#### **VISION AND MISSION OF THE INSTITUTION**

#### **VISION**

B.S. Abdur Rahman Crescent Institute of Science and Technology aspires to be a leader in Education, Training and Research in multidisciplinary areas of importance and to play a vital role in the Socio – Economic progress of the country in a sustainable manner.

#### MISSION

- To blossom into an internationally renowned Institute.
- To empower the youth through quality and value based education.
- To promote professional leadership and entrepreneurship.
- To achieve excellence in all its endeavors to face global challenges.
- To provide excellent teaching and research ambience.
- To network with global institutions of Excellence, Business, Industry and Research organizations.
- To contribute to the knowledge base, through scientific enquiry, applied research and innovation.

#### **ADMINISTRATION**

The Institution is guided by Mr. BSA Arif Buhary Rahman, President, Mrs. Qurrath Jameela, Chancellor and Mr. Abdul Qadir Abdul Rahman Buhari, Pro Chancellor and Members of Board of Management. The Institution is headed by Prof. Dr. T. Murugesan, Vice Chancellor and Dr. N. Raja Hussain, Registrar are making sincere efforts to achieve excellence in Teaching - Learning process, Research, Consultancy and Extension activities. The administration is supported by the Controller of Examinations, Deans, Directors, Head of the Departments, Division Heads, Senior Professors, Faculty members and Non –Teaching staff.

#### **ACADEMIC AFFAIRS**

The main objective of the Office of Dean, Academic Affairs, is to plan and develop all the academic programs of the Institute such that they are dynamic, up-to-date, in line with current scientific developments and industrial relevance, and cater to the needs of stakeholders. The office plans the academic, technical, and co-curricular activities, including the academic calendar and schedule, for the holistic development of the students and enable them to overcome the challenges of the real world. It also manages the implementation of quality improvement practices by the faculty through proper guidance and motivation based on feedback from students and other stakeholders. The office helps the students with the redressal of academic-related issues by extending full cooperation.

The salient activities of Office of Academic affairs are as follows:

- > Formulating new academic programmes.
- Facilitating curriculum and syllabus revision / updating of academic programmes.
- > Ensuring quality teaching-learning process through well -structured strategies.
- Monitoring the implementation of internal quality assurance mechanism.
- > Facilitating the Departments to organize Board of Studies.
- Facilitating the conduct of Academic Council, Academic & Administration Audit and ensuring the implementation of resolution.
- Preparing Academic Calendar and facilitate Time-Table preparation.
- Facilitating redo/pre-do courses offered by the Departments.
- > Ensuring the periodical conduction of class committee meetings and parents teachers meetings.
- Monitoring the mechanism of stakeholders' feedback system.
- Holistically monitoring the academic system of the Institute.
- Redressing academic related student grievances.

#### **CONTROLLER OF EXAMINATIONS**

#### Introduction:

Currently our Institute offers 61 programmes, namely 36 Undergraduate Programmes and 25 Postgraduate programmes, as well as Ph.D. in all disciplines.

The Office of Controller of Examinations conducts examinations for all the above programmes and publishes results for the same.

#### Schedule of Examinations Conducted in ODD Semester (AY 2023-24)

The schedule of examinations for the Odd Semester (AY 2023-24) is given below:

Programme	Details	Dates
	Continuous Assessment Test I	3 <sup>rd</sup> , 5 <sup>th</sup> & 7 <sup>th</sup> semester (UG) - 01.09.2023 1 <sup>st</sup> semester (UG) & 3 <sup>rd</sup> semester (PG) - 12.10.2023
	Continuous Assessment Test II	3 <sup>rd</sup> , 5 <sup>th</sup> , & 7 <sup>th</sup> semester (UG) – 12.10.2023 1 <sup>st</sup> semester (UG) and 3 <sup>rd</sup> semester (PG), MBA 3 <sup>rd</sup> semester Mid Term – 24.11.2023
UG & PG	Semester End Theory Examinations	CSL all semesters (UG) - 11.12.2023  CSA all semesters (UG & PG) - 11.12.2023  3 <sup>rd</sup> , 5 <sup>th</sup> , & 7 <sup>th</sup> semester (UG) - 11.12.2023  1 <sup>st</sup> semester (UG) & (I & III) semester (PG) - 27.12.2023
	Publication of Results	Except for 1st semester (UG & PG) all other programmes – 24.01.2024  1st semester – (UG & PG) – 01.02.2024

### Number of Students appeared in the Regular Semester End examinations: 9556 Grievances Addressed:

The office of the Controller of Examinations addresses the grievance of the students related to Examinations by conduct of **Substitute Examinations** and **provision for students to apply for Revaluation**.

#### **Substitute Examinations:**

A student who has missed the continuous assessment test for genuine reasons, is permitted to write a maximum of one of the two assessment test. However, permission to take up a substitute examination will be given under exceptional circumstances such as accidents, admission to a hospital due to illness, etc.

#### The Substitute examinations for the ODD semester were conducted as per the below schedule:

Programme	Details	Dates
UG & PG	CAT-I & CAT-II	Intermediate and Final Year (UG & PG) - 29.11.2023
UG & PG		First Year (UG & PG) – 20.12.2023

Students appeared for Substitute Examination : 1008

#### Revaluation:

Number of Applications received : 253
Change of grade : 21
Percentage of change : 8.3%

#### **Declaration/Publication of Results**

Average number of days : 13 working days

#### Schedule of Examinations Conducted in EVEN Semester (AY 2023-24)

The schedule of examinations conducted in the Even Semester (AY 2023-24) is given below:

Programme	Details	Dates
UG & PG	Continuous Assessment Test I	2 <sup>nd</sup> ,4 <sup>th</sup> and 6 <sup>th</sup> semester (UG), 2 <sup>nd</sup> semester (PG) - 04.03.2024
	Continuous Assessment Test II	2 <sup>nd</sup> ,4 <sup>th</sup> and 6 <sup>th</sup> semester (UG), 2 <sup>nd</sup> semester (PG) - 06.05.2024
		X semester UG (CSL) – 16.05.2024
	Semester End Theory	CSA all semesters (UG & PG) – 27.05.2024
	Examinations	2 <sup>nd</sup> , 4 <sup>th</sup> , 6 <sup>th</sup> , semester (UG) & 2 <sup>nd</sup> semester (PG) - 28.05.2024
UG & PG		CSL all semesters (UG) - 28.05.2024
		Final Year (UG & PG) - 31.05.2024
	Publication of Results	Final Year Arts – 05.07.2024
		2 <sup>nd</sup> ,4 <sup>th</sup> and 6 <sup>th</sup> semester (UG), 2 <sup>nd</sup> semester (PG) - 05.07.2024

## Number of Students appeared in the Regular Semester End examinations: 9556 Grievances Addressed:

The Office of the Controller of Examinations addresses the grievance of the students related to Examinations by conduct of **Substitute Examinations and Revaluations**.

#### The Substitute examinations for the EVEN semester were conducted as per the below schedule:

Programme	Details	Dates
UG & PG	CAT-I & CAT-II	2 <sup>nd</sup> ,4 <sup>th</sup> and 6 <sup>th</sup> Semester UG, 2 <sup>nd</sup> Semester PG -24.05.2024

Students appeared for Substitute Examination : 596

Revaluation:

Number of Applications received : 173
Change of grade : 8
Percentage of change : 4.6%

**Declaration/Publication of Results** 

Average number of days : 12 working days

AR 2023-24 BSACIST 21

#### **Supplementary Examinations:**

To facilitate Passed out / Final Year Students to complete the degree and reduce the number of outstanding arrears, supplementary exams are conducted. Students are eligible to apply for a maximum of three courses. Supplementary Examination - Final Year and Passed Out Students from 07.09.2023-11.09.2023

Number of Students Registered for Supplementary Examination: 193 Number of students who benefitted through supplementary exam: 149

#### Convocation:

The 13th Convocation was conducted on 19.02.2024

The Chief Guest details are given below:

Date	Chief Guest
19.02.2024	Dr.N.Kalaiselvi, Director General, CSIR &
19.02.2024	Secretary DSIR

No. of Graduands: 2403

#### **INTERNAL QUALITY ASSURANCE CELL (IQAC)**

#### 1. ACCREDITATION

#### 1.1 NAAC -AQAR

> The Office of IQAC compiled and prepared the Annual Quality Assurance Report (AQAR) for the academic year 2021-22 and the same has been submitted to NAAC web portal on September 30, 2023. It was officially accepted by NAAC on March 5, 2024.

#### 1.2 National Board of Accreditation (NBA)

- The NBA Accreditation for B.Tech (EEE) and B.Tech (Mechanical) expires on 30<sup>th</sup> June 2023 and hence, the Office of Director (IQAC) initiated the process of generating the application for fresh Accreditation in the e-NBA portal. Two more eligible UG Engineering programmes B.Tech (Civil) and B.Tech (Biotechnology) were also included in the application for accreditation process and the application has been generated on 22<sup>nd</sup> May 2023.
- In connection with the same the four engineering departments are requested to prepare the Pre-Qualifier for the initial approval from the National Board of Accreditation.
- The office of IQAC prepared a schedule to review the Pre-qualifier of four UG Engineering progammes:

Date	Department	Reason to schedule the meeting	Timings
15.06.2023	EEE & Mechanical	NBA Accreditation - Prequalifier Review Meeting	3.00 to 4.30 pm
16.06.2023	Civil & Biotechnology	NBA Accreditation - Prequalifier Review Meeting	10.30 to 1.00 pm

- ➤ After the successful compilation of the corrections, the pre-qualifier of B.Tech Civil, Mechanical, EEE and Biotechnology has been submitted in the e-NBA portal on 21st June 2023.
- > Immediately after the successful submission of the pre-qualifier we received the mail communication from e-NBA stating that to prepare the Self-Assessment Report (SAR) for the four UG Engineering programmes and to get uploaded within 60 days' time.
- > The criterion wise review meetings have been scheduled to improve the quality of preparing the self-assessment report of the four programmes.

Date	Department Reason to schedule the meeting		Timings
01.08.2023	B. Tech Biotechnology and EEE	NBA - Review Meeting 2 - Criteria 1,2&3	2.30 pm to 4.30 pm
02.08.2023	B. Tech Mechanical	NBA - Review Meeting 2 - Criteria 1,2&4	4.30 pm to 6.30 pm
11.08.2023	Criteria - 8 Co-Ordinators	NBA - Review Meeting - Criteria 8	03.00 pm to 6.30 PM

14.08.2023	Criteria - 10 Co-Ordinators	NBA - SAR Review Meeting - Criteria 10	04.15 pm to 5.30 pm
16.08.2023	Civil Engineering - School of Infrastructure	NBA – SAR Final Review	11.00 am to 01.30 pm
17.08.2023	B.Tech (Biotechnology) - (SLS)	NBA - SAR Review Meeting - Criteria 6 & 7	03.00 pm to 06.30 pm
17.08.2023	B.Tech (Mechanical Engineering)	NBA - SAR Review Meeting - Criteria 6 & 7	06.30 pm to 08.00 pm
19.08.2023	B.Tech. Civil Engineering	NBA - SAR Review Meeting - Remaining Criteria	2.30 pm to 05.00 pm
21.08.2023	B. Tech EEE	NBA - SAR Review Meeting	10.00 am to 1.00 pm
22.08.2023	B. Tech EEE	NBA - SAR Review Meeting - Criteria 3,6,7	02.30 pm to 04.30 pm
23.08.2023	B. Tech EEE	NBA - SAR Review Meeting - Remaining Criteria	02.30 pm to 05.30 pm
24.08.2023	B.Tech. Civil Engineering	NBA SAR - Review by VC, Pro- VC and Registrar	09.30 am to 11.20 am
24.08.2023	B.Tech Biotechnology	NBA - SAR Review Meeting - Criteria 1 to 7	03.00 pm to 06.00 pm

- After several review meetings, the final SAR of all the four UG Engineering programmes has been successfully submitted in the e-NBA portal on 25<sup>th</sup> August 2023.
- It has been communicated by National Board of Accreditation (NBA), New Delhi, that, NBA Expert Team Visit (ETV) is scheduled during December 15-17, 2023 for the accreditation of Programmes B.Tech (Civil), B.Tech (Mechanical), B.Tech (EEE) and B.Tech (Biotechnology). In this connection, it is decided to have an External Mock Visit (EMV) to review the readiness of the programmes / departments. Before facing the External Mock Visit (EMV), an internal mock committee has been constituted with the senior faculty members to review the preparedness and intactness of the department.
- > The NBA has updated its Program Assessment Worksheet and Evaluators' visit report formats; hence an **orientation session** has been arranged for the program evaluators on 23<sup>rd</sup> November 2023 at IQAC Office, to conduct the internal mock visit.
- > The committee members conducted the Internal Mock Visit (IMV) as per the schedule given below and submitted the report to Director (IQAC).

#### Expert Team Visit - NBA Accreditation December 15-17, 2023

Chairman assessing the Institute Level Criteria

Programme Experts – Civil Engineering

Programme Experts – EEE

Programme Experts – Mechanical Engineering

Chairman & Members of **NBA EXPERT TEAM** 

Programme Experts – Life Sciences

As a result of the Expert team visit, we received official communication from the NBA that our four UG programmes (B.Tech. – Civil, Mechanical, EEE and Biotechnology)have been awarded Accreditation for three years from 2023-24 to 2025-26.

#### 1.3 AACSB Accreditation

AACSB accreditation is known, worldwide, as the longest-standing, most recognized form of specialized accreditation that an institution and its business programs can earn. Accreditation is a voluntary, nongovernmental process that includes a rigorous external review of a school's mission, faculty qualifications, curricula, and ability to provide the highest-quality programs.

➤ Director (IQAC) & Dean (CSB) attended the online meeting with M/s. Krama Software Technologies Pvt., Ltd to discuss the AACSB Accreditation process on 3<sup>rd</sup> April 2024 at 03.00pm.

#### **ABET Accreditation**

The Office of IQAC has taken initiatives to apply for ABET Accreditation. In relation to this, it has been decided in the first phase to seek ABET Accreditation for the following programs: B.Tech in Computer Science and Engineering (CSE), B.Tech in Electronics and Communication Engineering (ECE) and B.Tech (Biotechnology).

- Accreditation Board for Engineering and Technology (ABET) designed a virtual workshop on "Basics of Program Assessment" to gain an understanding of the assessment process. Hence, Director (IQAC) attended the three-hour virtual workshop on 12th July 2023 from 05.30 pm to 08.30 pm to evaluate our own program assessment plan against best practices and he earned 1.5 PDH (Professional Development Hours)
- Similarly, Accreditation Board for Engineering and Technology (ABET) designed a virtual workshop on "Assessment of Student Learning Workshop (ASLW)" on October 10, 12, 17, and 19, 2023 and he earned 11 PDH (Professional Development Hours).

# I. TEACHING STAFF RECRUITMENT:

We are pleased to present the Annual Report on Teaching Staff Recruitments from the Office of the establishment. Under the valuable guidance and direction from Vice Chancellor, Pro-Vice Chancellor and Registrar, we successfully completed the recruitment process for the year 2023 and the recruitment process for the year 2024 is in progress. The approach included identifying department needs, conducting job analysis and descriptions, evaluating candidate potential, and performing screening and selection processes, followed by interviews and assessments. By centralizing the scrutiny of resumes at the school level rather than the department level, we improved time management and expedited the recruitment process in a smooth manner.

In 2023, approximately 48 positions were required across various departments, with 253 candidates applying. Of these, 141 applications were shortlisted, and call letters were issued, resulting in the selection of 48 faculty members.

In 2024, around 71 positions were needed across 12 departments. The Advertisement has been released in paper media and in the university website, after careful centralized scrutiny of the applications, call letters were sent to 298 candidates, leading to the selection of 51 faculty members. The selection process was conducted by a panel committee, including experts from the respective departments. Overall, the recruitment and selection process for teaching faculty was conducted smoothly and efficiently. We are confident that we will continue to improve our performance in the coming years.

# III. Salient Features and Significant Improvements shown in last one year in Office of the Establishment:

- 1. The centralization of the scrutiny process has streamlined the recruitment workflow, allowing us to efficiently move through subsequent steps and save time.
- To manage the high volume of received hard copy applications, we automated the process by extracting key details from the CVs and creating abstracts. This automation helps us screen and filter applications based on the required skill sets more effectively.
- 3. The Office of Establishment offers interest-free education loans to the children of non-teaching staff members who have completed their probationary period.
- 4. 7<sup>th</sup> Pay Scale has been implemented for both Teaching and Non-Teaching Staffs in the university this year.
- 5. This year, the automation of Compensation Leave (CPL) in the HRMS module has been successfully implemented, and institute employees have started utilizing this new feature.

### 14. Details of Impact Factor of the Publication and H-Index of the department

A. Range - 0.51 − 3.6
B. Average IF - 1.63
C. H-Index - 22

D. No. In Scopus - 45

### 15. Details of Major Equipment Purchased (Financial year 2023-24)

S.No	Name of the Equipment	Make & Country	Date of purchase	Date of installation	Amount in Rs
1	Intel Core i9-13900K 3.00G 36MB 24 Cores 125W CPU, HP 1TB HDD, 64 GB DDR5 RAM, 4k	India	10.10.2023	18.10.2023	Rs. 7,96,500/-

	USB-C Monitor, NVDIA RTX A2000 12 GB GDDR6 Graphics – 3 Nos.				
2	Microprocessors, Microcontrollers and its interfaces	India	18.03.2024	18.03.2024	Rs. 3,06,918/-

### 16. International Visits by Faculty / Students

S. No	Name of the Faculty/Student	Name of the Institution/ Industry	Country	Purpose	Period	Outcome
1.	Dr.E.Syed Mohamed	Hamdan Bin Mohammed Smart University	Dubai	Star Keynote Speaker Award-2024 by FEDA – World Education Conference – (WEC-FEDA 2024)	27-28th July, 2024	BSACIST received " Best Educational Innovation university (South India) Award" from FEDA World Educational Conference 2024 held in Dubai on 28.07.2024.

### 17. Faculty Internships (Industry / research organization / Academic Institution)

S.No	Name of the Faculty	Details of work place& Mentor	Period of Internship	Outcome
1	Dr.I.Karthiga	Wadhvani Foundation / Mr. Naved Ahmed / Entrepreneurship educators	2/1/2024 – 4/1/2024 and 10/1/2024 – 12/1/2024	To build an entrepreneurial mindset and gain knowledge to identify the problems using design thinking process
2	S.Hemalatha	Wadhvani Foundation / Mr. Naved Ahmed / Entrepreneurship educators	2/1/2024 – 4/1/2024 and 10/1/2024 – 12/1/2024	To build an entrepreneurial mindset and gain knowledge to identify the problems using design thinking process
3	S.Hemalatha	Marcello Tech,Trichy/Backend Basics:Bulding with javascript and Node.js	1/12/2023 - 7/12/2023	Gained knowledge on Backend Basics:Bulding with javascript and Node.js

### 18. Achievements of Faculty

S.NO	NAME OF THE FACULTY	TYPE OF RECOGNITION/AWARD	DETAILS OF AWARDING ORGANIZATION	DATE /YEAR
1	Dr. S P Valli	Topper in NPTEL course NBA Accreditation and Teaching- Learning in Engineering (NATE)	SWAYAM - NPTEL	January-April 2024
2	Dr. S Revathi	Topper in NPTEL course NBA Accreditation and Teaching- Learning in Engineering (NATE)	SWAYAM - NPTEL	January-April 2024

1.	Industry Visit	4	А	45	Dr S Jennathu Beevi, Dr R Jayashree, Dr K Sarmila Har Beagum	NCTPS	21.2.2024
Outco	ome of the Visit:				-		

The students visited the various subdivisions of the generated power which is distributed to various loads. The students also observed circuit breakers, Isolators and switchgears. Every aspect was thoroughly elucidated. The visit facilitated a solid recollection of the concepts studied in the theory course. The students were given the information about the control of the total power plant.

2.	Industry Visit	4	А	37	Dr. R. Zahira & Dr. R. Hannah Lalitha	Maraimalai Nagar Sub Station	28.02.2024
----	----------------	---	---	----	--	------------------------------------	------------

### **Outcome of the Visit:**

The students gained knowledge through the practical demonstration of transformer operation, feeder functionality and control equipment usage. The visit provided valuable insights into career opportunities in the electrical field and power electronics.

3.	Industry Visit	3	A	80	Dr.P.Elangovan & Dr.S.Priya	OHM Energy Management System PVT Ltd.	07.11.2023
----	----------------	---	---	----	--------------------------------	---------------------------------------	------------

### Outcome of the Visit:

The students gained practical insights into electrical fundamentals during their industry visit to OHM Energy Management System PVT Ltd. They enhanced their understanding of electromagnetic field concepts and electrical machines. The hands-on exposure complemented their theoretical knowledge, bridging the gap between classroom learning and real-world applications. This experience is expected to positively influence their future academic and professional pursuits.

#### **Outcome of the Visit:**

#### • NIOT (National Institute of Ocean Technology):

Students gained a comprehensive understanding of NIOT's pioneering work in ocean technology, encompassing various research projects and activities. These included ocean observation, underwater technology, marine robotics, and environmental monitoring. Additionally, the application of electromagnetic waves and the basics of digital communications in oceanic studies were explained through practical projects and systems.

#### • Air Traffic Control (ATC) at Chennai Airport:

The visit offered valuable insights into the intricate coordination of air traffic controllers, including the use of HF and VHF communications. Students observed the meticulous record-keeping and timing protocols crucial for flight operations, which enhanced their understanding of air traffic management and communication protocols.

#### • Kodaikanal AIR FM and Solar Observatory Museum:

This visit provided detailed insights into radio frequency broadcasting systems and solar observational technologies. The experience significantly broadened the participants' understanding of signal processing techniques and solar imaging methods, highlighting their practical applications and the latest technological advancements.

# • HCL Technologies, Chennai:

The visit offered a comprehensive overview of HCL Technologies' operations and the broader software industry. Participants deepened their understanding of technical concepts and career opportunities within the field. The interactive session, which included mathematical and logical challenges, demonstrated the practical applications of mathematics in VLSI, embedded systems, and frequency modulation, underscoring its importance in problem-solving and technological innovation.

Seminar on Solid waste management and its potential job opportunities by Ms. Krishnapriya A. an environmental engineer and co-founder of Spreco Recycling Pvt. Ltd, Chennai on 09.11.2023.

Guest lecture on SEISMIC Analysis & Design of Structures (IS1893- DRAFT2023) on 16.02.2024.

Two Days Workshop on E-Tabs by Mr.Ganesh Kumar (Hands-on training session) during 21.02.2024 & 22.02.2024.

Inauguration & Students Participation in Oratorical & Poster presentation event under the two themes "Net zero water in built environment" and "good plumbing practices to save water", on 27.02.2024.

Hands-on Training", during 08.03.2024 & 09.03.2024.

World Water Day Celebration 2024 - Guest Lecture on the theme Water for Peace held on 21.03.2024.

Guest Lecture on "Structural Analysis of Building: Issues & Challenges", held on 24.04.2024.

Guest lecture on "Quantity Surveying and Building Estimation", held on 25.04.2024.

Guest Lecture on "Safety Management in Construction", held on 26.04.2024.

Guest lecture on "Application of Remote Sensing in Civil Engineering Field", held on 30.04.2024.

Visit of B.Tech. II year students to i)Nesappakkam Sewage Treatment Plant, ii) Koyembedu Sewage Treatment Plant, iii) Kilpauk Water Treatment Plant, iv) Puzhal Water Treatment Plant and v) Nemmeli Desalination Plant during 06.11.2023 to 08.11.2023

Students of I year M.Tech. (Structural Engineering)&M.Tech. (Construction Engg and Project Management)

visited Ready-Mix Concrete (RMC) plant at Senneerkuppam, Poonamallee, Chennai on 08.11.2023.

Students of II year B.Tech. and I year M.Tech. (Structural Engineering) & M.Tech. (Construction Engg and Project Management) visited Building Centre at Auroville, Pondicherry on 15.02.2024.

# 17. Developmental Activities of the Department (for branding/knowledge dissemination etc.)

S.No	Details of development activity	Duration	Details of Faculty and student participation	Objective	Outcome
1	Hovercraft Racing Competition	27.03.2024	35 students participated	The objective is to provide a platform for students to showcase their engineering ingenuity and creativity through the design and racing of hovercrafts.	The competition highlighted the ingenuity and talent of students by featuring innovative hovercraft designs and racing skills.
2	Seminar on "Latest Trends in Automotive Industry, E- Mobility, Safety and Advanced Materials"	14.03.2024	62 students and 4 faculty members participated	The seminar aimed to explore and discuss the latest trends in the automotive industry, focusing on electric mobility, safety enhancements and the integration of advanced materials.	The participants gained understanding on the transformative changes happening within the automotive industries.
3	National Seminar on "High Performance Materials and Its Characterization for Aerospace and Mechanical Engineering Applications"	15.11.2023	48 students and 1 faculty member participated	The seminar aimed to delve into high performance materials and their characterization, focusing on applications within aerospace and mechanical engineering.	The participants gained a comprehensive understanding of high-performance materials, including their properties, applications and advantages over conventional materials.
4	Workshop on "Industry 4.0 – Industrial Design, Visualization & Conceptualizati on"	06.11.2023 - 08.11.2023	16 students and 1 faculty member participated	The workshop aimed to explore industrial design visualization and conceptualization within the framework of Industry 4.0 focusing on enhancing the skills of students in	Participants gained insights into advanced industrial design visualization and conceptualization techniques pertinent to Industry 4.0

				modern industrial design techniques.	
5	Seminar "Data Centre and High Performance Computing for Engineering Applications"	26.10.2023	67 students and 20 faculty members participated	The objective seminar is to highlight how HighPerformance Computing contributes crucially to advancing scientific research and computational applications.	The event facilitated an understanding of data centers and high-performance computing impact on engineering applications
6	Workshop on Engineering Design – An activity based approach	11.09. 2023	15 faculty members participated	The workshop aimed to provide hands on training to faculty members teaching the Engineering Design course for undergraduate students, focusing on design thinking and practical project assignments.	Participants learned about the importance of problem definition, brainstorming, conceptualizing solutions and iterative testing and improvement.
7	Seminar on "College to Corporate"	17.4.2024	125 students and 6 Faculty members participated	The objective of the presentation was to provide students with a structured career roadmap based on the vast experience of the speaker, illustrating how to plan and evolve their careers over time.	Students gained practical insights into each role, helping them to envisage and plan their career growth effectively.
8	Mecha Rush 2024 – A National Level Technical Symposium	24.4.2024	436 students participated	The symposium aimed to uncover and develop the inherent talents of students from various fields preparing them for both employment and entrepreneurship.	Students had the opportunity to showcase their talents and skills across diverse fields
9	Value Added Courses on "Artificial Intelligence and Industrial Robotics"	February 2023 - September 2023	20 students and 1 faculty member participated	The importance of integrating complete manufacturing processes usingintegrated systems, data communication, automation and advanced learning processes like AI.	<ul> <li>Participants gained expertise in AI concepts such as machine learning, deep learning.</li> <li>Participants acquired skills in designing, programming, and operating industrial robots</li> </ul>

# 7. Papers Published/ Presented in Journals & Conferences (184) (July 2023 -June 2024) Presented in Conferences

- 1. Khalida Thanveera, Ranjani S and Hemalatha S. Synthesis and characterisation of nanoemulsion and its antibacterial studies in dental caries. International Conference on Frontiers of sustainable research in health care, food, agriculture and environmental management, held on 22nd & 24th February 2024, Gurunanak College, Chennai.
- 2.Hemavathi.R.S, Ranjani S and Hemalatha S. Biosynthesis of silver nanoparticles using plant extract and its antibacterial activity against poultry pathogens. International Conference on Frontiers of sustainable research in health care, food, agriculture and environmental management, held on 22nd & 24th February 2024, Gurunanak College, Chennai.
- 3.Gokul K, Ranjani S and Hemalatha S. Exploring Eco-friendly Approaches for Sustainable Crop Protection Utilizing Green nanomaterials to control Plant Pathogenic Fungi. International Conference on Frontiers of sustainable research in health care, food, agriculture and environmental management, held on 22nd & 24th February 2024, Gurunanak College, Chennai.
- 4.S. Kannadasan, Ranjani S and Hemalatha S. Biosynthesis and characterization of green silver nano colloids using medicinal plant extracts and evaluate it's antibacterial activity in plant pathogens. International Conference on Frontiers of sustainable research in health care, food, agriculture and environmental management, held on 22nd & 24th February 2024, Gurunanak College, Chennai.
- 5.Ranjani S and Hemalatha S. Green nanoformulation to control fungal pathogens in *Cocos nucifera*. International Conference on Frontiers of sustainable research in health care, food, agriculture and environmental management, held on 22nd & 24th February 2024, Gurunanak College, Chennai.
- 6.Gokul K, Ranjani S and Hemalatha S. Antifungal Activity to Control Plant Pathogenic Fungi. National Conference on Biotechnological Advances in Biomedical environmental and Agriculture Technology, held on 13th February 2024, Hindusthan College of Arts and Science, Chennai.
- 7.S. Kannadasan, Ranjani S and Hemalatha S. Biosynthesis and characterization of green silver nano colloids using medicinal plant extracts and evaluate it's antibacterial activity in plant pathogens. National Conference on Biotechnological Advances in Biomedical environmental and Agriculture Technology, held on 13th February 2024, Hindusthan College of Arts and Science, Chennai.
- 8. Hemavathi.R.S, Ranjani S and Hemalatha S. Biosynthesis, characterization and antibacterial application of silver nanoparticles against poultry pathogens. National Conference on Biotechnological Advances in Biomedical environmental and Agriculture Technology, held on 13th February 2024, Hindusthan College of Arts and Science, Chennai.
- 9.Sai Jayanthi, Ranjani S and Hemalatha S. Eco-friendly production and characterization of silver nanoparticals for precision antifungal solutions targeting food borne pathogens. National Conference on Biotechnological Advances in Biomedical environmental and Agriculture Technology, held on 13th February 2024, Hindusthan College of Arts and Science, Chennai.
- 10. Khalida Thanveera, Ranjani S and Hemalatha S. Green synthesis of silver nanoparticles and it's characterisation for the studies in dental care. National Conference on Biotechnological Advances in Biomedical environmental and Agriculture Technology, held on 13th February 2024, Hindusthan College of Arts and Science, Chennai.
- 11. Abdul Kareem, Ranjani S and Hemalatha S. Synthesis of novel biogenic silver nanoparticles and its biomedical applications on Acne. National Conference on Biotechnological Advances in Biomedical

- environmental and Agriculture Technology, held on 13th February 2024, Hindusthan College of Arts and Science, Chennai.
- 12. Safiya Naziya, Ranjani S and Hemalatha S. Synthesis of nanoparticles for diabetic treatment from herbal, green plant extracts. National Conference on Biotechnological Advances in Biomedical environmental and Agriculture Technology, held on 13th February 2024, Hindusthan College of Arts and Science, Chennai.
- 13. Samrin Barkath, Ranjani S and Hemalatha S. Synthesis and characterisation of nanoparticles to control dental caries. National Conference on Biotechnological Advances in Biomedical environmental and Agriculture Technology, held on 13th February 2024, Hindusthan College of Arts and Science, Chennai.
- 14. Indhumathi.KS, Ranjani S and Hemalatha S. Green synthesis of silver nanoparticles and its Antibacterial application. International Conference on New frontiers in Microbial Technology, held on 8th& 9th February 2024, Sathyabama institute of science and technology, Chennai.
- 15. M. Gokulakannan, Ranjani S and Hemalatha S. Floral mediated Nanomaterial to control multidrug resistant pathogens. International Conference on New frontiers in Microbial Technology, held on 8th& 9th February 2024, Sathyabama institute of science and technology, Chennai.
- 16. Ranjani S and Hemalatha S. Nanoformulation: An effective green fungicide to control fungal pathogens in Coffea arabica. International Conference on New frontiers in Microbial Technology, held on 8th& 9th February 2024, Sathyabama institute of science and technology, Chennai.
- 17. Karunya Jenin Ravindranath, Ranjani S and Hemalatha S. Anticancer effect of fruit extract of Phyllanthus Emblica linn. In treating triple- negative breast Cancer: in silico and in vitro approaches. National conference on "green health care innovations & perspectives", held on 23rd & 24th January 2024, J.B.A.S college for women, Chennai.
- 18. Abdul Kareem A, Ranjani S and Hemalatha S. Synthesis of novel biogenic silver nanoparticles and its biomedical applications on Acne. National conference on "green health care innovations & perspectives", held on 23rd & 24th January 2024, J.B.A.S college for women, Chennai.
- 19. Khalida Thanveera, Ranjani S and Hemalatha S. Synthesis and characterization of green nanoparticles to control the dental caries. National conference on "green health care innovations & perspectives", held on 23rd & 24th January 2024, J.B.A.S college for women, Chennai.
- 20. Sai Jayanthi S, Ranjani S and Hemalatha S. Green synthesis and characterization of silver nanoparticles for targeted antifungal applications in foodborne pathogens. National conference on "green health care innovations & perspectives", held on 23rd & 24th January 2024, J.B.A.S college for women, Chennai.
- A. Samrin Barkath, Ranjani S and Hemalatha S. Synthesis and characterization of green nanoparticles to control dental caries causing pathogens. National conference on "green health care innovations & perspectives", held on 23rd & 24th January 2024, J.B.A.S college for women, Chennai.
- 21. S Srinidhi, Ranjani S and Hemalatha S. Green synthesis of silver nanoparticles using the leaf extracts of Artemisia sp, their characterization, applications and anti-bacterial activity. National conference on "green health care innovations & perspectives", held on 23rd & 24th January 2024, J.B.A.S college for women, Chennai.
- 22. Ranjani S and Hemalatha S. Green nanotics to control dental caries causing pathogens. National conference on "green health care innovations & perspectives", held on 23rd & 24th January 2024, J.B.A.S college for women, Chennai
- 23. Gokul. K, Ranjani S and Hemalatha S. Antifungal activity of green nanomaterial to control plant pathogenic fungi. National conference on "green health care innovations & perspectives", held on 23rd & 24th January 2024, J.B.A.S college for women, Chennai.
- 24. S. Kannadasan, Ranjani S and Hemalatha S. Biosynthesis and characterization of green silver nano colloids and evaluate its antibacterial activity in plant pathogens. National conference on "green health care innovations & perspectives", held on 23rd & 24th January 2024, J.B.A.S college for women, Chennai.
- 25. S.R Sruthi, Ranjani S and Hemalatha S. Floral based green synthesis and characterization of silver nanoparticles and its biomedical application. National conference on "green health care innovations & perspectives", held on 23rd & 24th January 2024, J.B.A.S college for women, Chennai.

- 26. Safiya Naziya, Ranjani S and Hemalatha S. Synthesis of green nanoparticles to control diabetes and its associated infections. National conference on "green health care innovations & perspectives", held on 23rd & 24th January 2024, J.B.A.S college for women, Chennai.
- 27. Hemavathi.R.S, Ranjani S and Hemalatha S. Synthesis and characterization of silver nanoparticles from plant extract and its antibacterial studies in poultry pathogen. National conference on "green health care innovations & perspectives", held on 23rd & 24th January 2024, J.B.A.S college for women, Chennai
- 28. Abdul Kareem A, Ranjani S and Hemalatha S. Synthesis of Novel Biogenic Silver Nanoparticles and its Biomedical Application on Acne-Causing Pathogens. 4th Annual International Conference on Applications of Millets and Probiotics on Cancer Therapy and Management (ICAMP 2024), held on 30th & 31st January 2024, B. S. Abdur Rahman Crescent Institute of Science and Technology Vandalur, Chennai
- 29. Dhivya Shre S, Ranjani S and Hemalatha S. Synthesis, characterization and evaluation of anticancer properties of liposome encapsulated green nanoparticles, 4th Annual International Conference on Applications of Millets and Probiotics on Cancer Therapy and Management (ICAMP 2024), held on 30th & 31st January 2024, B. S. Abdur Rahman Crescent Institute of Science and Technology Vandalur, Chennai
- 30. Gokul. K, Ranjani S and Hemalatha S. Antifungal activity of green nanomaterial to control plant pathogenic fungi. 4th Annual International Conference on Applications of Millets and Probiotics on Cancer Therapy and Management (ICAMP 2024), held on 30th & 31st January 2024, B. S. Abdur Rahman Crescent Institute of Science and Technology Vandalur, Chennai
- 31. M. Gokulakannan, Ranjani S and Hemalatha S. Floral-mediated Nanomaterial to control multidrugresistant pathogens. 4th Annual International Conference on Applications of Millets and Probiotics on Cancer Therapy and Management (ICAMP 2024), held on 30th & 31st January 2024, B. S. Abdur Rahman Crescent Institute of Science and Technology Vandalur, Chennai
- 32. Hemavathi. R. S, Ranjani S and Hemalatha S. Synthesis, characterization of silver nanoparticles from plant extract and its antibacterial studies in poultry pathogen. 4th Annual International Conference on Applications of Millets and Probiotics on Cancer Therapy and Management (ICAMP 2024), held on 30th & 31st January 2024, B. S. Abdur Rahman Crescent Institute of Science and Technology Vandalur, Chennai
- 33. Indhumathi.K.S, Ranjani S and Hemalatha S. Green synthesis of silver nanoparticles and its antibacterial application. 4th Annual International Conference on Applications of Millets and Probiotics on Cancer Therapy and Management (ICAMP 2024), held on 30th & 31st January 2024, B. S. Abdur Rahman Crescent Institute of Science and Technology Vandalur, Chennai
- 34. S. Kannadasan, Ranjani S and Hemalatha S. Biosynthesis, characterization of green silver nano colloids and evaluating its antibacterial activity against plant pathogens. 4th Annual International Conference on Applications of Millets and Probiotics on Cancer Therapy and Management (ICAMP 2024), held on 30th & 31st January 2024, B. S. Abdur Rahman Crescent Institute of Science and Technology Vandalur, Chennai
- 35. Khalida Thanveera, Ranjani S and Hemalatha S. Synthesis and characterization of green nanoparticles to control dental caries. 4th Annual International Conference on Applications of Millets and Probiotics on Cancer Therapy and Management (ICAMP 2024), held on 30th & 31st January 2024, B. S. Abdur Rahman Crescent Institute of Science and Technology Vandalur, Chennai
- 36. Lekha G, Ranjani S and Hemalatha S. Synthesis, characterization and evaluation of antioxidant and anticancer properties of liposome loaded green nanoparticles: in silico and in vitro approach. 4th Annual International Conference on Applications of Millets and Probiotics on Cancer Therapy and Management (ICAMP 2024), held on 30th & 31st January 2024, B. S. Abdur Rahman Crescent Institute of Science and Technology Vandalur, Chennai
- 37. Navandikka R, Ranjani S and Hemalatha S. Synthesis and characterization of plant source derived silver nanoparticles and determination of therapeutic activity. 4th Annual International Conference on Applications of Millets and Probiotics on Cancer Therapy and Management (ICAMP 2024), held on 30th & 31st January 2024, B. S. Abdur Rahman Crescent Institute of Science and Technology Vandalur, Chennai

- 38. Pragathi B, Ranjani S and Hemalatha S. Synthesis and characterization of silica nanoparticles and its impact on plant growth. 4th Annual International Conference on Applications of Millets and Probiotics on Cancer Therapy and Management (ICAMP 2024), held on 30th & 31st January 2024, B. S. Abdur Rahman Crescent Institute of Science and Technology Vandalur, Chennai
- 39. Rakshana B, Ranjani S and Hemalatha S. Floral mediated nanoparticles: A potent anticancer agent to control cancer cell proliferation. 4th Annual International Conference on Applications of Millets and Probiotics on Cancer Therapy and Management (ICAMP 2024), held on 30th & 31st January 2024, B. S. Abdur Rahman Crescent Institute of Science and Technology Vandalur, Chennai
- 40. Ranjani S, and Hemalatha S. Green nanotics to control dental caries causing pathogens. 4th Annual International Conference on Applications of Millets and Probiotics on Cancer Therapy and Management (ICAMP 2024), held on 30th & 31st January 2024, B. S. Abdur Rahman Crescent Institute of Science and Technology Vandalur, Chennai
- 41. Reema, Ranjani S and Hemalatha S. Synthesis, characterization of flower mediated nanoparticles. 4th Annual International Conference on Applications of Millets and Probiotics on Cancer Therapy and Management (ICAMP 2024), held on 30th & 31st January 2024, B. S. Abdur Rahman Crescent Institute of Science and Technology Vandalur, Chennai
- 42. Safiya Naziya, Ranjani S and Hemalatha S. Synthesis of green nanoparticles to control diabetes and its associated infections. 4th Annual International Conference on Applications of Millets and Probiotics on Cancer Therapy and Management (ICAMP 2024), held on 30th & 31st January 2024, B. S. Abdur Rahman Crescent Institute of Science and Technology Vandalur, Chennai
- 43. Sai Jayanthi S, Ranjani S and Hemalatha S. Green Synthesis and Characterization of Silver Nanoparticles for Targeted Antifungal Applications in Foodborne Pathogens. 4th Annual International Conference on Applications of Millets and Probiotics on Cancer Therapy and Management (ICAMP 2024), held on 30th & 31st January 2024, B. S. Abdur Rahman Crescent Institute of Science and Technology Vandalur, Chennai
- 44. Samrin Barkath, Ranjani S and Hemalatha S. Synthesis and characterization of green nanoparticles to control dental caries-causing pathogens. 4th Annual International Conference on Applications of Millets and Probiotics on Cancer Therapy and Management (ICAMP 2024), held on 30th & 31st January 2024, B. S. Abdur Rahman Crescent Institute of Science and Technology Vandalur, Chennai
- 45. P. Shivani, Ranjani S and Hemalatha S. Novel ecofriendly green nanoparticles and its biomedical applications. 4th Annual International Conference on Applications of Millets and Probiotics on Cancer Therapy and Management (ICAMP 2024), held on 30th & 31st January 2024, B. S. Abdur Rahman Crescent Institute of Science and Technology Vandalur, Chennai
- 46. S Srinidhi, Ranjani S and Hemalatha S. Green synthesis of silver nanoparticles using the leaf extracts of Artemisia sp, characterization, and its multipotent applications. 4th Annual International Conference on Applications of Millets and Probiotics on Cancer Therapy and Management (ICAMP 2024), held on 30th & 31st January 2024, B. - 47. S R Sruthi, Ranjani S and Hemalatha S. Floral-based green synthesis and characterization of silver nanoparticles and its biomedical application. 4th Annual International Conference on Applications of Millets and Probiotics on Cancer Therapy and Management (ICAMP 2024), held on 30th & 31st January 2024, B. S. Abdur Rahman Crescent Institute of Science and Technology Vandalur, Chennai
- 48. Vishnupriya S, Mangala Lakshmi R and Hemalatha S. Role of pearl millet flavonoids in cancer therapy. 4th Annual International Conference on Applications of Millets and Probiotics on Cancer Therapy and Management (ICAMP 2024), held on 30th & 31st January 2024, B. S. Abdur Rahman Crescent Institute of Science and Technology Vandalur, Chennai
- 49. Madhumitha S, Mangala Lakshmi R and Hemalatha S. Insilico analysis for selecting potential agonist from Pennisetum glaucum for estrogen receptor alpha target protein. 4th Annual International Conference on Applications of Millets and Probiotics on Cancer Therapy and Management (ICAMP 2024), held on 30th & 31st January 2024, B. S. Abdur Rahman Crescent Institute of Science and Technology Vandalur, Chennai
- 50. Sushmita V, Mangala Lakshmi R and Hemalatha S. Selection of potential agonist for tyrosine-protein kinase to treat cancer: an insilico approach. 4th Annual International Conference on Applications of

- Millets and Probiotics on Cancer Therapy and Management (ICAMP 2024), held on 30th & 31st January 2024, B. S. Abdur Rahman Crescent Institute of Science and Technology Vandalur, Chennai
- 51. Subbulakshmi K, Mangala Lakshmi R and Hemalatha S. nsilico analysis of millet phytochemicals from Pennisetum glaucum for Human epidermal growth factor receptor 2: Insilico approach to treat breast cancer. 4th Annual International Conference on Applications of Millets and Probiotics on Cancer Therapy and Management (ICAMP 2024), held on 30th & 31st January 2024, B. S. Abdur Rahman Crescent Institute of Science and Technology Vandalur, Chennai
- 52. Faiyaz Ahamed MB, Mangala Lakshmi R and Hemalatha S. Screening of potential agonist from pearl millet for Epidermal growth factor receptor target protein. 4th Annual International Conference on Applications of Millets and Probiotics on Cancer Therapy and Management (ICAMP 2024), held on 30th & 31st January 2024, B. S. Abdur Rahman Crescent Institute of Science and Technology Vandalur, Chennai
- 53. Nizar Fathima, Ranjani S and Hemalatha S. Plant mediated green synthesis of nanoparticles and its application. 4th Annual International Conference on Applications of Millets and Probiotics on Cancer Therapy and Management (ICAMP 2024), held on 30th & 31st January 2024, B. S. Abdur Rahman Crescent Institute of Science and Technology Vandalur, Chennai
- 54. Dhanushwr K, Ranjani S and Hemalatha S. Screening the efficacy of synthesized metal based nanomaterial to control pathogens. 4th Annual International Conference on Applications of Millets and Probiotics on Cancer Therapy and Management (ICAMP 2024), held on 30th & 31st January 2024, B. S. Abdur Rahman Crescent Institute of Science and Technology Vandalur, Chennai
- 55. M. Annish Shabiya, Ranjani S and S. Hemalatha. Green Nanoparticles: A Promising Antioxidant and Antidiabetic Agents.DBT Sponsored\_National Conference on DiseaseDiagnosis and Drug Development against Human Pathogens, Muthayammal College of Arts and Science, Rasipuram. held on 15- 17 November 2023.
- 56. Ranjani S, and S. Hemalatha. Novel green nanoformulation: A potent alternative to control ESBL producer. DBT Sponsored\_National Conference on DiseaseDiagnosis and Drug Development against Human Pathogens, Muthayammal College of Arts and Science, Rasipuram held on 15- 17 November 2023.
- 57. A.Narmadha and S.Hemalatha Green synthesis, characterization and antimicrobial activity of copper nanoparticles synthesized from Alpinia officinarum. International conference, Bharath University, Chennai, 9-10-November, 2023
- 58. M.Annish Shabiya, Ranjani S and S. Hemalatha. Fortified health mix. One day Seminar on medical entrepreunership, held on 28th October 2023, Sree Balaji Medical college & hospital, Chennai held on 28th October 2023.
- 59. Ranjani S, and S. Hemalatha. Novel polyherbal nanoformulation incorporated products and its biomedical application. One day Seminar on medical entrepreunership, Sree Balaji Medical college & hospital, Chennai held on 28th October 2023.
- 60. Ranjani S, and S. Hemalatha. Novel polyherbal nanoformulation and its biomedical application. International Conference on Trends in Biological Sciences: Impetus on Human Health, SRM Arts and Science College, Chennai, 12-13, October 2023.
- 61. Ranjani S, and S. Hemalatha. Novel nanoformulation: A potent alternative to control ESBL producing E. coli. National Conference on "Strategies in the Control of Infectious Diseases" Organised by Department of Microbiology, Prof. Dhanapalan College of Science and Management Chennai, 13th October, 2023.
- 62. Ranjani S, and S. Hemalatha. Green nanoformulation: Novel alternative to antimicrobials. International Conference on Innovations in Eco-Friendly Management of Toxic Pollutants (micro, macro, nano dimensional) ICIEMTP 2023, Saveetha Institute of Medical and Technical Sciences (SIMATS), Chennai, 20- 21, September 2023.
- 63. Jaswanthika S, Ranjani S, and S. Hemalatha. Synthesis and screening of multipotential applications of green nanoparticles. International Conference on Biomaterials in Health Care 2023, Sree Balaji Medical College and Hospital, Chennai, 18-19, August 2023.
- 64. Kanisha J, Ranjani S, and S. Hemalatha.Bionano formulation controls Enterobacter species. International Conference on Biomaterials in Health Care 2023, Sree Balaji Medical College and Hospital, Chennai, 18-19, August 2023

- 65. Annish Shabiya M, Ranjani S, and S. Hemalatha. Green Synthesis of Plant extract-Aided Silver Nanoparticles: Promising Antioxidant and Antidiabetic Agents. International Conference on Biomaterials in Health Care 2023, Sree Balaji Medical College and Hospital, Chennai, 18-19, August 2023

- 145. Yasser Al-Hosseni, S. Ranjani, and S. Hemalatha. Acorus calamus derived silver nanoparticles and their actions against *Vibrio* species International Conference on Application of Natural Products Nanomaterials and Nano-Pharmoceuticals (ICAN3) held on August 9- 10, 2023. B. S. Abdur Rahman Crescent Institute of Science and Technology, Chennai in association with Nano and Biomaterials Association. Aerospace university, Republic of korea, August 9- 10, 2023.
- 146. K.R. Vaiyshnavi Devi and S.M. Fazeela Mahaboob Begum. An insight to the pharmacological properties of Cassia auriculata Linn- a basket of therapeutic remedies. International conference on applications of natural products nanomaterials and nanopharmaceuticals ICAN3, School of Life Sciences, B.S. Abdur Rahman Crescent Institute of Science and Technology, Chennai, India. August 9 10, 2023
- 147. S. Roobhashree and S.M. Fazeela Mahaboob Begum. Exploring the potential of botanical antiangiogenic agents a promising approach towards targeting tumor growth and metastasis. International conference on applications of natural products nanomaterials and nanopharmaceuticals -

- ICAN3. School of Life Sciences, B.S. Abdur Rahman Crescent Institute of Science and Technology, Chennai, India, August 9 10, 2023
- 148. Ashutosh Kushawaha, S.M.Fazeela Mahaboob Begum, Natural herbs and their synthesized extracts in treating dental caries and the cariogenic bacteria. International conference on applications of natural products nanomaterials and nanopharmaceuticals ICAN3. School of Life Sciences, B.S. Abdur Rahman Crescent Institute of Science and Technology, Chennai, India. August 9 10, 2023
- 149. Nishmaa.S, Dr. Fazeela Mahaboob Begum S.M. A comprehensive analysis of the anti-cancer potential of the brown algae *Dictyota bartayresiana* in MDA MB 231 cell line. International conference on applications of natural products nanomaterials and nanopharmaceuticals ICAN3. School of Life Sciences, B.S. Abdur Rahman Crescent Institute of Science and Technology, Chennai, India, August 9 10, 2023
- 150. S. Jazeera Mariyam, S.M. Fazeela Mahaboob Begum. Cytotoxic marine terpenes from *Hypnea valentiae* inhibit cell viability and migration of TNBC cells under in vitro conditions. International conference on applications of natural products nanomaterials and nanopharmaceuticals ICAN3. School of Life Sciences, B.S. Abdur Rahman Crescent Institute of Science and Technology, Chennai, India. August 9 10, 2023
- 151. Vidhya Lakshmi D, S.M. Fazeela Mahaboob Begum, The neem tree, nature's pharmacy. International conference on applications of natural products nanomaterials and nanopharmaceuticals ICAN3. School of Life Sciences, B.S. Abdur Rahman Crescent Institute of Science and Technology, Chennai, India. August 9 10, 2023
- 152. Jayashree J, Dhanushree S.K, Sathya S and Fazeela Mahaboob Begum S.M. A review on the phytochemistry and pharmacological effects of *Papaver somniferum*. International conference on applications of natural products nanomaterials and nanopharmaceuticals ICAN3. School of Life Sciences, B.S. Abdur Rahman Crescent Institute of Science and Technology, Chennai, India. August 9 10, 2023.
- 153. Devamsa Vishnavi and S.M. Fazeela Mahaboob Begum. A review on the pharmacological properties of the folk herbal plant Bellis perennis L., International conference on applications of natural products nanomaterials and nanopharmaceuticals - ICAN3. School of Life Sciences, B.S. Abdur Rahman Crescent Institute of Science and Technology, Chennai, India. August 9 – 10, 2023.
- 154. Priya Dharshini, Rathi Rani, Sowmiya Sree Mohapatra and S.M. Fazeela Mahaboob Begum. Exploring the medicinal benefits of Salvia Rosmarinus a short review. International conference on applications of natural products nanomaterials and nanopharmaceuticals ICAN3. School of Life Sciences, B.S. Abdur Rahman Crescent Institute of Science and Technology, Chennai, India, August 9 10, 2023.
- 155. Sai Sastha Priya, S.M. Fazeela Mahaboob Begum,A review on the therapeutic benefits of the miracle herb Panax ginseng. International conference on applications of natural products nanomaterials and nanopharmaceuticals ICAN3. School of Life Sciences, B.S. Abdur Rahman Crescent Institute of Science and Technology, Chennai, India. August 9 10, 2023.
- 156. Areen Fathima and Fazeela Mahaboob Begum S.M. Turmeric a golden spice for good health. International conference on applications of natural products nanomaterials and nanopharmaceuticals - ICAN3. School of Life Sciences, B.S. Abdur Rahman Crescent Institute of Science and Technology, Chennai, India. August 9 – 10, 2023
- 157. Mohamed Ashraf, B. Prasanth and C. Simon Durai Raj. In silico and In vitro characterization of crude extract from Artocarpus heterophyllus leaves for anti-oxidant and anti-cancer activity. International conference on applications of natural products nanomaterials and nanopharmaceuticals ICAN3. School of Life Sciences, B.S. Abdur Rahman Crescent Institute of Science and Technology, Chennai, India. August 9 10, 2023
- 158. Joy Princilla S, B. Prasanth and C. Simon Durai Raj. Screening of phytochemicals in Terminalia chebula and determination of binding affinity with the target protein RAB8B. International conference on applications of natural products nanomaterials and nanopharmaceuticals ICAN3. School of Life Sciences, B.S. Abdur Rahman Crescent Institute of Science and Technology, Chennai, India. August 9 10, 2023
- 159. Kanchana. S, B. Prasanth and C. Simon Durai Raj. An *in vitro* study on antiangiogenic and antioxidant properties of *Elettaria cardamomum*, a common Indian spice. International conference on applications

- of natural products nanomaterials and nanopharmaceuticals ICAN3. School of Life Sciences, B.S. Abdur Rahman Crescent Institute of Science and Technology, Chennai, India. August 9 10, 2023
- 160. Rashmi Pauline M, B. Prasanth and C. Simon Durai Raj. In silico identification of phytocompounds in Eclipta alba against the proteins involved in the development of human breast cancer. International conference on applications of natural products nanomaterials and nanopharmaceuticals ICAN3. School of Life Sciences, B.S. Abdur Rahman Crescent Institute of Science and Technology, Chennai, India. August 9 10, 2023
- 161. N. Karthika, B. Prasanth and C. Simon Durai Raj. Phytochemical characterization of methanolic extract from *Mirabilis jalapa* and *Trigonella foenum-graecum* for anticancer activity. International conference on applications of natural products nanomaterials and nanopharmaceuticals ICAN3. School of Life Sciences, B.S. Abdur Rahman Crescent Institute of Science and Technology, Chennai, India. August 9 10, 2023
- 162. Mohamed Ansar S and Noble K Kurian. Bacterial Melanin and its Application. Annual International Conference on Application of Millets and Probiotics on Cancer Therapy Management (ICAMP 2024). School of Life Sciences, B.S. Abdur Rahman Crescent Institute of Science and Technology, Chennai, India. January 30-31, 2024
- 163. Mohamed Ansar S and Noble K Kurian. Melanin producing Bacteria isolated from Salt pans of Tamil Nadu. National Conference on Recent Trends in Biotechnology Research HAPTEN2024, Arunai Engineering College, Su.Kilnachipattu, Tamil Nadu. 22nd March, 2024.
