

Crescent Energy Club Report

2024-2025

1. PLANT A THOUGHT – Anti-Ragging Awareness Event

Date: 13 August 2025

Venue: Mech Block & EEE Seminar Hall

Organized by: B.S. Abdur Rahman Crescent Institute of Science & Technology

1. Introduction

The “Plant ‘A’ Thought” event was organized on 13 August 2025 as part of the institution’s ongoing efforts to promote a safe, inclusive, and respectful campus environment. With a dedicated focus on anti-ragging awareness, the event aimed to educate students, encourage thoughtful behavior, and empower them to stand against bullying and ragging in all forms.

2. Objectives of the Event

- To create awareness among students about the harmful effects of ragging.
- To promote responsible behavior and empathy within the campus community.
- To motivate students to become active contributors in preventing ragging.
- To foster a culture of mutual respect and support.
- The tagline “Think Better, Act Wiser, End Ragging” captured the core values the event intended to instill.

3. Event Activities

The event featured a variety of thought-provoking and interactive sessions:

a. Awareness Talks

Speakers provided insights on Legal consequences of ragging, psychological impact on victims, role of students in maintaining a safe campus.

b. Interactive Discussions

Students actively participated in discussions on how to identify, prevent, and report ragging incidents.

c. Creative Displays

Visual materials, including posters such as “Stop Bullying”, were showcased to reinforce the message.

d. Pledge Activity

Participants pledged to uphold values of kindness, respect, and zero-tolerance toward ragging.

4. Participation

The event saw enthusiastic participation from:

First-year students, Senior students, Faculty members, Anti-Ragging Committee representatives. The turnout reflected the collective commitment toward fostering a positive and ragging-free educational environment.

5. Outcomes of the Event

The event successfully:

Strengthened awareness about anti-ragging policies,

Encouraged students to speak up and support peers

Reinforced the institute's commitment to safety

Built a sense of responsibility among student communities

The sessions helped students understand the importance of creating a healthy campus atmosphere where every individual feels safe and respected.

6. Conclusion

The “Plant ‘A’ Thought” anti-ragging event was an impactful initiative that combined awareness, engagement, and reflection. Through informative sessions and active participation, the event succeeded in promoting the values of empathy, wisdom, and collective responsibility. Such initiatives play a crucial role in ensuring a harmonious and supportive educational environment for all.

2. ONLINE QUIZ EVENT ON SDG 7 -AFFORDABLE AND CLEAN ENERGY

Date: 03 August 2025

Organized by: Crescent Energy Club

Institution: B.S. Abdur Rahman Crescent Institute of Science & Technology

1. Introduction

The Crescent Energy Club organized an awareness-based quiz competition on 03 August 2025, focusing on Affordable and Clean Energy (UN Sustainable Development Goal – SDG 7). The objective of the event was to educate students about the significance of clean, reliable, and sustainable energy sources and encourage them to develop a deeper understanding of global energy challenges.

2. Objectives of the Event

- To increase awareness about SDG 7 among students.
- To highlight the importance of clean and renewable energy for a sustainable future.
- To encourage student participation in sustainability-related activities.
- To assess students' knowledge about affordable energy solutions, global energy demands, and environmental impacts.

3. Event Description

The quiz was conducted in an engaging and interactive format. Questions were framed to cover various aspects of clean energy, including:

- Types and benefits of renewable energy sources
- Global and national energy policies
- Sustainable development practices
- Energy efficiency and conservation
- Innovations in clean energy technology

Participants competed enthusiastically, demonstrating strong interest in sustainability and environmental awareness.

4. Participation

The event witnessed active participation from students across multiple departments. Their involvement reflected high levels of awareness and curiosity about global sustainability issues. The organizing team ensured a smooth and fair competition.

5. Outcomes of the Event

The quiz achieved the following outcomes:

- Enhanced student knowledge about clean and affordable energy.
- Promoted awareness of environmental sustainability and SDG 7.
- Increased enthusiasm for participating in green initiatives within the campus.
- Motivated students to explore innovative solutions for future energy challenges.

6. Conclusion

The quiz on “Affordable and Clean Energy for a Sustainable Future” was a successful educational event that aligned with the institute’s commitment to promoting sustainability. Through informative and competitive activities, the event contributed to empowering students with valuable knowledge on clean energy and environmental responsibility. The Crescent Energy Club plans to continue organizing similar initiatives to foster awareness and inspire eco-conscious behaviour among students.

3. Tree Planting Drive – A Tribute to Thiru. Nammalvar

Date: 11 April 2025

Time: 11:00 AM

Venue: Main Ground, B.S. Abdur Rahman Crescent Institute of Science & Technology

Organized by: Crescent Energy Club & IGEN–ENSAV Club

1. Introduction

The Crescent Energy Club, in collaboration with the IGEN–ENSAV Club, organized a Tree Planting Drive on 11 April 2025 as a heartfelt tribute to Thiru. Nammalvar, a renowned environmental activist, on his birth anniversary. The event aimed to honor his legacy and promote environmental stewardship among students and faculty.

2. Objectives of the Event

- To commemorate the life and contributions of Thiru. Nammalvar in sustainable agriculture and ecological conservation.
- To promote environmental consciousness and encourage green practices among the campus community.
- To increase the green cover within the institution by planting saplings.
- To foster a sense of responsibility toward building a sustainable future.

3. Chief Guest and Dignitaries

The event was conducted in the esteemed presence of:

- Ln. K. Rasu, B.Sc (Agri), M.A (Former Deputy Director of Agriculture, Founder & Chairman, GA HCS Trust) and other notable dignitaries.

4. Event Description

The Tree Planting Drive began with an introductory speech highlighting the contributions of Thiru. Nammalvar to sustainable agriculture and organic farming. The chief guest shared insights on the importance of tree planting and environmental conservation. Participants were provided with saplings and guided on proper planting techniques. Students, faculty, and volunteers took part enthusiastically in planting trees across designated areas of the main ground. The event emphasized the importance of nurturing the planted saplings and maintaining long-term commitment to environmental protection.

5. Participation

Students from various departments, club members, faculty coordinators, and invited guests actively took part in the initiative. Their collective effort showcased a strong commitment toward nurturing a greener campus.

6. Outcomes of the Event

The Tree Planting Drive achieved the following outcomes:

- Successful plantation of multiple saplings within the campus.
- Increased awareness among students about environmental sustainability.
- Strengthened collaboration between environmental clubs and external organizations.
- Honored the legacy of Thiru. Nammalvar by promoting ecological responsibility.

7. Conclusion

The Tree Planting Drive was a meaningful and impactful event that highlighted the institute's dedication to environmental protection and sustainability. By involving students in hands-on ecological activities, the event contributed to building a greener and more conscious campus community. The initiative served as a fitting tribute to Thiru. Nammalvar, inspiring participants to continue supporting environmental initiatives in the future.

4. SDG-5: Gender Equality Quiz

Date: Saturday, April 5th 2025

Time: 6:00 PM

Organized by: Crescent Energy Club, B.S. Abdur Rahman Crescent Institute of Science & Technology

1. Introduction

The Crescent Energy Club organized an informative and engaging SDG-5 Gender Equality Quiz to create awareness about gender equality and promote the principles of inclusivity, fairness, and equal opportunity. The event aligned with the United Nations Sustainable Development Goal 5 (SDG-5), which aims to achieve gender equality and empower all women and girls.

2. Objectives of the Event

- To raise awareness about gender equality and its global importance.
- To familiarize students with SDG-5 and its targets.
- To encourage open-mindedness and inclusivity among participants.
- To test students' knowledge through a competitive yet educational activity.

3. Event Description

The quiz was conducted on Saturday, April 5th, at 6:00 PM. Participants engaged actively in answering questions related to:

- Gender equality principles
- Global gender-related issues
- SDG-5 targets and indicators
- Women's rights and empowerment
- Historical milestones in gender equality

The event featured multiple rounds designed to assess awareness and promote learning in a lively, interactive format.

4. Participation

Students from various departments took part in the quiz with enthusiasm. The event saw a balanced participation of both male and female students, symbolizing the spirit of gender equality. The organizing team coordinated the event efficiently, ensuring smooth progression throughout all quiz rounds.

5. Outcomes of the Event

- Improved understanding of gender equality and SDG-5.
- Encouraged students to challenge stereotypes and biases.
- Promoted discussion on gender rights and equal opportunities.
- Strengthened the culture of inclusivity within the institution.

The quiz succeeded in making participants more aware of the importance of gender-sensitive perspectives in everyday life.

6. Conclusion

The SDG-5 Gender Equality Quiz proved to be a meaningful initiative that not only educated participants about gender equality but also encouraged them to reflect on their role in promoting fairness and equity. The event reinforced the Crescent Energy Club's commitment to supporting the UN Sustainable Development Goals and fostering a progressive and inclusive campus environment.

5. Go Green Initiative – Tree Planting Activity

Date: Thursday, 27 March 2025

Time: 9:00 AM – 9:50 AM

Organized by: Crescent Energy Club

In Collaboration With: Lions Club of International (Lions Club of Chennai Ponmanam – 324 J District), IGEN – The Institution of Green Engineers, and the Forest Department

Venue: B.S. Abdur Rahman Crescent Institute of Science & Technology

1. Introduction

The Crescent Energy Club, in partnership with the Lions Club of Chennai Ponmanam and the Forest Department, organized a Go Green Initiative on 27 March 2025. The event aimed to promote environmental sustainability by planting 20 trees on campus, reinforcing the importance of green cover and ecological balance.

2. Objectives of the Event

- To encourage students and faculty to actively participate in environmental conservation.
- To increase the green cover on campus by planting 20 new trees.
- To promote awareness about climate change, deforestation, and the need for sustainable living.
- To strengthen collaborations with external environmental organizations.

3. Event Description

The program began at 9:00 AM with a short briefing on the importance of afforestation and the long-term benefits of tree planting. Representatives from the Crescent Energy Club, IGEN, Lions Club, and the Forest Department addressed the participants, emphasizing the shared responsibility of working toward a healthier planet. Participants were then guided to designated planting spots on campus where they planted saplings under expert supervision. The activity highlighted teamwork, community engagement, and environmental stewardship.

4. Participation

The event saw active involvement from:

- Members of the Crescent Energy Club
- Representatives from Lions Club of Chennai Ponmanam
- Volunteers from IGEN

- Faculty and student participants
- Support from forest department officials

Their combined efforts ensured the successful planting of all 20 saplings within the scheduled time.

5. Outcomes of the Event

- Successfully planted **20 new trees** on the campus.
- Increased awareness about the importance of green initiatives.
- Strengthened collaborations between student clubs and environmental organizations.
- Encouraged students to take an active role in sustainability efforts.
- Contributed to enhancing the ecological health and beauty of the campus.

6. Conclusion

The Go Green Initiative was a meaningful and impactful event that emphasized the value of environmental conservation. Through collaborative efforts, the event inspired participants to contribute toward a greener and more sustainable future. The Crescent Energy Club, together with partnering organizations, demonstrated strong commitment to preserving nature and promoting eco-friendly practices within the campus community.

6. Online Quiz on SDG 6 (Clean Water & Sanitation)

Date: Thursday, 22 March 2025

Time: 9:00 AM – 9:50 AM

Organized by: Crescent IGEN ENSAVE Club & Crescent Energy Club

B.S. Abdur Rahman Crescent Institute of Science & Technology

1. Event Overview

In celebration of World Water Day – March 22, 2025 Crescent IGEN ENSAVE Club and Crescent Energy Club jointly organized an Online Quiz on SDG 6: Clean Water & Sanitation. The objective of the event was to raise awareness about global water conservation challenges and encourage students to understand the significance of sustainable water management.

2. Purpose of the Event

- To promote awareness of SDG 6 – Ensure availability and sustainable management of water and sanitation for all.
- To educate students on water scarcity, pollution, and the importance of water conservation.
- To engage students in an interactive learning activity aligned with World Water Day 2025.

3. Participation

The quiz was open to all students of the institute. A large number of students participated enthusiastically, demonstrating their awareness of water conservation issues and global sustainability efforts.

4. Outcomes

- Increased student understanding of water-related global challenges.
- Promoted awareness on water-saving practices and responsibilities.
- Enhanced engagement with Sustainable Development Goals, especially SDG 6.
- Participants received certificates (if applicable) and gained valuable knowledge.

5. Conclusion

The Online Quiz on SDG 6 was a successful awareness initiative conducted in line with World Water Day. Crescent IGEN ENSAVE Club and Crescent Energy Club continue to support activities that promote sustainability, environmental protection, and responsible resource management.

7. SDG-4 Quality Education Quiz

Date: Saturday, February 8, 2025

Time: 6:00 PM

Organized by: Crescent Energy Club

Institution: B.S. Abdur Rahman Crescent Institute of Science & Technology

1. Event Overview

The Crescent Energy Club organized an SDG-4: Quality Education Quiz to promote awareness about the importance of inclusive, equitable, and lifelong learning opportunities, as advocated by the United Nations Sustainable Development Goals.

2. Purpose of the Event

- To create awareness among students about SDG-4: Quality Education.
- To encourage student participation in knowledge-building, learning outcomes, and critical thinking.
- To emphasize the importance of accessible and high-quality education globally.

3. Participation

Students from various departments actively took part in the quiz. The event witnessed enthusiastic engagement, with participants demonstrating strong interest in SDG goals and global educational challenges.

4. Outcomes

- Enhanced student understanding of SDG-4 and global education issues.
- Encouraged critical thinking and awareness of quality education standards.
- Strengthened the culture of sustainability-oriented activities within the campus.
- Students gained valuable insights and appreciation for inclusive and equitable learning environments.

5. Conclusion

The SDG-4 Quality Education Quiz was a successful initiative by the Crescent Energy Club to promote awareness about global educational challenges. The event supported the institute's mission of nurturing responsible and informed citizens committed to the UN Sustainable Development Goals.
