

A REPORT ON PLACEMENT PREP CODE CHALLENGE

19th August 2024 – 30th August 31 2024

Organized by Open Source Club, Department of Computer Science and Engineering, BSACIST

The Open Source Club of the Department of Computer Science and Engineering of B.S Abdur Rahman Crescent College of Science and Technology organized an educational coding challenge from August 19 to August 30 2024, to help students prepare for their placements.

Throughout these 10 days, each day participants will solve a problem related to various coding concepts with varied difficulty designed by organizers. The evaluation criteria for the solution is based on the accuracy, creativity, response speed and efficiency of the code provided by the participant. Participants qualify on the basis of their score and advance to next levels where each level helps them hone their skills.

Mr. Abubakkar Sithik and Mr. Arshat Irfan of fourth year CSE, took charge of conducting the event from start to finale which included designing each level of the event and ensuring it to completion.

Dr. Sharon Priya, Associate Professor, Mrs. S. Amsavalli, Mrs. S. Khathijath Fariha, Mrs. A. Soundariya, Mrs. M. Vetripriya, and Mrs. C. Preethi, Assistant Professors, CSE Department acted as the faculty coordinator for the event and guided the team to the successful execution of the proposed event.
