

Report on the Intra- Department Event “Lit Lore”

22 January 2026

The third-year students of B.A. English students organized an intra-department event titled Lit Lore, with Dr A Catherine Anna Pushpam as the faculty co-ordinator, on 22nd January 2026 at SE 003. The event aimed to celebrate literature through performance, interaction, and creative engagement.

The programme began with a warm and graceful welcome delivered by Fahima, who greeted the Head of the Department, faculty members, and the junior students. This was followed by the recitation of Qirath along with its translation, presented by Aatheekha Nehreen and Safreena Begam from the third year, setting a thoughtful and respectful tone for the event.

Following this, the students from 3rd year - Ashima, Fahima, Vignesh, Safreena Begam, and Aatheekha Nehreen, presented an anti-thesis of the courtroom drama from Shakespeare’s The Merchant of Venice. The performance was engaging and showcased the students’ understanding of drama and literature.

After the play, the Head of the Department addressed the gathering and appreciated the efforts of the students. The third-year students then conducted three interesting and interactive games in which the first- and second-year students actively participated with great enthusiasm.

The first game, “Mystery Box” was coordinated by Blessy Gracelyn and Shifana Afreen. The second game, “Chain Sentence Challenge” was coordinated by Vignesh, and the third game, “Who Am I?” was coordinated by Ashima. All the events were lively and enjoyable, creating a vibrant learning atmosphere.

The programme concluded with a Vote of Thanks delivered by Fahima. She expressed heartfelt gratitude to the Head of the Department for her guidance and motivating words, thanked the faculty members for their constant support, appreciated the juniors for their enthusiastic participation, and acknowledged her classmates for their teamwork and dedication. She finally thanked everyone present for making Lit Lore a meaningful and memorable experience.
