

REPORT ON NATIONAL YOUTH DAY

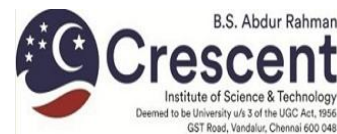

12.01.2024

B S Abdur Rahman Crescent Institute of Science & Technology, National Service Scheme organized **NATIONAL YOUTH DAY** On 12.01.2024, at **Amarar Jeeva Memorial Trust, Saranalayam Old Age Home**, Mannivakkam , Chennai-48.

National Youth Day is observed in India every year on January 12 to honour the teachings and ideals of Swami Vivekananda who was born on January 12, 1863, in Kolkata.

The idea of celebration of National Youth Day specifically at old age homes, is to honor and celebrate the spirit of youth and encourage the younger generation to contribute positively to society. This interaction fostered the intergenerational connections, promoted empathy, and provided companionship for the elderly individuals residing in the home.

The key is to ensure that the event is respectful, inclusive, and aligns with the principles of National Youth Day, which is often associated with the teachings and philosophy of Swami Vivekananda, who emphasized selfless service and compassion for all.
