

## **CENTRE FOR SUSTAINABLE DEVELOPMENT**

### **BRIEF REPORT**

#### **SEED MONEY PROJECT SCHEME (SMPS) FOR THE YEAR 2023-24**

In order to promote the faculties, the evaluation meeting for seed money was conducted on 05-07-24, 08-07-24 and 09-07-24 in IOT Lab, ECE and office of CGOM, Life science Block Ground floor. Honorable Pro Vice-Chancellor proceeded the meeting and encouraged the faculty members to prepare good proposals and offered valuable suggestion on the presentation as well.

Applications were invited from potential faculty members to grant seed money (Cycle-II) for the year 2023-24. A new expert committee was formed for the selection of the seed money proposals. The committee members are,

<b>Dr. I. Raja Mohamed</b> , Dean, (SPCS)	- Chairman
<b>Dr. M.S. Haji Sheik Mohamed</b> , Dean, (SoI)	- Member
<b>Dr. S.Hemalatha</b> , Dean (SLS)	- Member
<b>Dr.C.Tharini</b> , Dean, (SECS)	- Member
<b>Dr.S.Bhagavathy</b> , Prof. of Chemistry	- Member

Based on the experiments, it is anticipated that faculty will publish HQ research papers, file patents and also apply for major funding from various Govt./ Non-Govt. agencies.

A total of 33 proposals from faculties were received and the faculties made presentations before the committee on the research problems to be solved and the need for the Seed Money based on their innovative ideas. After scrutiny, the committee has recommended to sanction 29 projects and the seed money project order copy with Bank cheque distribution were also given to the respective faculties.
