The cognitive skills have a value of their own and their special status in the scheme of education is beyond a shadow of a doubt. The psychomotor skills deserve equal attention and reinforced promotion measures.

Our beloved Founder is quite aware of this and so he contributed liberally to constructing a state-of-the-art stadium and swimming pool at Ramnad. Almost all the educational institutions in different parts of the state are growing under his personal patronage from strength to strength.

Sports and games have been given a co-curricular status. Founder's Trophy Football tournament is a fitting tribute to Alhaj Dr. B.S. Abdur Rahman for his yeoman services and missionary zeal for the cause of physical education.
