we can make our campus an inclusive space where every voice is heard and every idea is valued. Communication will be a cornerstone of our efforts. I encourage each and every one of you to share your thoughts, suggestions, and concerns with us. Our doors are always open and we eagerly anticipate your active involvement in shaping the path ahead. In conclusion, I am honoured and thrilled to lead our Student Council this year. Let us work hand in hand to make this academic year filled with memorable experiences, academic achievements, and personal growth. Together, we will turn our dreams into realities.

With immense enthusiasm,
Yours,
D G Vijayenthira Poopathy.

STUDENT INDUCTION PROGRAMME

The Crescent School of Law conducted a Student Induction program for the law students on 9th of August 2023 Wednesday, 10 AM IST, in the Seminar Hall - CIIC. Our respected dean Dr. C Chockalingam welcomed the audience and Dr. C. Manikam - Advocate at the Supreme Court of India and PA. Moorthy IPS - Joint Commissioner of Tambaram enlightened the students with their motivating and encouraging words.

One Day Shop

ON 18 - AUGUST - 2023
AT 09:00 AM,
FOOD COURT NEAR CONVENTION CENTRE

This event showcases the creative and entrepreneurial spirit of our students as they present a delightful array of handcrafted products, trendy fashion items, and delectable treats. Your esteemed presence and support would greatly encourage and motivate these talented young minds.

We would be honored to have you join us for a day filled with shopping, camaraderie, and celebration of our students' achievements. Your support means a lot to the entire college community. Looking forward to seeing you there!

Our convenors:

Dr. Karthikeyan Ramalingam Dean of students affairs	Mr. M. Paveer Alam, CEO & Director (CIBC)	CISC faculty coordinator: Asst Prof. Sr. Gr. Sudhish Prabhu CISC Faculty Coordinator
CISC student president: Fathem Khan CISC President B.Tech CSE (IoT) - Final Year	Organisers: Haamida B.Tech CSE (CS), Tarnali B.Tech (aero) 3rd years	

The **Crescent Innovation and Startup Club (CISC)** organized a one-day shop event on **August 18, 2023**. The event was aimed at **encouraging creativity and fostering entrepreneurship skills** among the students.

Our respected **Vice Chancellor - Dr. T. Murugesan** inaugurated the event with a few other official members and visited all the stalls.

The event was conducted by students of various departments and years of our university. The stalls were divided into food and non-food categories. There were about 10 food stalls and about 20 non-food stalls. It featured an array of offerings including food delights, captivating books, exquisite handicrafts, and even theme-based services.

The food stalls included various food items like **pizzas, brownies, biryani, sandwiches, panipuri, masala soda, bread omelettes, milkshakes**, and so on. The students of the institute visited these food stalls. The non-food stalls included various clothing items like **kurti tops, shawls**, etc. There were many **artworks** that were designed and crafted by the students themselves. Some stalls also included many **homemade products, accessories items, handmade perfumes**, etc.

The event lasted from **09:00 AM in the morning up until 04:30 PM in the evening**. Overall, the event was considered as a great and appreciable success as all the **food and non-food items were completely sold out**.

MOOT COURT WORKSHOP

The Moot Court Society of CSL conducted its second Moot Court Workshop on the topic 'Memorial Writing' on August 11th, 2023 Friday. Our esteemed Dean - Dr. C. Chockalingam was the chief patron and welcomed the gathering. Vivekha Ponnuswamy - Legal Consultant of Tamil Nadu Pollution Control Board enlightened the students about drafting the ideal moot memorial and highlighting every crucial aspect of it.

She also gave students a detailed information about moot court competitions. The workshop brought in great attention and plenty of students from the CSL joined many Moot Court Competitions in and around India.

Shakespeare's Day

The Department of English conducted Shakespeare's Day on May 8th, 2023. The inter-collegiate event was held in the Auditorium and began with an inauguration ceremony at 9:30 A.M. Students from various colleges participated in a plethora of competitions conducted by the students of the department.

The respected Head of the Department, Dr. P. Rathna welcomed the gathering. Dr. Ayub Khan Dawood, Professor and Dean of the School of Social Sciences and Humanities, delivered the presidential address. Dr. H. Sofia, Professor (Dept. of English), introduced the chief guest, A. Revathi to the audience.

The chief guest, A. Revathi, honored the release of the second edition of CRES LITOPUS, a magazine by the students, research scholars, and professors of the department. The chief guest performed a skit based on her experiences, emphasizing the need to provide equal opportunities, rights, and education to all genders. The students of B.A. English performed a marvelous stage act of the adapted version of the "Twelfth Night" by William Shakespeare.

Students from different colleges enthusiastically took part in the array of events which included Adaptune, Face painting, Adapt drama, Mono acting, If You Were the Writer, and Coffee House. Certificates and cash prizes for their academic performances were delivered to the achievers. The winners of the respective events were announced thereafter and the event ended with a vote of thanks.

Millet Marvel

The School of Life Sciences organized a remarkable event at the **Arignar Anna Zoological Park, Vandalur Zoo**, on the **12th of August, 2023**. This event was centered around the theme of the International Year of the Millets 2023. Titled "Millet Marvel: Unleashing Nutritional Power in 2023." The program was a collaborative effort led by **Dr. Faridha Begum**, Assistant Professor, and **Dr. Hemalatha**, the Dean and Professor, along with the final-year students of the School of Life Science.

This exceptional initiative was carried out in conjunction with the **Food Safety and Standard Authority of India (FSSAI)** and the **Tamil Nadu Food Safety Department** in the Chengalpattu district.

The primary goal of this event was **to create awareness about millets and promote a healthier diet among the public**. The event successfully combined education and enjoyment, engaging participants through a variety of fun-filled games. Children and families alike relished the activities that were organized.

The esteemed presence of **A. R. Ragul Nadh, IAS, the District Collector of Chengalpettu** graced the event. Additionally, the event witnessed significant moments such as the unveiling of the event logo and the flag-off of a bikeathon by **T. M. Anbarasan, the Honourable Minister for Micro, Small, and Medium Enterprises (MS & ME)**. Special addresses were delivered by **G. Selvam, the Honourable Member of Parliament from Kanchipuram District**, and **M. Varalakshi, Member of the Legislative Assembly from the Chengalpettu Assembly Constituency**.

This event not only served as an entertaining affair but also contributed substantially to the cause of promoting millets and healthier dietary choices. The collaboration with FSSAI and the Tamil Nadu Food Safety Department added credibility and authority to the event's message, which was further reinforced by the esteemed presence of local authorities and dignitaries.

Overall, the "Millet Marvel: Unleashing Nutritional Power in 2023" event organized by the School of Life Sciences marked a successful endeavor in raising awareness about the importance of millets in our diets and fostering a culture of healthy eating.
