

# **Inauguration of Technical Societies:**

## **Academic Year 2025-26**

The Department of Mechanical Engineering has four professional societies: The Society of Mechanical Engineers (SME), the Society of Automotive Engineers (SAE), the American Society of Mechanical Engineers (ASME), and the Indian Society for Heating, Refrigeration, and Air Conditioning Engineers (ISHRAE). These societies organize various events to benefit students. The inauguration ceremony for these societies, marking the start of the academic year (2025-26), was held on Thursday, September 25, 2025, at the Seminar Hall – CIIC.

Dr. M. Mohamed Ismail, Dean (Academic Affairs) of BSAU, presided over the event and released the Department News Bulletin. Dr. A. S. Selvakumar, Head of the Department of Mechanical Engineering, welcomed the gathering, and Dr. H. Siddhi Jailani, Dean of the School of Mechanical Sciences, offered felicitations. The guest of honor was Mr. S. Ranjith Kumar, DGM of Tooling and Product Development at Visteon Technical and Service Centre, Chennai. In his inaugural address, Mr. Ranjith Kumar shared his industrial experience and discussed career opportunities for mechanical engineering graduates. He emphasized that adapting to rapid technological changes will open significant opportunities in digital manufacturing, Industry 4.0, and sustainable product innovation. However, success still depends on continuous skill development, adaptability, and integrating modern tools with core engineering principles. He also praised the events organized by the technical societies. The event was well-received by both faculty and students of the department.
