ABOUT THE INSTITUTION

Established in 1984, B.S. Abdur Rahman Crescent Institute of Science and Technology is a renowned Deemed-to-be University located at the greenest spot of Chennai near Tambaram. With 12 Schools offering a wide range of Undergraduate, Postgraduate and Ph.D. programmes, the Institution has built a strong reputation for academic excellence and holistic learning. Accredited with NAAC A+ and several NBA-recognised programmes, it combines quality education with industry-aligned training and innovation. The campus is home to vibrant research centres and the Crescent Innovation & Incubation Council, fostering entrepreneurship and cutting-edge research. For over four decades, the Institution has stood as a stalwart in higher education with a commitment to quality, security and placement.

ABOUT THE SCHOOL

The School of Social Sciences and Humanities is deeply committed to maintaining excellence in its programs it offers. As a vibrant hub of knowledge and creativity, it advances education by combining communication and humanities disciplines. The Department of Public Policy, under the SSSH, is dedicated to preparing students for impactful careers in public service and public administration. Focusing on interdisciplinary approaches, the department offers a comprehensive curriculum that emphasizes critical thinking, data-driven decision-making and analysis, and community engagement.

ABOUT THE CONFERENCE

The conference serves as a vital forum to shape forward-looking policies aligned with India's vision for 2047. Centered on themes of inclusivity, sustainability, and innovation-driven growth, it brings together policymakers, experts, and community leaders to co-create impactful strategies for national development. By integrating global perspectives with grassroots realities, the conference highlights the need for policies that are not only visionary but deeply responsive to the diverse needs of society. It calls for public policy to be reimagined as a transformative force; driving equity, enabling innovation, and empowering every citizen to contribute to a sustainable and inclusive future.
