A one-day workshop titled **“Navigating Success: Essential Soft Skills for Career Advancement and Higher Education”** was organized by the **Department of Computer Applications** on **6th October 2025**. The event took place at the **Crescent Auditorium, Convention Center**.

The workshop aimed to enhance students' interpersonal competencies and professional readiness. **Ms. Divya Dharshini** delivered an insightful session emphasizing the importance of developing soft skills to foster career growth and initiate a successful professional journey. She elaborated on how improving one's soft skills plays a vital role in overall career development.

Her presentation on **“Essential Soft Skills for Career Advancement and Higher Education”** covered the following key areas:

- **Communication Excellence:** Techniques for effective verbal and written communication in professional environments.
- **Interview Mastery:** Strategies to excel in job interviews and postgraduate admission processes.
- **Teamwork and Collaboration:** Building strong interpersonal relationships and functioning efficiently within teams.
- **Problem-Solving and Adaptability:** Enhancing analytical thinking and flexibility to address challenges effectively.

Further, **Dr. K. Javubar Sathick** delivered a detailed session on **“How to Crack Interviews”**, providing valuable insights on interview readiness, handling common and technical questions, and presenting oneself professionally. His discussion emphasized the importance of preparation, grooming, and appropriate attire for interviews.

The workshop concluded with an interactive **Q&A session**, allowing participants to clarify their queries and share their thoughts.

Nearly **350 students**, including **MCA final-year students** and **UG final-year students** from **BCA (Artificial Intelligence, Cloud Technology and Information Security, Cyber Security & Data Science)** and **B.Sc. (Computer Science)** programs, actively participated in the workshop.

Participants highly appreciated the knowledge, clarity, and engagement demonstrated by the resource persons. The feedback highlighted the sessions as informative, motivating, and beneficial for their career and higher education pursuits.
