<u>**UI/UX Design for Web Development Workshop-Report**</u>

24.04.2024

A Workshop on "UI/UX Design for Web Development" was organized by Department of Information Technology, B.S. Adbur Rahman Crescent Institute of science and Technology, Chennai on 23.04.2024. The event took place in IT LAB 3 and was attended by students of VI Sem B.Tech IT and faculty members of the department. The workshop aimed to provide students with an in-depth understanding of Figma, Adobe XD and importance of UI/UX in web development.

The session was initiated with a warm welcome by Mrs. R.Pavithra Assistant professor/IT, and also introduced the esteemed guest speaker, Mr.Vinayagam Mahalingam, Advanced Software Developer, LIVEWIRE, Chennai. His extensive knowledge and expertise made him an ideal candidate to share valuable insights on this topic.

Overall, the workshop was a great success and contributed to the students' understanding of the UI/UX Design for Web Development. A total of around 53 students participated in the workshop.

Outcome the workshop

By the end of the workshop, participants gained:

- Gained practical knowledge of UI/UX fundamentals and their relevance in modern web development.
- Acquired hands-on experience using industry-standard design tools such as Figma and Adobe XD.
- Learned the process of creating wireframes, mockups, and interactive prototypes.
- Understood the importance of user-centered design and accessibility in web interfaces.

Also feedback about the session was collected from all the participants for carrying out improvement in the upcoming workshops.
