- Faculty are expert in different area to provide the best as per the recent trends.
- The Department of Commerce has State of the art research facility and offers two categories of Phd Programmes (a) Full Time and (b) Part-time.

Vision

To develop a world-class centre of excellence in the fields of Business, Commerce and Economics through value-based education, training and research.

MESSAGE

FROM THE DEAN

Dr. Ayub Khan Dawood
Professor & Dean (SSSH)

» The Department of Commerce stands as a dynamic hub for fostering intellectual growth and professional excellence. As part of the School of Social Sciences and Humanities, it is dedicated to shaping individuals who can navigate complex global challenges with clarity, integrity, and purpose.

With its strong focus on research, innovation, and experiential learning, the department provides students with the tools to bridge academic insights with practical application. It nurtures not only skills and knowledge but also a deep sense of social responsibility, preparing individuals to contribute meaningfully to society and industry alike.

The department's holistic approach to education ensures that its graduates are equipped to lead with wisdom, adaptability, and a forward-thinking mindset, ready to make a lasting impact in a rapidly evolving world.

MESSAGE

FROM THE HoD

Dr. K. Soundarapandiyan
Associate Professor & HOD

» The Department of Commerce is dedicated to preparing students for success in an ever-changing world through holistic education that combines knowledge, values, and practical skills.

We focus on skilling, reskilling, and upskilling to ensure students are equipped to adapt to industry advancements and global challenges. Through internships, workshops, and research, we empower them to excel in Business, Commerce, and Economics while fostering critical thinking and leadership.

With a commitment to continuous learning and personal growth, we aim to develop adaptable, innovative individuals ready to make a meaningful impact on organizations and society.

PROFESSIONAL CERTIFICATION & TRAINING

PARTNERSHIP WITH

accounting
for the future.

B.Com. (International Accounting and Finance) Honours, formerly known as B.Com. Honours, is an integrated program aligned with the ACCA UK syllabus, offering paper exemptions and leading to ACCA qualification. This program is designed to provide students with a strong academic foundation and professional credentials in accountancy and finance.

ACCA (The Association of Chartered Certified Accountants) is the global body for professional qualifications in accountancy, finance, and management. It supports over 219,000 members and 527,000 students worldwide, offering services through 104 offices and active centers. ACCA focuses on professional values, ethics, and governance, collaborating with 98 global accountancy partners to promote global standards.

The B.Com. (International Accounting and Finance) Honours program spans four years. Students have the opportunity to complete all ACCA papers within the first three years of their degree. Out of the 13 ACCA papers, 9 are exempted, allowing students to focus on the remaining papers to qualify for the ACCA certification. Classes are conducted on-campus by professional trainers from ISDC, an ACCA-approved learning partner in the country. The completion of the ACCA qualification is ultimately dependent on the student's progress and dedication throughout the program.

Why ACCA

Here are just some of the reasons why you should choose ACCA as your route to becoming a qualified accountant.

- Employers know and respect our qualifications and value the skills and contribution ACCA accountants make to their organization. As an ACCA-qualified accountant, you will be in demand for having the right skills.
- Study and work wherever you want your career path to take you because ACCA qualifications are recognized and valued around the world.
- Flexibility is key when it comes to gaining your ACCA Qualification, with different starting points, study methods to choose from and choice when it comes to when and where you gain your relevant on-the-job training.
- ACCA has a network of 104 offices around the world, so you can rely on the services and support you would expect to receive from a global organization.

EXPERIENCE OF **CRESCENT STUDENTS**

Subashini R

B.Com Honors (2021-24)

- “ Crescent University offers an excellent environment for personal development. Advanced programs like B.com Hons with ACCA significantly enhance our career prospects. The faculties at Crescent University are exceptionally supportive and motivate us to participate in various academic activities. ”

Mohammed Anas A H

B.Com Hons (2021-24)

- “ Crescent University has been instrumental in charting my career trajectory. The ACCA embedded program, alongside the department's flexibility in guiding students towards exam success, has been particularly impactful. Their motivation and support to aid my participation in my PAN India competitions at IIMs, and IITs has led to consistent victories during my undergraduate years. With Crescent's holistic approach to education, I've not only found success but also a platform to thrive! ”

Natesan N

B.Com Hons, 3rd Year

- “ The course offered invaluable learning opportunities and possibilities for personal and professional growth. I had the privilege of interacting with exceptional faculty members who provided unwavering support and guidance throughout the learning journey. The decision to pursue the course from Crescent University proved to be a strategic move. B.Com Hons with ACCA is an akin to "double-edged sword" that requires careful handling and consideration. ”

Vaishnavi R

B.Com Hons, 3rd Year

- “ Crescent University motivated me to excel in academics and provided me valuable lessons in communication, sportsmanship and most importantly discipline, alongside its excellent academic curriculum. ”

Mohamad Fayas

B.Com Hons, 2nd Year

- “ Choosing B.S. Abdur Rahman Crescent College's B.Com (Hons.) program was one of the best decisions I've ever made. The curriculum goes beyond just textbooks. The professors are industry experts who bring real-world scenarios into the classroom, making learning engaging and relevant. The program's focus on in-depth specialization, along with the option to pursue a professional course of ACCA, has given me a significant advantage. I feel incredibly prepared to enter the workforce and confident in my ability to tackle complex business challenges. ”
