

## **REPORT ON TWO-DAY WORKSHOP**

### **“EMPOWERING SKILLS FOR ACADEMIC AND CAREER EXCELLENCE”**

---

**Conducted on: 08.04.2026 & 09.04.2026**

**Organized by School of Computer, Information and Mathematical Sciences (SCIMS), Department of Computer Applications**

#### **Conveners**

Dr. Sharmila Sankar, Dean (SCIMS)

Dr. M. Syed Masood, HoD / CA

#### **Co-Conveners**

Dr. S. Pakkir Mohamed, Professor

Dr. I. Sathik Ali, Professor

Dr. A. Abdul Azeez Khan, Associate Professor

Dr. K. Jauvbar Sathick, Associate Professor

#### **Event Coordinators**

Dr. G. Shree Devi, Associate Professor

Mrs. Amsavalli S, Assistant Professor

Dr. P. Padmavathy, Assistant Professor (Sr. Gr)

Dr. P. Amudhavalli, Assistant Professor (Sr. Gr)

Dr. R. Sonia, Assistant Professor (Sr. Gr)

Mr. V. M. Niaz Ahamed, Assistant Professor

## Introduction

A Two-Day Skill Development Workshop titled “**Empowering Skills for Academic and Career Excellence**” was conducted on **08.04.2026 & 09.04.2026 from 9:30 AM to 4:00 PM** at **CA Lab 1 & 5**. The Department of Computer Applications, School of Computer, Information and Mathematical Sciences (SCIMS), organized the event.

The **resource persons** of this workshop were **Mr. K.S. Rajaraman, Founder Director - Aprikz, Vedic Mathematics Specialist & TEDx Speaker**, and **Ms. Dhivya Dharshini, Founder - Enlingua Academy, TEFL & TOEFL Certified Trainer**.

The participants of the workshop were Master of Computer Applications students who actively engaged in the sessions to enhance their aptitude and language skills.

## Sessions Conducted

The workshop comprised two highly informative and skill-oriented sessions designed to enhance both analytical and communication competencies of the participants.

The first session on **Quantitative Aptitude Mastery** focused on strengthening students’ problem-solving abilities through innovative techniques. The resource person introduced effective methods, to solve complex numerical problems with speed and accuracy. The session emphasized logical thinking, time management, and strategic approaches required for competitive examinations.

The second session on **TOEFL Preparation – Skills & Strategies** aimed at improving the English language proficiency of the participants. This session covered essential components such as listening, speaking, reading, and writing skills. The resource person provided practical strategies, tips, and structured guidance to help students perform effectively in standardized language tests. Emphasis was also placed on communication skills, vocabulary building and confidence enhancement.

Both sessions were interactive and practice-oriented, enabling participants to actively engage, clarify their doubts, and apply the learned concepts effectively.

## **Key Takeaways**

The workshop focused on the following key takeaways:

- ❖ The Quantitative Aptitude session helped students strengthen their problem-solving skills using innovative techniques.
- ❖ The TOEFL preparation session provided insights into English language proficiency, focusing on listening, speaking, reading, and writing skills.
- ❖ Participants learned time-saving techniques and strategies to improve performance in competitive exams.
- ❖ The sessions emphasized practical approaches for academic excellence and career readiness.
- ❖ Students gained confidence in tackling aptitude problems and improving communication skills.

## **Presentation and Delivery**

- The sessions were highly interactive and included practical problem-solving approaches.
- Real-time examples and shortcut techniques were demonstrated for aptitude mastery.
- The language training session included structured strategies .
- The delivery was engaging, ensuring effective understanding of concepts.

## **Audience Engagement**

- ❖ The workshop was well-received by the students, and they actively participated in all sessions.
- ❖ The resource persons encouraged interaction, clarified doubts, and provided detailed explanations.
- ❖ Students showed enthusiasm in practicing aptitude problems and engaging in communication activities.

## **Conclusion**

In conclusion, the two-day workshop on “**Empowering Skills for Academic and Career Excellence**” was highly beneficial for students equipping them with essential skills required for academic success and career advancement.. The sessions provided practical knowledge, enhanced problem-solving abilities, and improved language proficiency.

The event brochure highlighting the essential details of the Two-Day Workshop on “Empowering Skills for Academic and Career Excellence” were carefully designed and widely circulated among students.
