Tree Plantation Drive Report

The **National Service Scheme (NSS)** of B.S. Abdur Rahman Crescent Institute of Science and Technology organized a **Tree Plantation Drive** under the *Bharat Environment Program (BEP)* as part of **Earth Week (April 22–29)** on **22.04.2026** at the university campus.

The primary objective of the event was to promote environmental awareness and inspire students to actively participate in building a sustainable future. With the theme “*Plant a tree today, grow a greener tomorrow,*” the drive witnessed enthusiastic participation from students,

faculty members, and NSS volunteers. The initiative also aimed at enhancing the green cover of the campus and instilling a sense of environmental responsibility among the participants.

The program was graced by the presence of **Vice Chancellor Dr. A. Peer Mohamed**, **Pro-Vice Chancellor Dr. N. Thajuddin**, and **Registrar Dr. N. Raja Hussain**. Also present were **CSE HOD Dr. Aysha Banu**, **NSS Coordinator Dr. Ayub Khan Dawood**, the Finance Officer, and **NSS Programme Officers Dr. Srinivasan, Dr. C. Noushad, and Dr. R. Anitha**.

During the event, a variety of saplings, including native and medicinal plants, were planted across different locations on the campus. NSS volunteers actively participated in digging pits, planting saplings, and ensuring proper watering and maintenance. The dignitaries appreciated the initiative and highlighted the importance of afforestation, biodiversity conservation, and climate change mitigation.

In addition, awareness was created about the significance of trees in maintaining ecological balance, improving air quality, and supporting sustainable development goals. Students were encouraged to take personal responsibility for nurturing the saplings and to adopt eco-friendly practices in their daily lives.

The event concluded successfully with a strong message on environmental stewardship and collective responsibility. The Tree Plantation Drive not only contributed to a greener campus but also reinforced the commitment of the institution towards sustainability and environmental protection.
