ISTD-C Special Edition

A Note From The ISTD-C Team

We, the team of ISTD-C, have participated in various cultural activities that were hosted by other colleges from March 2022 till date. It gave us an immense amount of confidence and experience as we got to know how competitive other colleges are.

Our heartfelt thanks to the Management, our Dean (Student Affairs) Dr. Karthikeyan Sir for his constant support and motivation. We also thank our ISTD-C staff coordinator, Dr. S.M. Shaheedha, and our club staff coordinators for their never-ending support and encouragement.

We also extend our heartfelt thanks to the staff members who accompanied us throughout the events with their refreshing flush of energy, without which we could not have come this far.

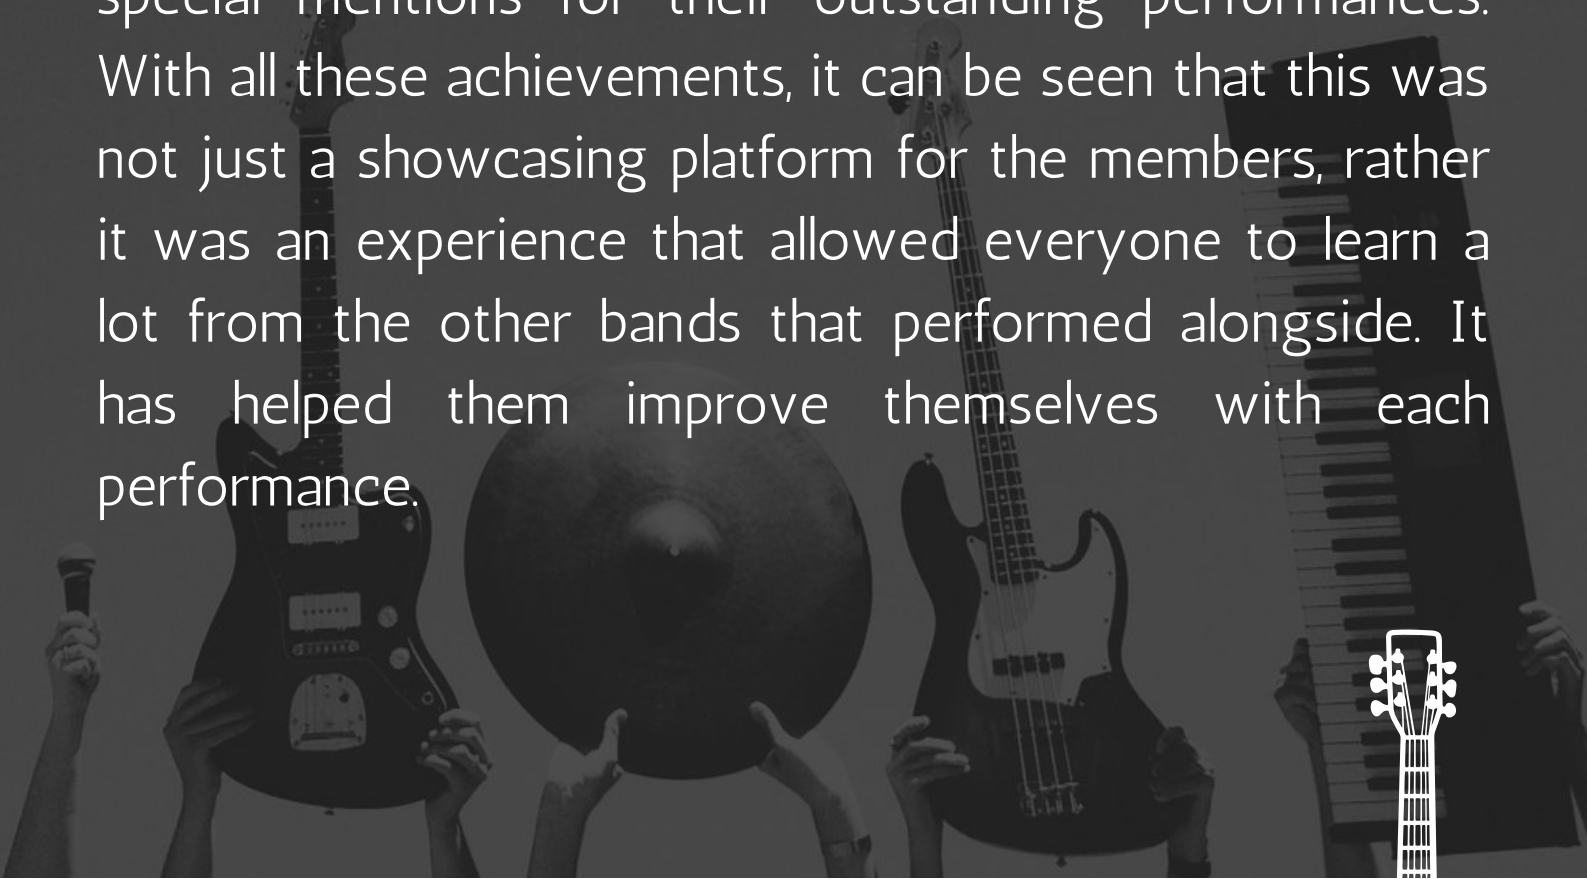

The team of ISTD-C and all the member clubs under it have worked really hard to prove their talents and set up a new standard. As a mark of our achievements, a track of various events and other related details have been compiled for this special edition of Crescent Line.

A white line-art illustration of a musical staff with a treble clef and several notes is positioned on the left side of the page, overlapping the title.

CRESCENT MUSIC TEAM

The Crescent Music Team has always been entertaining people inside and outside the scope of the university. It has exhibited various musical talents possessed by the students. They didn't just stop there. They went out and participated in various inter-collegiate cultural events in Chennai like the Battle of Bands, Solo-Singing, Acapella and Rap Battles. The multiple wins in the solo singing category bears witness to how professionally the music club members perform wherever they go. The Music team excelled well in all the band events, in around 7 colleges, to an extent that they received special mentions for their outstanding performances. With all these achievements, it can be seen that this was not just a showcasing platform for the members, rather it was an experience that allowed everyone to learn a lot from the other bands that performed alongside. It has helped them improve themselves with each performance.

CRESCENTIAN VOICE CLUB

The club members of the Crescentian Voice Channel have been actively posting 15 seconds and 1 minute audio clips on their official Instagram page through which they bring entertainment and insight to the public. With great delight, it can be said that the club members were able to participate in an inter-college event for the first time in 2022. The club members Anna Catherine and Evangeline won prizes in two events conducted by different colleges. Other exciting activities include live shows, where the club's VJs and RJs interact directly with the audience; celebrity interviews and much more! The club is also privileged to host every programme that takes place at our college.

CRESCENT LITERARY SOCIETY

Crescent Literary Society has always been accentuating its presence through its meticulous planning for the Institute's Bi-annual magazine, its online content and by winning laurels to our institute. In this past year, the club has participated in more than 20 inter-collegiate events and has bagged several awards and special mentions for its extraordinary talent. It is a matter of immense pride to highlight that they have kept the tradition alive of continuously winning in the MIT Debate conducted by Air India for the past 5 years. Another speciality about the winners is that they have won awards in both non-technical and technical literary events. For example, the winning of a technical debate conducted by SRM Institute. Despite the lack of opportunities due to Covid and other restrictions, the club has proved its mettle once again this year and they hope to continue to excel in the same way in future as well.
