### NATIONAL SERVICE SCHEME UNNAT BHARAT ABHIYAAN

### REPORT ON DAAN UTSAV 2024 TREE PLANTATION 03.10.24

**Daan Utsav**, also known as the **Joy of Giving week**, is an annual celebration held from **October 2–8**, aimed at encouraging acts of kindness, charity, and giving back to society. Its objective is to inspire people to contribute to various social causes, fostering a sense of community and shared responsibility. This festival holds great importance as it reminds us that **every small act of giving can make a significant difference**.

As part of the **Daan Utsav 2024** celebrations, the **National Service Scheme (NSS) Unit**, in collaboration with **Unnat Bharat Abhiyan**, organized a significant tree plantation drive on **October 3<sup>rd</sup>, 2024** at **B.S. Abdur Rahman Crescent Institute of Science and Technology**. Themed “**Thanks giving for Mother Earth: Plant a Tree and Nurture Our Planet**,” the event was dedicated to promoting environmental conservation and sustainability, aligning with the broader goals of the Joy of Giving Week.

The event was graced by the presence of several distinguished members of the institution, including the **Vice Chancellor Prof. Dr. T.Murugesan**, **Pro-Vice Chancellor Dr.N.Thajuddin**, **Registrar Dr.N.Raja Hussain**, **Advisors, NSS Coordinator Dr.Ayub Khan Dawood**, and **NSS Officers**, as well as few other faculty members. Their participation underscored the significance of the initiative and the collective commitment of the institution towards environmental protection.

The event commenced with a warm **welcome address**, during which **the importance of tree plantation and its critical role in protecting the environment was emphasized.**

Following the address, students, brimming with enthusiasm, took up the task of planting saplings in designated areas around the campus. The Vice Chancellor and other dignitaries joined in, lending their support to the activity. Nearly 70 saplings were planted near Mechanical Science Block, BSACIST. Under the guidance of NSS officers, the 20 students participated in the event, ensuring proper placement and care for each plant. The activity fostered a sense of unity, responsibility, and shared purpose, as students and faculty members worked side by side to nurture the young plants. Throughout the event, the spirit of Daan Utsav resonated in every action, as the participants recognized the significance of giving back to nature. The tree plantation drive was not only a practical step toward environmental conservation but also a symbolic gesture of gratitude towards the Earth, reinforcing the importance of sustaining the planet for future generations.

### **OUTCOMES OF THE EVENT**

A significant number of 70 saplings were planted across the campus, contributing to environmental sustainability.

Participants gained a deeper understanding of the importance of tree plantation .

The event fostered a sense of community involvement, as students, faculty, and dignitaries collaborated for a common cause.

The event emphasized the importance of giving back to nature as part of the broader Daan Utsav celebrations, reinforcing the festival's themes of kindness and responsibility.

The tree plantation drive during **Daan Utsav 2024** was a resounding success, serving as a powerful reminder of the difference we can make when we come together for a common cause. It reinforced the message that protecting and nurturing the environment is not just an individual responsibility but a shared one, requiring the collective efforts of communities, institutions, and individuals alike.
