**About the Workshop**

The Department of Computer Applications organized a one-day workshop on "Fundamentals of Linux Administration" on 22nd April 2025. The session was conducted in the Cyber Security Lab of the department from 9:30 AM to 12:30 PM. Mr. S. Marimuthu, Server Administrator at F S India Solar Ventures Private Limited, Chennai, served as the resource person for the workshop. He delivered an insightful session with the topics related to Linux virtual machines and monitoring tools.

The workshop was attended by II-year BCA students specializing in Artificial Intelligence, Cyber Security, and Data Science, who have opted for Linux as an elective. A total of nearly 50 students actively participated in the session. The session provided the

participants with valuable knowledge and practical exposure, enhancing their understanding of server administration and guiding them toward potential career opportunities in the field.
