About the Workshop

The Department of Computer Applications organized a one-day workshop on “Mastering Linux Installation to Automation” on 9th April 2026. The session was conducted in the Cyber Security Lab of the department from 9:30 AM to 4:00 PM. Mr. S. Marimuthu, IT Manager, Chainsys India Private Limited, Chennai, served as the resource person for the workshop. He delivered an insightful session with the topics related to Linux virtual machines and monitoring tools.

The workshop was attended by II-year and B.Sc(Computer Science), BCA students specializing in Artificial Intelligence, Cyber Security, Cloud Technology and Information

Security and Data Science, who have opted for Linux as an elective. A total of nearly 100 students actively participated in the session. The session provided the participants with valuable knowledge and practical exposure, enhancing their understanding of server administration and guiding them toward potential career opportunities in the field.
