Our Institute has been participating in the THE Impact Rankings since 2019 and getting a decent rank band. This rankings measure the global universities' success in delivering the United Nations' Sustainable Development Goals (SDGs) through their research, teaching, outreach, and stewardship efforts. It provides a showcase for the work being delivered by universities in the communities, and it is an opportunity to shine a light on institutional activities and efforts not covered in other rankings. It will allow us to demonstrate the differences a university is making to the world we live in.

Nowadays all the stakeholders are well aware of the THE Impact Rankings of the Institutions and considering it while seeking admission. So it is right time for us to take steps to bring our Institute in a better rank band in the future and it will also enhance the global visibility of the institute. This may catalyze the students' mobility internationally and enhance the faculty collaboration with foreign universities.

In this regard, the office of Director – IQAC proposes to create an SDG Cell in our institute to focus more activities towards the SDGs. The SDG Cell Core Committee may be constituted with the following composition.

1. Coordinator
2. Three to Four members per SDG
3. One faculty member from Dean (Academic Affairs)
4. One faculty member from Dean (Student Affairs)
5. One staff member from CIIC
6. One staff member from Placement & Training Cell

7. One staff member from IIPC
8. One/Two staff member(s) from Estate Office
9. Deputy Director (Admissions)
10. Public Relationship Officer
11. Assistant Directors (IQAC)

The core committee of the SDG Cell will perform its duties in consultation with the Advisory Committee constituted with the following members.

1. Director (IQAC)
2. Dean (Academic Affairs)
3. Dean (SSSH)
4. Dean (Student Affairs)
5. Deputy Director (CDM)

In this regard, it is requested to accord permission to constitute the SDG Cell in our Institute.
