Event Report

Name of the Event: “ **IoT Brainwave Battle - II** ”

Total Number of Participants: 45

The IoT Club of the Department of Computer Science and Engineering of B.S Abdur Rahman Crescent College of Science and Technology organized an event **IoT Brainwave Battle**, to help students prepare towards technical aspects of their education and to improve their placements. Throughout these events, every participant in these events will resolve an issue pertaining to the absence of technical know-how that might lead to challenges when integrating IoT devices into current systems, which range widely in complexity and are planned by coordinators. Based on their score, participants proceed to the next level, which helps them improve their talents.

Mr. Sabeeha farhana and Asma Nowmin of fourth year CSE and Mr. Sabeer Sulaiman Khan G and Ms Harsini M of third year , took charge of conducting the event from start to finale which included designing each level of the event and certifying it to completion.

Dr.V.MuthuPriya, Associate professor, Dr A. Radhika Assistant Professor(Sr.Gr) ,Dr.I.Karthiga, Mrs T.Valliammai,Mrs. S. Hemalatha and Mrs. R. Sivasankari, Assistant Professors,CSE Department acted as the faculty coordinator for the event and guided the team to the successful execution of the proposed event.

4

OUTCOMES:

- To demonstrate the ability to design innovative IoT solutions tailored to specific

- real-world scenarios like smart homes, healthcare, or manufacturing. • Engage in a practical demonstration of IoT-driven systems, fostering the ability to conceptualize and implement technology solutions in real-world scenarios. • Foster teamwork and knowledge-sharing among participants, encouraging collaborative problem-solving in a competitive yet fun environment.
- To showcase creative and effective approaches to addressing industry challenges using IoT technologies.
 - To Illustrate the integration of IoT concepts with other domains, emphasizing connectivity, data analytics, and automation for impactful solutions.
