QUEST 2K22

Quest 2K22 is a breathtaking cultural event organized by the ISTD-C exclusively for the members of its 11 clubs. This mega event was held on 23.03.2022 and 24.03.2022 in the Crescent Auditorium with participants and audience together ranging between 600 – 800. The main idea of Quest 2k22 is to bring out the amazing talents of the students and to give a head start to the cultural events that are yet to take place. Competitions in various clubs such as music, dance, art, fashion, silambam, philately, literature, photography, dramatics, media, VJ & RJ were conducted and the winners were awarded with trophies and certificates. The judging was done by the club heads based on various criteria suiting to each club. Host performance by the final year students of each club added to its aura. The students and faculty had a great time enjoying the event and indeed it was a grand success.

BREAST CANCER AWARENESS AND BREAST CANCER SCREENING PROGRAM

Crescent School of Pharmacy organized “Breast Cancer Awareness and Breast Cancer Screening Program” on 4th February 2022 as a part of World Cancer Day. This event was jointly organized by Women Empowerment Cell (WEC) of B. S. Abdur Rahman Crescent Institute of Science and Technology, Vandalur along with India Turns Pink, an NGO.

This program was aimed at creating awareness about breast cancer and providing professional counselling to the women staff members of the Institute. This awareness drive was conducted with the support of India Turns Pink (ITP), a non-profit organization whose sole objective is to create breast cancer awareness among women of all sections of the society by providing access to facilities for early detection of cancer and also facilitating measures for cure of this disease. ITP is involved in providing physical, psychological, emotional and monetary support to those who are battling the ailment. The NGO continues its service by continuously organising seminars, workshops, medical camps to create awareness, improve the medical support and other related programmes and march towards a single goal to reach breast cancer-free India by 2030.
