On the occasion of **World Autism Awareness Day**, our club is privileged to host a special visit to a school for children with special needs. This meaningful initiative aims to promote empathy, inclusion, and understanding among students while celebrating the unique abilities and strengths of children on the autism spectrum. The visit serves as an opportunity to connect, learn, and share joyful moments that reflect the spirit of acceptance and compassion. By engaging with these remarkable children, we hope to foster a more inclusive mindset and spread awareness about the importance of supporting individuals with autism in every walk of life.

The theme for World Autism Awareness Day 2025 is "**Advancing Neurodiversity and the UN Sustainable Development Goals (SDGs)**". This theme highlights how inclusive policies and practices can drive positive change for autistic individuals worldwide, connecting neurodiversity with global sustainability efforts.
